S.B. No. 1438—Committee on Local Government (Senators Durazo (Chair)) et al.
An act relating to local government.

Legislative Counsel’s Digest of Assembly Amendments

SB 1438, as it passed the Senate, revised and recast provisions regulating investment of public funds by specified local agencies to, among other things, authorize investment in commercial paper issued by an entity organized as a federally or state-chartered bank or a federally or state-licensed branch of a foreign bank and in senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the Inter-American Investment Corporation. SB 1438, as it passed the Senate, removed the January 1, 2031, sunset date for investments in United States-issued securities in a period of negative market interest rates, thereby extending that exception indefinitely. SB 1438, as it passed the Senate, also revised and recast provisions that impose various limits on local government investment in commercial paper and removed the January 1, 2031, reduction of the maximum investment to 25% of total investment for certain local governments and agencies with \$100,000,000 or more in investment assets. For a county, city and county, or local agency that pools money in deposits or investments with other agencies, SB 1438, as it passed the Senate, authorized an eligible bank headquartered outside the state to submit letters of credit drawn on its regional federal home loan bank.

The Assembly amendments make nonsubstantive changes to the above-described provisions, including updating cross-references.

36

S.B. No. 1344—Cabaldon et al.

An act relating to civil actions.

Legislative Counsel’s Digest of Assembly Amendments

SB 1344, as it passed the Senate, provided that, in a civil action brought by a plaintiff to challenge a housing development project that meets or exceeds the requirements for low- or moderate-income housing or a priority care development, a defendant may seek an order requiring the plaintiff to furnish an undertaking as security of not more than \$1,000,000. As it passed the Senate, SB 1344 also permitted a defendant in such a civil action to bring a special motion to strike the pleading. As it passed the Senate, SB 1344 required that a special motion be filed within 60 days of service, or later at the court’s discretion. As it passed the Senate, SB 1344 required that a hearing on a special motion be scheduled to occur within 30 days of service of the motion.

The Assembly amendments remove the requirement that a hearing on a special motion be scheduled within 30 days of service of the motion.

Vote: 21. Substantial substantive change: yes.

S.B. No. 830—Arreguín et al.

An act relating to transportation, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 830, as it passed the Senate, extended by 2 years the prohibition on the Inspector General, which is authorized to initiate an audit or review of policies, practices, and procedures of the Department of Corrections and Rehabilitation, as specified, from destroying any papers or memoranda used to support a completed review to instead be within 5 years after a report is released.

The Assembly amendments delete the contents of SB 830 and instead, among other things, (1) establish streamlined procedures for the administrative and judicial review of the environmental review and approvals granted for an environmental leadership hospital campus project, defined by the bill as a construction project of a hospital campus in the City of Emeryville, under certain conditions, (2) require the city council of the City of Emeryville, as the lead agency for the hospital campus project, to certify the project for the streamlined judicial review, as specified, if it finds the project will meet those conditions, and (3) require the Judicial Council, on or before July 1, 2026, to adopt rules of court establishing procedures requiring actions or proceedings seeking judicial review of the certification of an environmental impact report for an environmental leadership hospital campus project or the granting of any project approval, including any appeals to the court of appeal or the Supreme Court, to be resolved, to the extent feasible, within 365 calendar days of the filing of the certified record of proceedings with the court. The Assembly amendments also make legislative findings and declarations as to the necessity of a special statute for the City of Emeryville.
