S.B. No. 364—Mitchell.

An act relating to taxation, to take effect immediately, tax levy.

**Legislative Counsel's Digest of Assembly Amendments**

SB 364, as it passed the Senate, prohibited, for purposes of calculating the ad valorem tax on real property, the adjustment of the full cash value base by the inflation factor for the principal place of residence, including a manufactured home, of a qualified veteran meeting specified requirements.

The Assembly amendments delete the contents of SB 364 and instead provide that, for purposes of calculating the ad valorem tax on real property, real property includes improvements, but not personal property. The Assembly amendments provide that a nonresidential active solar energy system, as defined, is personal property, not an improvement, and provide certain exemptions from personal property tax for that system until there is a subsequent change in ownership of the system. The Assembly amendments make these changes operative on the date that a specified initiative measure, if approved at the November 3, 2020, statewide general election, takes effect. The Assembly amendments also make other conforming changes.

**Vote: 27.** Substantial substantive change: yes.
