S.B. No. 903—Cannella et al.

An act relating to transportation, and declaring the urgency thereof, to take effect immediately.

**Legislative Counsel's Digest of Assembly Amendments**

SB 903, as it passed the Senate, authorized the Stanislaus Council of Governments, a transportation planning agency, to consider population density when determining if specified operators have met specified requirements for claims for transit funds, and to reduce the applicable ratio of fare revenues to operating cost for specified operators by up to 5 percentage points from the ratio that was effective during the 2016–17 fiscal year if the population density of the County of Stanislaus is less than, or equal to, 1,000 persons per square mile.

The Assembly amendments instead authorize the council, until July 1, 2020, to reduce the applicable ratio for those specified operators by up to 5 percentage points from the ratio that was effective during the 2015–16 fiscal year. If the council acts pursuant to this authorization, the Assembly amendments additionally require the council, before January 1, 2020, to submit a report analyzing the options for organizing and supporting transit service in the county, as specified.
