The Assembly amendments delete the contents of SB 667, and instead require the Public Utilities Commission to review a list of railroad sites identified in an annual report pertaining to hazardous railroad lines and, in the annual report due on or before July 1, 2029, to include an evaluation of each site on the list and determine whether changes in conditions, operations, or safety data warrant the removal, modification, or addition of any site.

An act relating to occupational safety.

Legislative Counsel's Digest of Assembly Amendments

SB 1046, as it passed the Senate, required the Division of Occupational Safety and Health to propose to the Occupational Safety and Health Standards Board for its review and adoption, a standard that protects the health and safety of employees who risk high or prolonged exposure to transboundary pollution. SB 1046, as it passed the Senate, required the standard to apply to employees that the division determines are at high risk. SB 1046, as it passed the Senate, required the standard to include specified elements.

The Assembly amendments, instead, require the division to propose to the board for its consideration and possible adoption, a standard that protects the health and safety of employees who risk high or prolonged exposure to transboundary pollution. The Assembly amendments require the standard to apply to employees that the division determines are at high risk and who work within a 10-mile radius of specified locations. The Assembly amendments authorize the standard to include specified elements.

SB 1046, as it passed the Senate, required the board to consider identifying an exposure threshold for hydrogen sulfide at which acute or chronic health effects occur to reference in the standards and authorized it to consider exposure thresholds for other relevant pollutants. SB 1046, as it passed the Senate, authorized the board to develop the standard described above in consultation with other specified groups.

The Assembly amendments, instead, require the division to consider identifying an exposure threshold for hydrogen sulfide at which acute or chronic health effects occur to reference in the standards and authorize the division to consider exposure thresholds for other relevant pollutants. The Assembly amendments authorize the division to develop the standard described above in consultation with other specified groups .

S.B. No. 1091—Caballero et al.
An act relating to housing.

Legislative Counsel's Digest of Assembly Amendments

SB 1091, as it passed the Senate, established the Community Anti-Displacement and Preservation Program for purposes of funding the acquisition and rehabilitation of unrestricted housing and attaching long-term affordability restrictions on the housing, while safeguarding against the displacement of current residents. SB 1091, as it passed the Senate, created the Community Anti-Displacement and Preservation Fund in the State Treasury for purposes of the program, and required the Department of Housing and Community Development to adopt regulations for the operation of the program.

The Assembly amendments require the department to adopt regulations for the operation of the program on or before July 1, 2028.

SB 1091, as it passed the Senate, required the department to select private sector entities or consortiums to manage the program by making loans to eligible borrowers, as specified.

The Assembly amendments also authorize those program managers to make grants to eligible borrowers under the program.

SB 1091, as it passed the Senate, also authorized the department to issue grants or loans from the program funds to local public entities to make loans to eligible borrowers, as specified.

The Assembly amendments instead authorize the department to issue program funds to regional housing entities, as defined, to make loans or grants to eligible borrowers, as specified.

The Assembly amendments make changes to how the department selects administering entities, defined as the program manager or a regional housing entity administering funds allocated by the department. The Assembly amendments also make changes to how an administering entity may use and award program funds, including, among other things, requiring the entity to issue an initial Notice of Funding Availability on or before one year following receipt of funds from the department. The Assembly amendments additionally require a regional housing entity to request program funds through a solicitation or other process determined by the department, and require a program manager to submit annual reports to the department, as specified. The Assembly amendments remove the requirement that a licensed health care practitioner diagnose and treat the patient or client for a perinatal mental health condition in accordance with specified clinical guidelines. The Assembly amendments require a specified licensed health care practitioner to ensure that a patient or client is offered screening or is appropriately screened for perinatal mental health conditions consistent with the perinatal mental health program. The Assembly amendments authorize a licensed health care practitioner to satisfy this requirement by referring the patient or client to another licensed health care practitioner who is authorized to screen, diagnose, and treat the patient or client for a perinatal mental health condition.

S.B. No. 747—Wiener et al.

An act relating to civil rights, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 747, as it passed the Senate, provided that every person who, under color of any law, statute, ordinance, regulation, custom, or usage, as defined, subjects or causes to be subjected any citizen of this state or any person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the United States Constitution, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress.

The Assembly amendments limit the above provision to natural persons and define that term.

SB 747, as it passed the Senate, for an action brought under SB 747, provided for the venue where an action may be filed, how a qualified or absolute immunity defense may be asserted, and the awarding of expert fees to the prevailing plaintiff.

The Assembly amendments make changes to the provisions related to qualified or absolute immunity, and remove the venue requirements and expert fees provisions. The Assembly amendments additionally prohibit a party from bringing an action under SB 747 if, prior to the effective date of SB 747, a court of competent jurisdiction entered a final judgment on the merits, as provided.

The Assembly amendments make legislative findings and declarations related to SB 747. The Assembly amendments declare that SB 747 is to take effect immediately as an urgency statute.

An act relating to manufactured housing.

Legislative Counsel's Digest of Assembly Amendments

SB 996, as it passed the Senate, authorized a manufactured home, mobilehome, or commercial modular to be classified as real property for purposes of titling and the perfection of real property security interests if certain conditions are met, required any deed of trust or mortgage encumbering a manufactured home, mobilehome, or commercial modular classified as real property to constitute a lien upon the unit and the leasehold or other occupancy interest, and required the Department of Housing and Community Development to, among other things, adopt or update regulations, forms, and guidance to implement the bill's provisions by January 1, 2028.

The Assembly amendments delete the contents of SB 996 and, instead, modify the definition of the term "manufactured home" to mean a structure that was constructed on or after June 15, 1976, with or without a foundation system, and has the same meaning as defined in specified federal law, require the Department of Housing and Community Development to review, revise, and adopt regulations to permit the construction, installation, sale, and occupancy of a manufactured home built without a permanent chassis in parity with those applicable to a manufactured home built with a permanent chassis, and require the Department of Housing and Community Development to prepare and submit a report to the Legislature evaluating the statutory and administrative changes necessary to regulate, finance, title, tax, and protect homeowners in divided-tenure and leasehold homeownership arrangements.

An act relating to alcoholic beverages.

Legislative Counsel's Digest of Assembly Amendments

SB 1273, as it passed the Senate, made changes to provisions governing advertisements for an instructional event by a winegrower, California winegrower's agent, wine importer, or their representative, as specified. In this regard, SB 1273, as it passed the Senate, among other things, authorized the advertisement to contain videos up to 60 seconds long and removed a requirement that specified information and any pictures, illustrations, or depictions be relatively inconspicuous in relation to the advertisement as a whole.

The Assembly amendments make similar changes to provisions governing advertisements for an instructional event by certain other alcoholic beverage licensees or their representatives. The Assembly amendments also remove provisions that specify that the advertisement be to the general public and that specify the types of mediums of advertisements that are permitted.

SB 1341, as it passed the Senate, stated the intent of the Legislature that the Department of Resources Recycling and Recovery take certain actions when calculating the processing fee for a beverage container that is a box, bladder, pouch, or similar container containing wine or distilled spirit.

The Assembly amendments delete the contents of bill and instead, until January 1, 2031, limit processing fees and appropriate moneys for processing payments for bag in box beverage containers, which the amendments define as containers for certain alcoholic beverages that have an interior flexible bag with a valve to dispense a beverage and a rigid cardboard or corrugated paper box designed to contain the bag.

The Assembly amendments delete those provisions and instead enact the Short-Term Rental Facilitator Act of 2026, which would authorize an Indian tribe, as defined, to exercise the same powers a local agency has under the Short-Term Rental Facilitator Act of 2025.

S.B. No. 769—Caballero et al.

An act relating to infrastructure finance, and making an appropriation therefor.

Legislative Counsel's Digest of Assembly Amendments

SB 769, as it passed the Senate, established the Golden State Infrastructure Corporation, governed by a board of directors, within the State Treasurer's Office, as a not-for-profit corporation for the purpose of financing infrastructure projects. The bill prescribed the powers of the corporation, including entering into financing transactions, issuing bonds, and setting and charging fees for obtaining financing from the corporation. The bill established an exemption from disclosure under specified state law for specified documents in connection with the potential or actual provision of financing to an investment company for an infrastructure project.

The Assembly amendments rephrase and recast the provisions relating to exemption from existing law relating to the disclosure of specified documents, to instead treat the corporation as a state agency for purposes of existing law, and providing that, notwithstanding existing law, the corporation is not required to disclose corporate financial records or critical infrastructure information, as those terms are defined, furnished to the corporation by an infrastructure company if the documents have not already been made public. The Assembly amendments provide that projects financed by the corporation are public works for which existing prevailing wage laws apply. The Assembly amendments limit the funding that may be provided to an infrastructure project by the corporation to not more than 13 of the total cost of the infrastructure project. The amendments further provide that, for the first 2 years starting with the effective date of the bill, 15% of all General Fund moneys in the Golden State Infrastructure Corporation Fund, established by the bill, are reserved for providing financing for infrastructure projects to priority governmental entities, as defined. Finally, the Assembly amendments create additional reporting requirements that the board of directors must abide by no later than 5 years after the effective date of the bill evaluating the equitable access of all public agencies to financing from the corporation and the fund.

Legislative Counsel's Digest of Assembly Amendments

SB 1344, as it passed the Senate, provided that, in a civil action brought by a plaintiff to challenge a housing development project that meets or exceeds the requirements for low- or moderate-income housing or a priority care development, a defendant may seek an order requiring the plaintiff to furnish an undertaking as security of not more than $1,000,000. As it passed the Senate, SB 1344 also permitted a defendant in such a civil action to bring a special motion to strike the pleading. As it passed the Senate, SB 1344 required that a special motion be filed within 60 days of service, or later at the court's discretion. As it passed the Senate, SB 1344 required that a hearing on a special motion be scheduled to occur within 30 days of service of the motion.

The Assembly amendments remove the requirement that a hearing on a special motion be scheduled within 30 days of service of the motion.

SB 700, as it passed the Senate, repealed the provisions establishing the Bank on California Program, which is a voluntary collaborative initiative that assists Californians in opening a bank or credit union account and saving for the future.

The Assembly amendments, instead, authorize the Capital Programs and Climate Financing Authority to establish one or more small business assistance funds to fund a grant program for community development financial assistance pursuant to the California Investment and Innovation Program. The Assembly amendments include in the list of allowed financial assistance that the authority may provide under the act grants made to community development financial institutions in furtherance of that program. The Assembly amendments make an appropriation by expanding the purposes for which moneys in a continuously appropriated fund may be used.

SPECIAL CONSENT CALENDAR #35

To be taken up Thursday, August 27, 2026

293

S.B. No. 1438—Committee on Local Government (Senators Durazo (Chair)) et al.
An act relating to local government.

Legislative Counsel's Digest of Assembly Amendments

SB 1438, as it passed the Senate, revised and recast provisions regulating investment of public funds by specified local agencies to, among other things, authorize investment in commercial paper issued by an entity organized as a federally or state-chartered bank or a federally or state-licensed branch of a foreign bank and in senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the Inter-American Investment Corporation. SB 1438, as it passed the Senate, removed the January 1, 2031, sunset date for investments in United States-issued securities in a period of negative market interest rates, thereby extending that exception indefinitely. SB 1438, as it passed the Senate, also revised and recast provisions that impose various limits on local government investment in commercial paper and removed the January 1, 2031, reduction of the maximum investment to 25% of total investment for certain local governments and agencies with $100,000,000 or more in investment assets. For a county, city and county, or local agency that pools money in deposits or investments with other agencies, SB 1438, as it passed the Senate, authorized an eligible bank headquartered outside the state to submit letters of credit drawn on its regional federal home loan bank.

The Assembly amendments make nonsubstantive changes to the above-described provisions, including updating cross-references.

Vote: 21. Substantial substantive change: no.

(Final vote in the Senate: AYES—36. NOES—0.)

2026

Jun. 25—In Senate. Concurrence in Assembly amendments pending.

294

S.B. No. 1088—Blakespear.

An act relating to health care.

Legislative Counsel's Digest of Assembly Amendments

SB 1088, as it passed the Senate, replaced the term "Physician Orders for Life Sustaining Treatment" with "POLST" or "Portable Orders Listing Scope of Treatment" and authorized a request regarding resuscitative measures to be entered into by an individual with capacity or a health care agent, conservator, or surrogate, as defined, and a physician, nurse practitioner, or physician assistant acting under the supervision of the physician. SB 1088, as it passed the Senate, required the POLST document to contain the date on which it was signed by the health care provider and the patient or their health care agent, conservator, or surrogate but clarified that the failure to include this date would not invalidate an otherwise valid POLST form and specified that a dated POLST form should be treated as more recent than an undated POLST.

The Assembly amendments removed the requirements relating to having the date on the POLST form. The Assembly amendments also require a conservator signing a request regarding resuscitative measures to have health care decisionmaking authority and authorize additional categories of nurse practitioner to sign the document.

Vote: 21. Substantial substantive change: yes.

The Assembly amendments delay the commencement of that prohibition to January 1, 2028, and authorize a public library to require a parent's or guardian's consent or signature for the issuance of a library card to a California resident who is 16 or 17 years of age unless the minor is emancipated.

The Assembly amendments make a conforming change to specify that the request that the plaintiff furnish an undertaking in an action to challenge a student housing development be made on the grounds that, inter alia, the action was made to thwart the student housing nature of the student development project. The Assembly amendments also double joint SB 916 with SB 1344 to avoid potential chaptering conflicts.

An act relating to recycling, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 955, as it passed the Senate, revised the definition of a "supermarket" as a full-line, self-service retail store with gross annual sales of $2,000,000 or more for purposes of the California Beverage Container Recycling and Litter Reduction Act (the act) by increasing the minimum gross annual sales to $5,000,000.

The Assembly amendments revise the definition of a "supermarket" for purposes of the act by increasing the minimum gross annual sales to $6,000,000, and ensure that a recycling center that was eligible to receive handling fees immediately before the effective date of that act shall continue to be eligible to receive handling fees on and after that date. The Assembly amendments extend from June 30, 2027, until June 30, 2032, the operative date of the methodology used pursuant to the act to determine handling fees payable to supermarket sites, nonprofit convenience zone recyclers, or rural region recyclers.

The Assembly amendments would instead require that a special needs trust established as prescribed be considered an eligible medium of transfer. The Assembly amendments would also correct erroneous cross-references and make a nonsubstantive change.
