S.B. No. 368—Limón.
An act relating to health care coverage.

Legislative Counsel’s Digest of Assembly Amendments

SB 368, as it passed the Senate, among other provisions, required a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2022, in the individual or group market to monitor an enrollee’s or insured’s accrual balance toward their annual deductible and out-of-pocket maximum, and to provide an enrollee or insured with their accrual balance toward their annual deductible and out-of-pocket maximum for every month in which benefits were used. SB 368 allowed an enrollee or insured to request their most up-to-date accrual balances from their health care service plan or health insurer at any time.

The Assembly amendments apply these provisions to health care service plan contracts and health insurance policies issued, amended, or renewed on or after July 1, 2022. The Assembly amendments expressly require a health care service plan or health insurer to establish and maintain a system to allow an enrollee or insured to request their accrual balances, as described above. The Assembly amendments apply the bill’s requirements to each deductible if the health care service plan contract or health insurance policy includes more than one annual deductible for an enrollee or insured. The Assembly amendments require a health care service plan or health insurer to notify enrollees and insureds of their rights under the bill. The Assembly amendments also require a contracted entity that is delegated claims payment functions by a health care service plan or health insurer to comply with the requirements of the bill, as specified.

S.B. No. 535—Limón et al.
An act relating to health care coverage.

Legislative Counsel’s Digest of Assembly Amendments
SB 535, as it passed the Senate, prohibited a health care service plan contract or health insurance policy issued, amended, delivered, or renewed on or after January 1, 2022, from requiring prior authorization for biomarker testing for an enrollee or insured with advanced or metastatic stage 3 or 4 cancer or for biomarker testing for cancer progression or recurrence in the enrollee or insured with advanced or metastatic stage 3 or 4 cancer.

The Assembly amendments instead make the above-described prohibition applicable to a health care service plan contract or health insurance policy issued, amended, delivered, or renewed on or after July 1, 2022.

(Final vote in the Senate: AYES—40. NOES—0.)
2021
Sep. 2—In Senate. Concurrence in Assembly amendments pending.
S.B. No. 660—Newman et al.
An act relating to elections.

Legislative Counsel’s Digest of Assembly Amendments

SB 660, as it passed the Senate, prohibited a person from paying money or providing any other thing of value based on the number of signatures obtained on a state or local initiative, referendum, or recall petition. The bill imposed a civil penalty for violations of that prohibition, as provided. When the Attorney General prosecutes the action, the bill directed a portion of the proceeds from that civil penalty to the Attorney General for the investigation and prosecution of fraud.

The Assembly amendments would instead direct that portion of the proceeds to the Attorney General for the investigation and prosecution of fraud related to the initiative, referendum, or recall process. The Assembly amendments would also require the Attorney General to receive compensation for its reasonable expenses, reasonable costs, and attorneys’ fees from the defendant if the Attorney General prevails in or settles the action.
