

"Promoting Academic Success for Every Student" A Division of the American School Counseling Association www.schoolcounselors-ca.org

Date: August 16, 2021

Submission from: Dr. Loretta Whitson, Executive Director California Association of School Counselors (CASC)

For: Joint Senate Education Committee & Special Pandemic Emergency Response Committee Informational

Hearing 8/18/2021

RE: Resources Pandemic Responses in Schools – Mental Health Coordination and Services

COVID-19 Virtual and Re-Opening Resources

<u>Re-opening of School Resources:</u> This report is designed for administrators to guide decision-making during the re-entry to in-school learning, providing guidance for a three-phase service delivery model with a focus on student and staff mental health. Also included is a review of over 50 resources.

Website Dedicated to Covid19 K-12 Education Issues: This website provides hundreds of resources to address mental health issues pertaining to Covid 19. It was developed by California and Wisconsin school counseling associations to address Covid19 related counseling issues: http://covid19k12counseling.org

Student Survey: https://www.schoolcounselor-ca.org/Files/Student%20Wellness%20Survey%20Summary%205-08-20.pdf 2021 survey will be published later this month with a report on wellness. Infographic is here.
