UNFINISHED BUSINESS

20

S.B. No. 925—McNerney et al.
 An act relating to fusion energy.

Legislative Counsel’s Digest of Assembly Amendments

SB 925, as it passed the Senate, required the State Energy Resources Conservation and Development Commission, in coordination with specified agencies, to develop a strategic plan for the development of fusion energy in California, as specified, and submit the strategic plan to the Legislature on or before December 31, 2028. SB 925, as it passed the Senate, required the commission, in developing a specified regulatory framework and roadmap for licensing and permitting, to, among other things, (1) identify needed updates to relevant authorities, rules, regulations, and guidance and establish deadlines for implementation, (2) recommend deadlines for state agencies to update their rules, and (3) identify any additional staffing or funding needs at the Radiologic Health Branch of the State Department of Public Health and other agencies, as provided.

The Assembly amendments extend the commission’s deadline to submit the strategic plan to the Legislature to December 31, 2029. The Assembly amendments instead (1) require the commission to identify relevant authorities, rules, regulations, and guidance, and potential milestones for implementation, (2) delete the requirement for the commission to recommend deadlines for state agencies to update their rules, and (3) require the commission to consult with the Radiologic Health Branch of the State Department of Public Health and other agencies, as provided.

Legislative Counsel's Digest of Assembly Amendments

SB 667, as it passed the Senate, required railroad corporations to install and operate a network of wayside detector systems on or adjacent to any track used by freight trains, as specified.

The Assembly amendments delete the contents of SB 667, and instead require the Public Utilities Commission to review a list of railroad sites identified in an annual report pertaining to hazardous railroad lines and, in the annual report due on or before July 1, 2029, to include an evaluation of each site on the list and determine whether changes in conditions, operations, or safety data warrant the removal, modification, or addition of any site.

S.B. No. 916—Ashby.

An act relating to civil actions.

Legislative Counsel's Digest of Assembly Amendments

SB 916, as it passed the Senate, authorized a defendant, in response to a plaintiff challenge to a student housing development, to request an order requiring the plaintiff to furnish an undertaking as security for costs and damages that may be incurred by the defendant if the bringing of the action would result in preventing or delaying the project.

The Assembly amendments make a conforming change to specify that the request that the plaintiff furnish an undertaking in an action to challenge a student housing development be made on the grounds that, inter alia, the action was made to thwart the student housing nature of the student development project. The Assembly amendments also double joint SB 916 with SB 1344 to avoid potential chaptering conflicts.

S.B. No. 955—Blakespear et al.

An act relating to recycling, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel’s Digest of Assembly Amendments

SB 955, as it passed the Senate, revised the definition of a “supermarket” as a full-line, self-service retail store with gross annual sales of \$2,000,000 or more for purposes of the California Beverage Container Recycling and Litter Reduction Act (the act) by increasing the minimum gross annual sales to \$5,000,000.

The Assembly amendments revise the definition of a “supermarket” for purposes of the act by increasing the minimum gross annual sales to \$6,000,000, and ensure that a recycling center that was eligible to receive handling fees immediately before the effective date of that act shall continue to be eligible to receive handling fees on and after that date. The Assembly amendments extend from June 30, 2027, until June 30, 2032, the operative date of the methodology used pursuant to the act to determine handling fees payable to supermarket sites, nonprofit convenience zone recyclers, or rural region recyclers.

S.B. No. 1048—Becker et al.

An act relating to pupil instruction.

Legislative Counsel's Digest of Assembly Amendments

SB 1048, as it passed the Senate, established the State Seal of Climate Literacy for the purpose of giving high school pupils personal agency to help them and their communities understand and adapt to the effects of climate change and required the Superintendent of Public Instruction to administer the program, including recommending to the State Board of Education criteria for awarding a State Seal of Climate Literacy to pupils and preparing and delivering to participating local educational agencies, as defined, an appropriate insignia to be affixed to the diploma or transcript of the pupil indicating that the pupil has been awarded a State Seal of Climate Literacy by the Superintendent.

The Assembly amendments, among other things, require the Education Commissioner, instead of the Superintendent, to administer the program and remove a provision requiring local educational agencies to submit data related to awarding the State Seal of Climate Literacy.

Legislative Counsel's Digest of Assembly Amendments

SB 1046, as it passed the Senate, required the Division of Occupational Safety and Health to propose to the Occupational Safety and Health Standards Board for its review and adoption, a standard that protects the health and safety of employees who risk high or prolonged exposure to transboundary pollution. SB 1046, as it passed the Senate, required the standard to apply to employees that the division determines are at high risk. SB 1046, as it passed the Senate, required the standard to include specified elements.

The Assembly amendments, instead, require the division to propose to the board for its consideration and possible adoption, a standard that protects the health and safety of employees who risk high or prolonged exposure to transboundary pollution. The Assembly amendments require the standard to apply to employees that the division determines are at high risk and who work within a 10-mile radius of specified locations. The Assembly amendments authorize the standard to include specified elements.

SB 1046, as it passed the Senate, required the board to consider identifying an exposure threshold for hydrogen sulfide at which acute or chronic health effects occur to reference in the standards and authorized it to consider exposure thresholds for other relevant pollutants. SB 1046, as it passed the Senate, authorized the board to develop the standard described above in consultation with other specified groups.

The Assembly amendments, instead, require the division to consider identifying an exposure threshold for hydrogen sulfide at which acute or chronic health effects occur to reference in the standards and authorize the division to consider exposure thresholds for other relevant pollutants. The Assembly amendments authorize the division to develop the standard described above in consultation with other specified groups .

The Assembly amendments expand on those reporting requirements and delay their implementation to January 1, 2028. The Assembly amendments also raise the administrative penalty imposed on a beverage manufacturer for not meeting the minimum postconsumer plastic content requirements from \$0.20 to \$0.30 for each pound of virgin plastic used in lieu of the required amount of postconsumer recycled plastic.

The Assembly amendments delete the contents of SB 420 and instead specify that generally for purposes of the property tax welfare exemption, “property used exclusively for religious, hospital, scientific, or charitable purposes” shall not include property, or any portion thereof, operated as a detention facility, as defined.

Legislative Counsel's Digest of Assembly Amendments

SB 626, as it passed the Senate, required a licensed health care practitioner who provides perinatal care for a patient to diagnose and treat the patient for a perinatal mental health condition in accordance with applicable clinical guidelines, as specified, or standards appropriate to the provider's license, training, and scope of practice.

The Assembly amendments remove the requirement that a licensed health care practitioner diagnose and treat the patient or client for a perinatal mental health condition in accordance with specified clinical guidelines. The Assembly amendments require a specified licensed health care practitioner to ensure that a patient or client is offered screening or is appropriately screened for perinatal mental health conditions consistent with the perinatal mental health program. The Assembly amendments authorize a licensed health care practitioner to satisfy this requirement by referring the patient or client to another licensed health care practitioner who is authorized to screen, diagnose, and treat the patient or client for a perinatal mental health condition.

The Assembly amendments repeal the above-described provisions on January 1, 2030, and, beginning January 1, 2030, prohibit the sale of a portable photovoltaic energy generation device that is designed to be connected to and disconnected from a building's electrical system through a receptacle and does not meet the definition of a portable solar generation device, as specified.

S.B. No. 908—Wiener et al.

An act relating to windows.

Legislative Counsel's Digest of Assembly Amendments

SB 908, as it passed the Senate, prohibited the governing documents of a common interest development from limiting or prohibiting the owner of a separate interest within a common interest development completing a residential window replacement project, as defined, or from imposing any requirements on California Energy Code-compliant windows in a housing development project, as defined.

The Assembly amendments instead declare void and unenforceable any covenant, restriction, or condition contained in any deed, contract, security instrument, other instrument affecting the transfer or sale of any interest in a common interest development, or provision of a governing document that effectively prohibits or restricts the owner of a separate interest from completing a residential window replacement project or impose any requirements on California Energy Code-compliant windows, except as specified. The Assembly amendments also prohibit an association from subjecting a residential window replacement project to design review or any other form of approval if the association's governing documents do not place reasonable restrictions on a residential window replacement project.

SB 908, as it passed the Senate, required a city, county, or city and county to administratively approve an application for a residential window replacement project, and prohibited a city, county, or city and county from requiring discretionary review or a hearing for a residential window replacement. SB 908, as it passed the Senate, exempted specified structures from these provisions, including, among other things, a residential structure individually designated or listed as a city or county landmark under a city or county ordinance or a residential structure on a site designated as a historical resource on a local register.

The Assembly amendments revise those exemptions, and instead exempt, among other things, a residential building that is individually designated on a local register of historical resources or designated as a contributor to a multicomponent resource designated on a local register of historical resources, as specified.

SB 996, as it passed the Senate, authorized a manufactured home, mobilehome, or commercial modular to be classified as real property for purposes of titling and the perfection of real property security interests if certain conditions are met, required any deed of trust or mortgage encumbering a manufactured home, mobilehome, or commercial modular classified as real property to constitute a lien upon the unit and the leasehold or other occupancy interest, and required the Department of Housing and Community Development to, among other things, adopt or update regulations, forms, and guidance to implement the bill’s provisions by January 1, 2028.

The Assembly amendments delete the contents of SB 996 and, instead, modify the definition of the term “manufactured home” to mean a structure that was constructed on or after June 15, 1976, with or without a foundation system, and has the same meaning as defined in specified federal law, require the Department of Housing and Community Development to review, revise, and adopt regulations to permit the construction, installation, sale, and occupancy of a manufactured home built without a permanent chassis in parity with those applicable to a manufactured home built with a permanent chassis, and require the Department of Housing and Community Development to prepare and submit a report to the Legislature evaluating the statutory and administrative changes necessary to regulate, finance, title, tax, and protect homeowners in divided-tenure and leasehold homeownership arrangements.

An act relating to land use.

Legislative Counsel's Digest of Assembly Amendments

SB 1116, as it passed the Senate, among other things, required a local agency to submit a copy of an ordinance, adopted to implement specified existing law, to the Department of Housing and Community Development within 60 days after adoption, authorized the department to submit written findings, and prescribed further related procedures, as specified. SB 1116, as it passed the Senate, also required a local agency to approve or deny an application for a final map for a housing development project submitted to a local agency within 60 days, as described, and required a local agency that adopts an ordinance to implement the above-described provisions to submit a copy of that ordinance to the department, as provided, and prescribed further related procedures.

The Assembly amendments remove these provisions.

SB 1116, as it passed the Senate, required a local agency to include in a specified annual report certain information about housing development projects.

The Assembly amendments make those provisions operative beginning with the report due April 1, 2028. The Assembly amendments require a local agency to include in its annual report specified information related to, among other things, the disposal of surplus land.

The Assembly amendments incorporate additional changes to certain code sections proposed by certain bills, as specified.

SB 1273, as it passed the Senate, made changes to provisions governing advertisements for an instructional event by a winegrower, California winegrower's agent, wine importer, or their representative, as specified. In this regard, SB 1273, as it passed the Senate, among other things, authorized the advertisement to contain videos up to 60 seconds long and removed a requirement that specified information and any pictures, illustrations, or depictions be relatively inconspicuous in relation to the advertisement as a whole.

The Assembly amendments make similar changes to provisions governing advertisements for an instructional event by certain other alcoholic beverage licensees or their representatives. The Assembly amendments also remove provisions that specify that the advertisement be to the general public and that specify the types of mediums of advertisements that are permitted.

SPECIAL CONSENT CALENDAR #35

To be taken up Thursday, August 27, 2026

432

S.B. No. 1438—Committee on Local Government (Senators Durazo (Chair)) et al.
An act relating to local government.

Legislative Counsel's Digest of Assembly Amendments

SB 1438, as it passed the Senate, revised and recast provisions regulating investment of public funds by specified local agencies to, among other things, authorize investment in commercial paper issued by an entity organized as a federally or state-chartered bank or a federally or state-licensed branch of a foreign bank and in senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the Inter-American Investment Corporation. SB 1438, as it passed the Senate, removed the January 1, 2031, sunset date for investments in United States-issued securities in a period of negative market interest rates, thereby extending that exception indefinitely. SB 1438, as it passed the Senate, also revised and recast provisions that impose various limits on local government investment in commercial paper and removed the January 1, 2031, reduction of the maximum investment to 25% of total investment for certain local governments and agencies with \$100,000,000 or more in investment assets. For a county, city and county, or local agency that pools money in deposits or investments with other agencies, SB 1438, as it passed the Senate, authorized an eligible bank headquartered outside the state to submit letters of credit drawn on its regional federal home loan bank.

The Assembly amendments make nonsubstantive changes to the above-described provisions, including updating cross-references.

Vote: 21. Substantial substantive change: no.

(Final vote in the Senate: AYES—36. NOES—0.)

2026

Jun. 25—In Senate. Concurrence in Assembly amendments pending.

SPECIAL CONSENT CALENDAR #35—Continued

To be taken up Thursday, August 27, 2026—Continued

433

S.B. No. 1088—Blakespear.

An act relating to health care.

Legislative Counsel's Digest of Assembly Amendments

SB 1088, as it passed the Senate, replaced the term “Physician Orders for Life Sustaining Treatment” with “POLST” or “Portable Orders Listing Scope of Treatment” and authorized a request regarding resuscitative measures to be entered into by an individual with capacity or a health care agent, conservator, or surrogate, as defined, and a physician, nurse practitioner, or physician assistant acting under the supervision of the physician. SB 1088, as it passed the Senate, required the POLST document to contain the date on which it was signed by the health care provider and the patient or their health care agent, conservator, or surrogate but clarified that the failure to include this date would not invalidate an otherwise valid POLST form and specified that a dated POLST form should be treated as more recent than an undated POLST.

The Assembly amendments removed the requirements relating to having the date on the POLST form. The Assembly amendments also require a conservator signing a request regarding resuscitative measures to have health care decisionmaking authority and authorize additional categories of nurse practitioner to sign the document.

Vote: 21. Substantial substantive change: yes.

S.B. No. 96—Umberg.

An act relating to streaming services.

Legislative Counsel’s Digest of Assembly Amendments

SB 96, as it passed the Senate, prohibited, among other things, a social media video service, as defined, from transmitting the audio of commercial advertisements louder than the content the advertisements accompany.

The Assembly amendments delete references to social media video service and instead clarify that a video streaming service includes a user-generated video streaming service.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—39. NOES—0.)

2026

Aug. 6—In Senate. Concurrence in Assembly amendments pending.

435

S.B. No. 965—Blakespear et al.

An act relating to libraries.

Legislative Counsel’s Digest of Assembly Amendments

SB 965, as it passed the Senate, prohibited a public library from requiring the presence of a parent or guardian for the issuance of a library card to a California resident who is 16 or 17 years of age.

The Assembly amendments delay the commencement of that prohibition to January 1, 2028, and authorize a public library to require a parent’s or guardian’s consent or signature for the issuance of a library card to a California resident who is 16 or 17 years of age unless the minor is emancipated.

S.B. No. 505—Richardson.
An act relating to financial protection.

Legislative Counsel's Digest of Assembly Amendments

SB 505, as it passed the Senate, prohibited a digital wallet provider or money transmitter operating in the state from allowing a user to log in without using 2-factor authentication or multifactor authentication.

The Assembly amendments instead prohibit a licensee under the Money Transmission Act from allowing a user login unless the licensee has implemented specified processes, including 2-factor authentication, multifactor authentication, or other reasonably equivalent or more secure access control, and a process for reverifying the identity of the user, device, or system using 2-factor authentication, multifactor authentication, or other reasonably equivalent or more secure access control. The Assembly amendments prescribe a process for approving a secure access control method and requirements for implementing the reverification process.
