To the Members of the California State Senate:

I am returning Senate Bill 341 without my signature.

This bill would increase the number of consecutive terms that a member of a bond citizens’ oversight committee may serve, from three two-year terms to six two-year terms.

This bill is a statewide solution to a limited problem. Although a few school districts cite difficulty recruiting community members to serve on their bond oversight committee, this bill could create fewer opportunities for community involvement statewide. This is contrary to the goal of the bond oversight committee, which is to ensure that taxpayers have the opportunity to provide proper oversight of these funds.

Sincerely,

Edmund G. Brown Jr.

July 17—Shall Senate Bill 341 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
S.B. No. 246—Bates.

An act relating to taxation.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 246 without my signature.

This bill would allow a homeowner granted an initial base-year property tax valuation transfer claim due to disability to make a second base-year value transfer after they reach the age of 55.

I believe this bill would allow an already generous property tax benefit to be granted a second time on a larger scale. It is not prudent to authorize legislation such as this that would result in unknown long-term costs to the General Fund.

Sincerely,

Edmund G. Brown Jr.

2017 Jul. 21—Shall Senate Bill 246 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
S.B. No. 506—Nielsen et al.
An act relating to fish and wildlife.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 506 without my signature.

This bill requires the Department of Fish and Wildlife (Department) to upgrade its Lake and Streambed Alteration Program website and post any documents created for informational, guidance, or regulatory purposes on the website by December 31, 2018.

The Department is beginning a rulemaking process on the Lake and Streambed Alteration Program and the bill, as currently written, is premature.

I am directing the Department to update its website to reflect the new guidance, once the regulations are complete.

Sincerely,

Edmund G. Brown Jr.

Jul. 21—Shall Senate Bill 506 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
S.B. No. 644—Stone.
An act relating to vessels.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 644 without my signature.

This bill authorizes a court to impound a boat for up to 30 days in boating under the influence cases if the owner is convicted and the conduct resulted in the unlawful killing of a person.

Boating under the influence is a very troubling crime which exposes the public to grave danger. However, especially in cases where this conduct resulted in an unlawful killing, a defendant will be exposed to very serious criminal and civil liability, including potentially years in prison depending on the circumstances. I do not see the need, in these tragic but narrow instances, to additionally expand the powers of government to impound private property as an added punitive measure.

Because this bill will not act as a deterrent, and existing criminal and civil penalties are sufficient to address the conduct contemplated, I am returning this measure without my signature.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 544—McGuire.
An act relating to public contracts.

Legislative Counsel’s Digest of Assembly Amendments

SB 544, as it passed the Senate, required the State Department of Education, pursuant to recommendations developed by the Superintendent of Public Instruction on expanding the California Assessment of Student Performance and Progress, to establish a process for identifying and evaluating locally developed formative assessment tools, as defined, and locally developed high-quality assessments, as defined, and required the department to provide state-supported locally developed formative assessment tools and locally developed high-quality assessments to local educational agencies. SB 544, as it passed the Senate, specified that these provisions are operative only to the extent that funding is provided in the annual Budget Act or another statute, and repealed the provisions on July 1, 2019.

The Assembly amendments delete those provisions and instead require procurement bid solicitations and awards made by a school district for purchases in support of federal nonprofit child nutrition programs to be consistent with certain federal procurement standards. The Assembly amendments also require those awards to be let to the most responsive and responsible party and require price to be the primary consideration, but not the only determining factor.

(Final vote in the Senate: AYES—40. NOES—0.)
S.B. No. 11—Gaines.
An act relating to taxation.

Legislative Counsel’s Digest of Assembly Amendments

SB 11, as it passed the Senate, prohibited the assessment of interest and specified penalties against any person for failure to make payments of taxes, surcharges, or fees imposed under specified laws if the failure to make a payment is attributable to the failure of the State Board of Equalization’s Internet Web site, unless the person fails to file a return or pay the amount of tax within a reasonable time after the conclusion of the outage period or if a significant aspect of the failure to pay is attributable to that person. The bill also made these changes operative on specified dates subject to a specified contingency, and required the board to post notice of the operation of these changes on its Internet Web site.

The Assembly amendments expand those provisions to encompass the failure of a person to timely file a return as well as failure to make a payment, and provide that references to the State Board of Equalization in those provisions also include its successor agency.

An act relating to domestic violence.

Legislative Counsel’s Digest of Assembly Amendments

The amendments additionally make changes to the information recording and reporting requirements for law enforcement agencies regarding domestic violence related calls for assistance.

SB 61, as it passed the Senate, changed the name of the Emergency Food Assistance Program Fund to the Emergency Food for Families Voluntary Tax Contribution Fund and extended the provisions that apply to that voluntary contribution fund until January 1, 2026. SB 61, as it passed the Senate, made a continuous appropriation from the Emergency Food for Families Voluntary Tax Contribution Fund to the Franchise Tax Board and the Controller for reimbursement of all costs incurred in the administration of these provisions and to the State Department of Social Services for allocation to the CalFood Program.

The Assembly amendments instead make the continuous appropriation to the State Department of Social Services for allocation to the Emergency Food Assistance Program and additionally provide that the required calendar year minimum contribution amount for the fund to continue appearing on the return is an unadjusted $250,000.

SB 432, as it passed the Senate, revised and recast provisions relating to the requirement that a health facility notify prehospital emergency medical care personnel when they have been exposed to a person afflicted with a disease or a condition and should contact the county health officer under certain conditions. SB 432, as it passed the Senate, instead required the health facility to immediately notify emergency medical care personnel when they have been exposed to a reportable disease or condition, as defined, and to give notice to the county health officer with the name and telephone number of the emergency medical care personnel.
