S.B. No. 1438—Committee on Local Government (Senators Durazo (Chair)) et al.
An act relating to local government.

Legislative Counsel's Digest of Assembly Amendments

SB 1438, as it passed the Senate, revised and recast provisions regulating investment of public funds by specified local agencies to, among other things, authorize investment in commercial paper issued by an entity organized as a federally or state-chartered bank or a federally or state-licensed branch of a foreign bank and in senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the Inter-American Investment Corporation. SB 1438, as it passed the Senate, removed the January 1, 2031, sunset date for investments in United States-issued securities in a period of negative market interest rates, thereby extending that exception indefinitely. SB 1438, as it passed the Senate, also revised and recast provisions that impose various limits on local government investment in commercial paper and removed the January 1, 2031, reduction of the maximum investment to 25% of total investment for certain local governments and agencies with \$100,000,000 or more in investment assets. For a county, city and county, or local agency that pools money in deposits or investments with other agencies, SB 1438, as it passed the Senate, authorized an eligible bank headquartered outside the state to submit letters of credit drawn on its regional federal home loan bank.

The Assembly amendments make nonsubstantive changes to the above-described provisions, including updating cross-references.

Vote: 21. Substantial substantive change: no.
