GOVERNOR'S VETOES

10

S.B. No. 275—Grove.

An act relating to oil and gas.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 275 without my signature.

This bill would require appointment of the State Oil and Gas Supervisor to be subject to Senate confirmation. I share the Legislature's desire for appointments to be made effectively and transparently, especially when considering California's ambitious and time-sensitive clean energy and carbon neutrality goals.

However, an appointee to this position already undergoes an extensive and exhaustive identification, evaluation, and selection process, a process that ensures the appointee is experienced and fully capable of carrying out our shared policy objectives of protecting public health, safety, and the environment. Additionally, this position falls under the direction and oversight of the Director of Conservation, a gubernatorial appointee that is subject to Senate confirmation.

For these reasons, I am returning this bill without my signature.

Sincerely,

Gavin Newsom

2023

Jul. 13—Shall Senate Bill 275 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)

S.B. No. 417—Blakespear et al.
An act relating to firearms.

Legislative Counsel's Digest of Assembly Amendments

SB 417, as it passed the Senate, revised the specified warnings and notices that licenced firearm dealers are required to conspicuously post within their licensed premises to include a statement that access to a firearm in the home significantly increases the risk of injury, as specified, and stated that if the reader of the notice or a loved one is experiencing distress or depression or is contemplating suicide, that person call the National Suicide Prevention Lifeline.

The Assembly amendments require the notice to be on a contrasting background, change the phone number to the 988 Suicide and Crisis Lifeline, specify the placement of certain text in the notice, and require the notice to be posted on the counter of one of the main gun displays or within five feet of the cash register, if possible.

The Assembly amendments instead place these requirements on any commercial feed, feed additive, or drug approved by the United States Food and Drug Administration that is fed to livestock. The Assembly amendments specify that the department's oversight does not limit the authority of the State Air Resources Board related to certain methane emissions reduction regulations.

The Assembly amendments, instead, authorize an eligible legislative body to use alternate teleconferencing provisions if the city council has adopted an authorizing resolution and 23 of an eligible legislative body votes to use the alternate teleconferencing provisions, only until January 1, 2026. The Assembly amendments also require that at least once per year, at least a quorum of the members of the eligible legislative body participate in person from a singular physical location that is open to the public and within the boundaries of the eligible legislative body.

SB 280, as it passed the Senate, required the care plan to be delivered to specified persons, including the conservatee's spouse or registered domestic partner and relatives within the first degree.

S.B. No. 389—Allen et al.

An act relating to water.

Legislative Counsel's Digest of Assembly Amendments

SB 389, as passed by the Senate, authorized the State Water Resources Control Board, upon specified findings, to investigate the diversion and use of water from a stream system to determine whether the diversion and use are based upon appropriation, riparian right, or other basis of right, as specified.

The Assembly amendments instead authorize the state board to investigate and ascertain whether or not a water right is valid and to issue an information order, in furtherance of an investigation, to a water right holder or claimant, diverter, or user to provide information related to a diversion and use of water, as specified. The Assembly amendments additionally authorize a diversion or use of water ascertained to be unauthorized pursuant to this provision to be enforced as a trespass.

An act relating to parklands.

Legislative Counsel’s Digest of Assembly Amendments

SB 256, as it passed the Senate, authorized the City of Davis to convey conservation easements, leases, or licenses for habitat conservation projects on 8 specified parcels acquired by the city with a grant made pursuant to the California Wildlife, Coastal, and Park Land Conservation Act, and for the sequestration of carbon dioxide in the pore spaces in the geologic reservoir located below 3 of those parcels.

The Assembly amendments authorize the city to convey conservation easements, leases, or licenses for the geologic storage, rather than the sequestration, of carbon dioxide in those pore spaces, as specified. The Assembly amendments additionally authorize the city to convey conservation easements, leases, or licenses on the 8 parcels for agricultural activities that provide wildlife habitat, and would require any revenue received by the city from conveying any of these easements, leases, or licenses to be used to preserve, protect, maintain, or enhance wildlife and riparian habitat, wetlands, and potential wetlands within the Davis Planning Area, as specified.

S.B. No. 455—McGuire.

An act relating to mortgages.

Legislative Counsel's Digest of Assembly Amendments

SB 455, as it passed the Senate, among other things, required a transferor mortgage servicer servicing a mortgage secured by property, as defined, within the geographic limits of a proclaimed state of emergency or local emergency to deliver to a transferee mortgage servicer any material written records between the borrower and the mortgage servicer relating to the repair of property that suffered a total loss due to damage caused by a natural disaster for which the state of emergency or local emergency was proclaimed.

The Assembly amendments instead require that delivery to be of material records relating to the borrower's election to use insurance proceeds to repair or replace property damaged by a disaster for which the state of emergency or local emergency was proclaimed. The Assembly amendments additionally specify that the bill shall not be interpreted to prohibit a mortgage servicer from delivering to a transferee mortgage servicer any material written records relating to a borrower's election to use insurance proceeds to repair or replace damaged property that was not caused by a disaster for which a state of emergency or local emergency was proclaimed.

An act relating to trusts.

Legislative Counsel's Digest of Assembly Amendments

SB 801, as it passed the Senate, established the California Uniform Directed Trust Act to provide a method for regulating a trust for which a person who is not a trustee is given a role in directing the trust. SB 801 specified the duties and responsibilities of the trust director and directed trustee, including information required to be exchanged by the trust director and the directed trustee.

The Assembly amendments, notwithstanding any other law, additionally require the consent of the public administrator, public guardian, or public conservator before they may be appointed to act as a trust director or directed trustee. The Assembly amendments also make technical, nonsubstantive changes to the bill.

S.B. No. 78—Glazer et al.

An act relating to criminal procedure.

Legislative Counsel's Digest of Assembly Amendments

SB 78, as it passed the Senate, authorized a person to move a court for a finding that they are entitled to compensation if the court has granted specified writs of habeas corpus and the charges were subsequently dismissed, or the person was acquitted of the charges on a retrial, as specified, and required the court to grant that motion unless the district attorney can establish by clear and convincing evidence that the person committed the acts constituting the offense and would therefore not be entitled to compensation, as specified.

The Assembly amendments additionally require the California Victim Compensation Board to approve payment to a person who has secured a declaration of factual innocence from the court and has applied to the board for compensation if sufficient funds are available and funds are appropriated by the Legislature for that purpose, rather than recommend to the Legislature that an appropriation be made and a claim paid, as specified.

S.B. No. 432—Cortese.

An act relating to teachers' retirement, and making an appropriation therefor.

Legislative Counsel's Digest of Assembly Amendments

SB 432, as it passed the Senate, revised provisions of law concerning the State Teachers' Retirement System (STRS) to specify that compensation reported in accordance with STRS rules includes rules relating to timeliness and accuracy and eliminated the requirement that supersession by other law or order be express. SB 432, as it passed the Senate, required that notice of determination of an error in compensation reported to STRS be provided in writing and based on the law applicable at the time that the compensation was reported. SB 432, as it passed the Senate, also required that amounts overpaid resulting from compensation determined to have been paid to enhance a member's benefits be recovered from the member, participant, former participant, or beneficiary receiving the allowance or annuity benefit, or the employer, or both.

The Assembly amendments delete the above-described requirement that notice of a determination of error be provided in writing, based on the law applicable at the time the compensation was reported. The Assembly amendments also delete the provision that required amounts overpaid due to compensation paid to enhance a member's benefits be recovered. The Assembly amendments also require STRS to identify and provide resources on its internet website that interpret compensation and creditable service laws. The Assembly amendments further require those STRS-identified resources to be relied upon for purposes of audits or other actions by STRS unless the resource is revoked or superseded by STRS. The Assembly amendments provide that if STRS determines that compensation reported in accordance with its identified resources has been reported in error as a result of an error in those resources, the resulting overpayment to the individual member, former member, or beneficiary would be deemed an error of STRS and subject to a specified recovery process. The Assembly amendments make various other changes to the Teachers' Retirement Law, including allowing for a retroactive interpretation of law if it is the result of a final court order.

S.B. No. 602—Archuleta et al.

An act relating to trespass.

Legislative Counsel's Digest of Assembly Amendments

SB 602, as it passed the Senate, extended the maximum period of time that a single request for the assistance of a peace officer in dealing with a trespass is effective from 30 days to 12 months where there is a fire hazard or absence of the owner, and from 12 months to 3 years if the property is closed to the public. The bill, as it passed the Senate, authorized the request for assistance to continue following a change in ownership or transfer of lawful possession if the transferee notified the relevant law enforcement agency or city of the change.

The Assembly amendments remove the provision permitting a request for assistance to continue after a transfer of possession or change in ownership and remove the 12 month to 3 year extension if the property is closed to the public.

S.B. No. 658—McGuire.

An act relating to elections.

Legislative Counsel's Digest of Assembly Amendments

SB 658, as it passed the Senate, required and authorized redaction of additional information on the income tax form a candidate for Governor files with the Secretary of State in order for the candidate's name to be printed on the ballot of the direct primary election. SB 658, as it passed the Senate, required the Secretary of State to make redacted copies of the tax returns public at the time the Secretary of State issues the certified list of candidates for the direct primary election and required the Secretary of State to continuously post the tax returns until the official canvass is completed for the election at which a candidate is elected to the office, except as specified.

The Assembly amendments extend these requirements to general elections and recall elections in addition to direct primary elections. The Assembly amendments also require the Secretary of State to retain paper copies of the submitted tax returns until the completion of the official canvass of the election at which a candidate is elected to the office.

S.B. No. 746—Eggman et al.

An act relating to public contracts.

Legislative Counsel’s Digest of Assembly Amendments

SB 746, as it passed the Senate, added hydrogen to the list of examples of primary fuel sources under the definition of “alternate energy equipment” for the purposes of specified energy conservation contracts. The bill also included hydrogen in the calculation of anticipated costs to a public agency for thermal or electrical energy for specified purposes, authorized public agencies to enter contracts for the sale of hydrogen, and included revenues from sales of hydrogen in calculating projected availability of funds for specified purposes.

The Assembly amendments delete those provisions and instead authorize the Tri-Valley-San Joaquin Valley Regional Rail Authority to enter into energy service contracts, facility financing contracts, and contracts for the sale of energy resources relating to green electrolytic hydrogen for the purpose of financing the construction and operation of passenger rail services through the Altamont Pass Corridor.

The Assembly amendments instead authorize the Sunol Smart Carpool Lane Joint Powers Authority or the Santa Clara Valley Transportation Authority to conduct, administer, and operate the program on that segment in the County of Santa Clara. The Assembly amendments also require nonpneumatic tires, motor carriers, drivers, and vehicles to comply with certain federal safety regulations, conform placards and markings requirements for vehicles transporting specified hazardous materials to federal regulations, and require a trap wagon or spray rig that is empty or transporting not more than 1,000 gallons of flammable or combustible liquids to comply with certain statutes regulating the transport of those liquids.
