Legislative Counsel’s Digest of Assembly Amendments

SB 164, as it passed the Senate, authorized a person who has been convicted of an infraction, and in lieu of paying the total fine, elects to perform community service to perform that service in either the county in which the infraction violation occurred or the county of the person’s residence, if the court determines that the person has shown that payment of the total fine would pose a hardship on the person.

The Assembly amendments also authorize the person to perform that community service under that circumstance in any other county to which the person has substantial ties.

Legislative Counsel’s Digest of Assembly Amendments

SB 232, as it passed the Senate, provided that existing law prohibiting a person from offering for sale or for promotional purposes a package, packaging component, or product in a package if the sum of the incidental total concentration levels of all regulated metals exceeds 100 parts per million by weight does not apply to a glass package or packaging component that would not exceed the maximum regulated metal concentration level but for the addition of recycled glass materials, as provided.

The Assembly amendments provide that the prohibition does not apply to a glass package or packaging component that would not exceed the maximum regulated metal concentration level but for the addition of recycled materials, instead of recycled glass materials.
