S.B. No. 341—Wilk et al.
An act relating to school bonds.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 341 without my signature.

This bill would increase the number of consecutive terms that a member of a bond citizens’ oversight committee may serve, from three two-year terms to six two-year terms.

This bill is a statewide solution to a limited problem. Although a few school districts cite difficulty recruiting community members to serve on their bond oversight committee, this bill could create fewer opportunities for community involvement statewide. This is contrary to the goal of the bond oversight committee, which is to ensure that taxpayers have the opportunity to provide proper oversight of these funds.

Sincerely,

Edmund G. Brown Jr.
2017

Jul. 17—Shall Senate Bill 341 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
S.B. No. 246— Bates.

An act relating to taxation.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 246 without my signature.

This bill would allow a homeowner granted an initial base-year property tax valuation transfer claim due to disability to make a second base-year value transfer after they reach the age of 55.

I believe this bill would allow an already generous property tax benefit to be granted a second time on a larger scale. It is not prudent to authorize legislation such as this that would result in unknown long-term costs to the General Fund.

Sincerely,

Edmund G. Brown Jr.

2017

Jul. 21—Shall Senate Bill 246 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
To the Members of the California State Senate:

I am returning Senate Bill 506 without my signature.

This bill requires the Department of Fish and Wildlife (Department) to upgrade its Lake and Streambed Alteration Program website and post any documents created for informational, guidance, or regulatory purposes on the website by December 31, 2018.

The Department is beginning a rulemaking process on the Lake and Streambed Alteration Program and the bill, as currently written, is premature.

I am directing the Department to update its website to reflect the new guidance, once the regulations are complete.

Sincerely,

Edmund G. Brown Jr.

2017

Jul. 21—Shall Senate Bill 506 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)
S.B. No. 644—Stone.
An act relating to vessels.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 644 without my signature.

This bill authorizes a court to impound a boat for up to 30 days in boating under the influence cases if the owner is convicted and the conduct resulted in the unlawful killing of a person.

Boating under the influence is a very troubling crime which exposes the public to grave danger. However, especially in cases where this conduct resulted in an unlawful killing, a defendant will be exposed to very serious criminal and civil liability, including potentially years in prison depending on the circumstances. I do not see the need, in these tragic but narrow instances, to additionally expand the powers of government to impound private property as an added punitive measure.

Because this bill will not act as a deterrent, and existing criminal and civil penalties are sufficient to address the conduct contemplated, I am returning this measure without my signature.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 432—Pan et al.

An act relating to emergency medical services.

Legislative Counsel’s Digest of Assembly Amendments

SB 432, as it passed the Senate, revised and recast provisions relating to the requirement that a health facility notify prehospital emergency medical care personnel when they have been exposed to a person afflicted with a disease or a condition and should contact the county health officer under certain conditions. SB 432, as it passed the Senate, instead required the health facility to immediately notify emergency medical care personnel when they have been exposed to a reportable disease or condition, as defined, and to give notice to the county health officer with the name and telephone number of the emergency medical care personnel. If the name and telephone number of the emergency medical care personnel is unknown, SB 432 required notification to the designated officer, as defined, and the county health officer, and only required notification to the personnel if a determination is made that notification is necessary.

The Assembly amendments, among other things, instead require the health facility to notify the designated officer, as defined, of the prehospital emergency medical care personnel when they have been exposed to a reportable disease or condition in a manner that could result in transmission of a communicable disease, and instead require the designated officer to immediately notify the prehospital emergency medical personnel. Under certain circumstances, the Assembly amendments also require specified information about these provisions to be posted on the Internet of employers and health facilities and provided during training to personnel, as specified.

(Final vote in the Senate: AYES—37. NOES—1.)

S.B. No. 464—Hill et al.
An act relating to firearms.

Legislative Counsel’s Digest of Assembly Amendments

SB 464, as it passed the Senate, required a licensed firearms dealer to use certain security procedures at the licensee’s place of business for securing firearms, including the use of concrete or hardened steel bollards if the business is located at street level.

The Assembly amendments specify additional security procedures that a licensee is authorized to select from in securing firearms at the licensee’s place of business, including a display case with smash-proof panels, provide an exception for certain security bollards installed prior to September 1, 2017, and delay operation of the bill’s provisions until July 1, 2018.

S.B. No. 418—Hernandez et al.
An act relating to public contracts.

Legislative Counsel’s Digest of Assembly Amendments

SB 418, as it passed the Senate, provided that a public subsidy is de minimis if it is both less than $275,000 and less than 2% of the total project cost, and specified that these provisions do not apply to a project that was advertised for bid, or a contract that was awarded, before July 1, 2018.

The Assembly amendments delete those provisions and, instead, revise the definition of a “skilled and trained workforce” to exclude from the required conditions of a workforce work performed on or after specified dates in certain occupations, such as bricklayer.

An act relating to horse racing, and making an appropriation therefor.

Legislative Counsel’s Digest of Assembly Amendments

SB 368, as it passed the Senate, among other things, revised provisions of the Horse Racing Law that provide that any unallocated balance from the total revenue received by the Department of Food and Agriculture pursuant to the Horse Racing Law is appropriated without regard to fiscal years for allocation by the Secretary of Food and Agriculture for capital outlay to California fairs, as specified, to include revenue deposited into the Fair and Exposition Fund pursuant to a specified provision and funding appropriated by the Legislature or otherwise designated for California fairs pursuant to the Horse Racing Law or any other law that is to be appropriated without regard to fiscal years for allocation by the secretary for those capital outlay purposes. SB 368, as it passed the Senate, also made some minor changes to a related legislative intent provision regarding the use of these moneys. The Assembly amendments restore the legislative intent provision to existing law.

An act relating to mobilehome parks.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 147, as it passed the Senate, removed the requirement that live-in supportive health care or supervision being provided to a mobilehome owner by a relative, as described, without a fee being imposed by the mobilehome park management, be done pursuant to a written treatment plan prepared by the mobilehome owner’s physician, and instead permitted the mobilehome park management to seek written confirmation of the mobilehome owner’s need for care, if the reason for the health care or supervision was not readily apparent.

The Assembly amendments extend these provisions to also apply to a family member who provides live-in supportive health care or supervision to a resident senior homeowner who resides in a subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park.

The Assembly amendments instead require the Department of Justice to revise and update that notice by January 1, 2019, and provide that any business or establishment required to post the model notice would not be required to post the updated model notice until on or after January 1, 2019. The Assembly amendments also incorporate additional changes to Section 52.6 of the Civil Code proposed by AB 260 to be operative only if this bill and AB 260 are enacted and this bill is enacted last.

The Assembly amendments specify that the hours must be earned from a school providing education in California that was unapproved based solely on the fact that the National Certification Board for Therapeutic Massage and Bodywork took denial or disciplinary action against the school.
