UNFINISHED BUSINESS

19

S.B. No. 39—Weber Pierson.

An act relating to public health, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 39, as it passed the Senate, exempted vaginal or vulvar products, if specified conditions are met, from the prohibitions beginning on January 1, 2027, on the manufacture, sale, delivery, holding, or offering for sale in commerce of cosmetic products that contain intentionally added boric acid. SB 39, as it passed the Senate, declared that it is to take effect immediately as an urgency statute.

The Assembly amendments instead delay the commencement of the prohibitions described above for vaginal suppository products until January 1, 2035. The Assembly amendments require, beginning on January 1, 2027, any vaginal suppository product containing boric acid to include a specified product label. The Assembly amendments also exempt a vaginal suppository product from the prohibition and labeling requirement described above if the product becomes regulated by the United States Food and Drug Administration.
