She built master-planned communities and delivered quality housing to the Sacramento region's working families—recognizing her as one of the capital region's most prominent businesswomen. Passionate about early childhood development, Kounalakis served as a member of California's First 5 Commission and the California Blue Ribbon Commission on Autism. Eleni Kounalakis graduated from Dartmouth College and earned her Masters in Business Administration from U.C. Berkeley's Haas School of Business. 12.3. (a) (1) The Committee on Legislative Ethics is hereby created. The committee shall be appointed by the Committee on Rules and shall consist of six Senators, at least two of whom are members of the political party having the greatest number of members in the Senate and at least two of whom are members of the political party having the second greatest number of members in the Senate. The members of the committee shall serve two-year terms. The President pro Tempore and the Minority Floor Leader shall serve as ex officio, nonvoting members of the committee. A member of the Committee on Rules shall not be appointed to the committee.

(2) The Committee on Rules shall select a Chair and a Vice Chair, who may not be members of the same political party. The Chair may not serve more than two consecutive two-year terms, and the Committee on Rules shall select a successor who is not a member of the same political party as the immediately previous Chair.

(3) Vacancies in the committee shall be filled within 30 days by the Committee on Rules for the remainder of a term.

(4) If a complaint is filed against a member of the committee, the Committee on Rules shall temporarily replace the member with a Senator of the same political party, who shall serve until the complaint is dismissed by the committee or the Senate takes action as it deems appropriate, whichever occurs earlier.

(5) The Committee on Rules, upon the recommendation of the Committee on Legislative Ethics, may retain or appoint a Chief Counsel to assist the committee in carrying out its functions. The staff of the committee shall be considered permanent and professional, and shall perform their duties in a nonpartisan manner.

Neither staff of the committee, nor persons currently contracted to provide services for the committee, shall engage in partisan activities regarding a Senate or Assembly election campaign.

(6) (A) The Committee on Rules, after consulting with the Chair and Vice Chair of the Committee on Legislative Ethics, shall appoint an ethics ombudsperson to facilitate the receipt of information about potential ethical violations, and to assist the Senate in ensuring that the information is referred, if appropriate, to Senate offices or state or federal agencies that can assess the information and provide remedies for retaliatory conduct if needed, and ensure that an informant or complainant does not suffer adverse consequences with respect to that person's employment in violation of paragraph (1) of subdivision (u). The identity of the informant or complainant shall be kept confidential unless that person otherwise consents.

(B) The ombudsperson may be a Senate employee with other duties, but the ombudsperson's role as ombudsperson shall be independent of those other duties and, in this role, the ombudsperson shall report directly to the Secretary of the Senate. The Secretary of the Senate shall ensure that the ombudsperson has the ability to consult with outside legal counsel when needed to help assess the appropriate referral of information received pursuant to this paragraph.

(C) The ombudsperson shall be accessible to Senators and officers and employees of the Senate who wish to provide information or seek guidance about ethical standards or possible violations before filing a formal complaint pursuant to subdivision (c). Members of the public may also provide information regarding possible violations. All communications made pursuant to this subparagraph shall be confidential between the informant or complainant and the ombudsperson. In appropriate cases, especially where repeated or systematic violations appear to have occurred, the ombudsperson may refer the information to the Chair of the Committee on Rules, the Chair of the Committee on Legislative Ethics, the Secretary of the Senate, or all

three; however, the identity of the informant or complainant shall be kept confidential unless that person otherwise consents.

(D) The Senate shall maintain a public hotline telephone number for purposes of contacting the ombudsperson. Complaints received through the hotline shall be considered informal complaints, and the nature and existence of the complaints shall be kept confidential.

(b) The committee shall do all of the following:

(1) The committee shall formulate and recommend, for adoption by the Senate, standards of conduct for Senators and officers and employees of the Senate in the performance of their legislative responsibilities. The Ethics Manual for Members, Officers, and Employees of the United States House of Representatives, as prepared by the Staff of the Committee on Standards of Official Conduct, 102nd Congress Second Session (United States Government Printing Office, Washington, 1992), the Code of Ethics (Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code), and Joint Rule 44 shall serve as guides in the formulation of the standards of conduct.

(2) At the request of any Senator or officer or employee of the Senate, the committee shall provide an advisory opinion with respect to the standards of conduct of the Senate on the general propriety of past, current, or anticipated conduct of that Senator, officer, or employee. The opinion shall be rendered within 21 days unless the Chair and Vice Chair agree otherwise. The committee may, with appropriate deletions to ensure the privacy of the individuals concerned, publish the advisory opinions for the guidance of other Senators, officers, or employees.

(3) The committee shall develop, issue, and annually update a clear, informative, and usable manual for the Senate based on the standards of conduct adopted by the Senate, including any advisory opinions published pursuant to paragraph (2).

(4) The committee shall conduct periodic workshops, at least once each calendar year, for Senators and officers and employees of the Senate, including workshops specifically designed for newly elected Senators and newly appointed officers and employees. At least once in each biennial session, each Senator and each officer or employee of the Senate shall attend one of these workshops. The workshops shall include, but not be limited to, a comprehensive review of all applicable statutes and Senate rules. At least once in each biennial session, each Senator shall also attend an individual training or review session conducted by the Chief Counsel of the committee.

(5) After adoption by the Senate of the standards of conduct, the committee shall receive and review complaints alleging violations of the standards of conduct by Senators, or officers or employees of the Senate, in accordance with the procedures specified in this rule.

(6) The committee shall maintain a record of its investigations, hearings, and other proceedings. All information, testimony, records, complaints, documents, and reports filed with, submitted to, or made by the committee, and all records and transcripts of any investigations or hearings of the committee, shall be confidential and shall not be open to inspection by any person other than a member of the committee, the staff of the committee, or any person engaged by contract or otherwise to perform services for the committee, except as otherwise specifically provided for in this rule. Any member of the committee or any person on the staff of the committee who, during the person's tenure with the committee or anytime thereafter, and without authorization, discloses, by writing, verbal communication, or conduct, or reveals in any way, in whole, in part, or by way of summary, any information, testimony, record, complaint, document, report, or transcript that is confidential shall be subject to discipline. In the case of a contract for the performance of services for the committee, the contract shall expressly prohibit any party to the contract from, without

authorization, disclosing, by writing, verbal communication, or conduct, or from revealing in any way, in whole, in part, or by way of summary, any information, testimony, record, complaint, document, report, or transcript that is confidential. The committee may, by a majority vote of the membership of the committee, authorize the release of any records, complaints, documents, reports, and transcripts in its possession to the appropriate enforcement agency if the committee determines that there is probable cause to believe that the violation or violations alleged in the complaint would constitute a felony or if the committee determines that the information is material to any matter pending before the enforcement agency.

(c) (1) Any person may file a formal complaint with the committee that alleges a violation of the standards of conduct. A formal complaint does not include information provided to the ombudsperson pursuant to paragraph (6) of subdivision (a), unless the person who contacted the ombudsperson elects to file a complaint that complies with this subdivision and subdivision (d).

(2) Except as provided in paragraphs (3) and (4), a complaint shall not be filed more than 18 months after the date that the alleged violation occurred.

(3) If the committee determines that the person filing the complaint did not know, or through the exercise of reasonable diligence could not have known, of the alleged violation within 18 months after the date that the alleged violation occurred, the complaint may be filed within three years after the date that the alleged violation occurred.

(4) If a complaint is filed within 60 days prior to an election at which a Senator or officer or employee is a candidate for elective office, the complaint shall be returned to the person filing the complaint, and the person shall be informed that the complaint may be filed with an appropriate enforcement agency and may be refiled with the committee after the election. The period of time for filing the complaint shall be extended for 60 days.

(5) A complaint shall not be filed if it alleges a violation that occurred prior to the adoption of the standards of conduct.

(d) A formal complaint shall satisfy all of the following requirements:

(1) It shall be in writing.

(2) It shall state the name and contact information of the person filing the complaint.

(3) It shall state the name of the Senator, or the name and position or title of the officer or employee of the Senate, who is alleged to have committed a violation of the standards of conduct.

(4) It shall set forth allegations that, if true, would constitute a violation of the standards of conduct. The allegations shall be stated with sufficient clarity and detail to enable the committee to make a finding pursuant to subdivision (h).

(5) It shall state the date of the alleged violation.

(6) It shall include a statement that the allegations are true of the person's own knowledge or that the person believes them to be true, and may include documents in the possession of the party filing the complaint relevant to, or supportive of, the allegations.

(e) The committee, on its own motion, two-thirds of the membership concurring, may initiate a proceeding by filing a complaint that complies with paragraphs (1) to (5), inclusive, of subdivision (d).

(f) The committee shall promptly send a copy of a complaint to the Senator, or officer or employee of the Senate, alleged to have committed the violation, who shall thereafter be designated as the respondent.

(g) If a complaint is filed by a person other than the committee, the Chair and Vice Chair of the committee shall examine the complaint to determine whether it was filed in accordance with this rule and any rules of the committee.

(h) Within seven days after the complaint is filed, the Chair and Vice Chair shall provide to the committee a copy of the complaint and their opinion as to whether the allegations in the complaint, if true, would constitute a violation of the standards of conduct. If

the committee, by a two-thirds vote of its membership, finds that the allegations, if true, would constitute a violation of the standards of conduct, the committee shall hold a hearing within 30 days to conduct a preliminary inquiry. If two-thirds of the membership of the committee fails to find that the allegations, if true, would constitute a violation of the standards of conduct, it shall dismiss the complaint and so notify the person who filed the complaint and the respondent, and the complaint shall not be made public.

(i) At the preliminary inquiry, the respondent may respond to the allegations in the complaint by written statement or oral testimony. If two-thirds of the membership of the committee finds that probable cause exists for believing that the respondent committed a violation of the standards of conduct, the committee shall issue a count-by-count statement of alleged violations. If two-thirds of the membership of the committee fails to find that probable cause exists, the committee shall dismiss the complaint. In either event, the committee shall immediately notify the respondent and the person who filed the complaint of its action. If the committee finds that probable cause exists, the statement of alleged violations shall be made public within seven days.

(j) Within 21 days after the issuance of the statement of alleged violations, the respondent may file an answer that admits or denies each count. Upon request of the respondent, the committee may grant the respondent an additional 21 days to respond.

(k) Within 60 days after the issuance of the statement of alleged violations, the committee shall hold a disciplinary hearing. If a majority of the membership of each party on the committee fails to find that the respondent committed a violation of the standards of conduct, the committee shall dismiss the complaint. If a majority of the membership of each party on the committee finds by clear and convincing evidence that the respondent committed a violation of the standards of conduct, the committee shall take the following action:

(1) If the respondent is a Senator, it shall hold a hearing to determine an appropriate sanction.

(2) If the respondent is an officer or employee, it shall transmit its findings to the Committee on Rules for appropriate action.

(I) (1) At the hearing to determine an appropriate sanction, two-thirds of the membership of the committee shall determine whether the violation is serious or minor.

(2) If the committee determines that a violation is minor or fails to determine that a violation is serious, two-thirds of the membership of the committee (A) shall, if it determines that the violation bears upon the exercise of a right or privilege, recommend that the Committee on Rules deny or limit that right or privilege and shall transmit its findings and recommendation to the Committee on Rules, or (B) shall impose any lesser sanction, including, but not limited to, issuing a private letter of admonishment for an inadvertent, technical, or otherwise de minimis violation, which shall not be considered discipline. Within 15 days after the imposition of a lesser sanction, the respondent may appeal the sanction imposed to the Committee on Rules.

(3) If the committee determines that a violation is serious, two-thirds of the membership of the committee shall recommend that the Senate take one or more of the following actions and shall transmit its findings and recommendation to the Senate:

(A) The denial or limitation of any right or privilege, if the violation bears upon the exercise of that right or privilege.

(B) A reprimand for a serious violation.

(C) A censure for a more serious violation.

(D) A suspension or expulsion for a most serious violation.

(m) The Senate shall, within 15 legislative days after receiving the findings and recommendation, vote on the recommendation of the committee. The Senate, by 21 votes, may deny or limit any right or privilege of, reprimand, or censure the Senator or, by 27 votes, may suspend or expel the Senator.

(n) The committee or Senate may defer any action required by this rule if other proceedings have been commenced on the same matter.

(o) (1) At all hearings, the Chief Counsel of the committee shall present the case. All relevant and probative evidence shall be admissible unless it is privileged. Witnesses may be called and cross-examined by the committee and the respondent, and exhibits and other documents may be entered into the record. The respondent shall have the right to be represented by legal counsel or any other person of the respondent's choosing.

(2) If the committee receives, at any time, any exculpatory information relating to the alleged violation, the committee shall make the information available to the respondent. The committee and the respondent shall comply with requests for discovery consistent with Sections 1054, 1054.1, and 1054.3 of the Penal Code.

(p) If the committee determines that the complaint was filed with malicious intent, it may request that the Committee on Rules reimburse the expenses incurred by the respondent.

(q) At any time during the proceedings, the respondent may admit to the commission of a violation of the standards of conduct. If the respondent admits some but not all of the violations alleged in the complaint or the counts set forth in the statement of alleged violations, the committee shall find that the admitted violations constituted a violation of the standards of conduct and may continue the proceedings to determine whether the other alleged violations constituted violations of the standards of conduct. If the respondent admits to all alleged violations, the committee shall find that the admitted violations constituted a violation of the standards of conduct, terminate the preliminary inquiry or disciplinary hearing, and take the action required by paragraph (1) or (2) of subdivision (k).

(r) Meetings of the committee shall not be open to the public until the committee finds that probable cause exists for believing that the respondent committed a

violation of the standards of conduct. Subsequent meetings of the committee or Senate shall be public, and notice of any meeting shall be published in the Senate File for four calendar days prior to the meeting.

(s) If the committee finds that probable cause exists for believing that the respondent committed a violation of the standards of conduct, the transcript of any testimony given, or any documents admitted into evidence, at a public hearing and any report prepared by the committee subsequent to that finding that states a final finding or recommendation shall be open to public inspection.

(t) Upon request of the respondent, the committee may permit the respondent to inspect, copy, or photograph books, papers, documents, photographs, or other tangible objects that relate to the allegations in the complaint. If the committee finds that probable cause exists for believing that the respondent committed a violation of the standards of conduct, the committee shall permit the respondent to inspect, copy, or photograph books, papers, documents, photographs, or other tangible objects that relate to the statement of alleged violations.

(u) (1) A Senator or officer or employee of the Senate shall not directly or indirectly use or attempt to use that person's official authority or influence to intimidate, threaten, coerce, command, or attempt to intimidate, threaten, coerce, or command any other person for the purpose of interfering with the right of the other person to file a complaint with the committee, testify before, or in any way cooperate with, the committee or any panel.

(2) For the purpose of paragraph (1), "use of official authority or influence" includes promising to confer, or conferring, any benefit; effecting, or threatening to effect, any reprisal; or taking, or directing others to take, or recommending, processing, or approving, any personnel action, including, but not limited to, appointment, promotion, transfer, assignment, performance evaluation, suspension, or other disciplinary action.

(3) Nothing in this subdivision shall be construed to authorize any person to disclose information, the disclosure of which is otherwise prohibited by law.

(v) The committee may adopt rules governing its proceedings not inconsistent with this rule. The provisions of Joint Rule 36 relating to investigating committees apply to the committee to the extent those provisions are consistent with this rule.

(w) The powers and procedures set forth in subdivisions (b) to (v), inclusive, confer independent authority and shall not be limited or altered by Joint Rule 45.

(x) Where confidentiality is required pursuant to this rule, confidentiality shall be maintained only to the extent that disclosure of the confidential information is not otherwise required by law.

General Research Committee

12.5. The General Research Committee is hereby created pursuant to Section 11 of Article IV of the California Constitution, which relates to legislative committees. The committee consists of the 40 Senators, and the President pro Tempore is its chair. The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The General Research Committee may act through subcommittees appointed by the Committee on Rules. Each member of the General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups and to report thereon to the full committee.

The committee and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Senate Rules and the Joint Rules of the Senate and Assembly. However, neither the committee nor its members may issue a subpoena without the prior approval of the Committee on Rules. The committee has the following additional powers and duties:

(a) To contract with other agencies, public or private, for the rendition and affording of services, facilities, studies, and reports to the committee as the committee deems necessary to assist it to carry out the purposes for which it is created.

(b) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope established by this rule, and to direct the sheriff of any county to serve subpoenas, orders, and other process issued by the committee.

(c) To meet and act at any place within the State of California and, when authorized in writing by the Committee on Rules to do so, to meet and act outside the state to carry out its duties.

(d) To report its findings and recommendations to the Legislature and the people from time to time.

(e) To act during sessions of the Legislature, including any recess.

(f) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

The Committee on Rules may allocate, from time to time, to the General Research Committee from the Senate Operating Fund those sums that are necessary to permit the General Research Committee and the members thereof to carry out the duties imposed on them. In addition, the Committee on Rules may allocate to any subcommittee from the Senate Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee.

12.6. A select committee is a subcommittee of the General Research Committee. Staff providing services to a select committee are Senate employees assigned by the Committee on Rules to the General Research Committee.

(a) A Senator who proposes to establish a select committee shall submit to the Committee on Rules a written request that includes all of the following:

(1) A description of the topic to be addressed by the select committee and a general work plan and timetable, including hearings, anticipated work product, and staffing needs and other anticipated resource demands.

(2) A statement by the Senator proposing the select committee that the Senator has discussed the Senator's plans with the chair of the standing committee having jurisdiction over the subject matter of the proposed select committee. The statement shall describe any objections that chair has to the establishment of the proposed select committee.

(b) A select committee may be established only by a resolution adopted by the Committee on Rules that specifies the jurisdiction of the select committee. In making this decision, the Committee on Rules shall consider any objections to that action raised by the chair of a standing committee having jurisdiction over the subject matter of the proposed select committee.

(c) The Committee on Rules shall appoint the members of a select committee. A select committee may act only with regard to the particular study or investigation assigned to it by the Committee on Rules.

(d) A select committee is terminated automatically upon the adjournment of the regular session in which it is established, or at an earlier time specified in the resolution. In deciding whether to reestablish a select committee established in a previous regular session, the Committee on Rules shall consider the extent to which the select committee successfully achieved its assigned objectives.

Additional Committee on Rules Powers

12.7. In addition to other rights, duties, and powers vested in the Committee on Rules, the committee and the members thereof shall have and exercise all of the rights, duties, and powers of the General Research Committee and the members thereof, as provided in Rule 12.5, with authority to act on any subject allocated by Rule 12.5 to the General Research Committee.

Committee on Rules

13. (a) The Committee on Rules is charged with the general responsibility for the administrative functioning of the Senate. The committee has general charge of the books, documents, and other papers and property of the Senate and shall see that the same are properly kept, cared for, filed, or otherwise disposed of in accordance with applicable law and rules. The committee also has the duties of making studies and recommendations designed to promote, improve, and expedite the business and procedure of the Senate and its committees, including investigating committees consisting wholly or in part of Members of the Senate, and of proposing any amendments to the rules deemed necessary to accomplish those purposes.

(b) The Committee on Rules shall continue in existence during any recess of the Legislature until the convening of the next regular session, and shall have the same powers and duties as while the Senate is in session. The committee has the authority to fill vacancies in any Senate committee or in the Senate membership of any joint committee.

(c) The committee and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to the Committee on Rules and its members.

(d) The committee may make available to any Senate or joint committee, or any Member of the Senate, assistance in connection with the duties of the committee or other legislative matters as the personnel resources under the direction of the committee or its other facilities permit.

(e) (1) All employees on the payroll of the Senate are employees of the Senate and not of individual members, and they are under the direct control of the Committee on Rules. The Committee on Rules has general supervision over all employees of the Senate and the powers and duties to suspend, discipline, or

discharge any employees when necessary. Any insubordination or inefficiency on the part of any employee shall be reported to the Committee on Rules.

(2) A Senator or officer or employee of the Senate shall not retaliate against an employee of the Senate for reporting information to the Senate Committee on Rules, the Senate Committee on Legislative Ethics, or any government or law enforcement agency regarding a possible violation of the Senate Standards of Conduct or any state or federal law or regulation, or because the Senator, officer, or employee believes that the employee reported or may report such information, if the employee who reported the information reasonably believed that the information disclosed a violation of the Senate Standards of Conduct or any state or federal law or regulation.

(f) The committee shall make available and furnish to the Members of the Senate, and the Senate committees, personnel resources as may be reasonably necessary for the Members and the committees to carry out their duties.

(g) The Committee on Rules constitutes the Committee on Introduction of Bills and has charge of the engrossment and enrollment of bills, the contingent expenses of the Senate, and legislative printing, except insofar as these functions are delegated to the Secretary of the Senate.

(h) The rooms, passages, and buildings set apart for the use of the Senate are under the direction of the Committee on Rules, and the committee may assign the press desks in the Senate Chamber to accredited newspaper representatives.

(i) Executive communication of nominations sent by the Governor, or any other entity with the authority to make appointments, to the Senate for confirmation shall be referred to the Committee on Rules, unless otherwise ordered by the Senate, without debate.

(j) The Committee on Rules shall, at each regular session, appoint a Member of the Senate to serve on the Judicial Council and has the authority during any

joint recess to fill any vacancy in that position that occurs during the recess.

(k) When a report of a joint legislative committee is delivered to the Senate Desk, the Committee on Rules shall refer it to a standing committee for review and appropriate action.

Expenses of Senate Committees

13.1. All claims for expenses incurred by investigating committees of the Senate, the Secretary of the Senate, and the Sergeant at Arms shall be approved by the Committee on Rules or its authorized representative before the claims are presented to the Controller.

All proposed expenditures, including furniture, equipment, and other property, but not including stationery supplies, shall be approved by the Committee on Rules or its authorized representatives before the expenses are incurred, unless the expenditure is specifically exempted from the provisions of this rule by the resolution authorizing it.

A warrant may not be drawn in payment of any claim for expenses until the approval of the Committee on Rules, or its authorized representative, has been obtained in accordance with this rule.

The Committee on Rules may adopt rules and regulations limiting the amount, time, and place of expenses and allowances to be paid to employees of Senate investigating committees and regulating the terms and conditions of employment of their employees. Copies of all rules and regulations adopted pursuant to this rule shall be distributed to the chair of every investigating committee.

Alteration, Repair, Improvement to Senate

13.2. The Committee on Rules is authorized and directed to incur and pay expenses of the Senate not otherwise provided for as the committee determines are reasonably necessary, including the repair, alteration, improvement, and equipping of the Senate Chamber and the offices provided for the Senate in the State Capitol.

In order to avoid unanticipated reversions of appropriations for contingent expenses, the Committee on Rules may designate the appropriation from which payment shall be made pursuant to allocations to committees or for other purposes. If insufficient money is available in any appropriation to pay all claims pursuant to allocations charged against it, the committee shall designate another appropriation from which the allocations shall be paid.

Rooms and Property of Senate

13.3. The Committee on Rules is responsible for the safekeeping of Senate property. The Director of General Services is directed to maintain the Senate Chamber and all the committee rooms and other rooms used by the Senators and officers of the Senate in a condition that they will be available for the use of the Senate at any time. It is further directed that no persons other than the Members, officers, and employees of the Senate may occupy or use the offices, committee rooms, or other rooms now occupied by the Senate without permission as hereinafter provided, that the desks, furniture, and other equipment of the Senate shall be at the disposal of the Committee on Rules, and that no person except Members of the Senate may occupy any of the Senate's offices or make use of Senate equipment without permission of the committee or its authorized representative.

Inventory of Senate Property

13.4. The Committee on Rules is authorized and directed, through its authorized representative, to make and maintain a complete inventory of all property of the Senate, including all property in the possession or control of any Senate committee. The Committee on Rules has custody and control of all property of the Senate and shall adopt rules or orders as it may determine are necessary relating to the purchase, care, custody, and use or disposal thereof.

Status of Standing Rules for Regular Session

13.5. The adoption of the Standing Rules for any special session are not to be construed as modifying or rescinding the Standing Rules of the Senate for a regular session.

Operating Expense Fund

13.6. The Committee on Rules is the committee identified in Section 9126 of the Government Code. The balance of all money in the Senate Operating Fund, including money now or hereafter appropriated by the Legislature, except sums that are made available specifically for purposes other than the expenses of designated committees, is hereby made available to the Committee on Rules for any charges or claims it may incur in carrying out the duties imposed upon it by these rules or by Senate or concurrent resolution.

Rules Committee Appointees

13.8. The Committee on Rules shall review its nonlegislator appointees every two years. That review shall be completed not later than the 120th calendar day of the regular session in which the review is undertaken.

Schedule of Committee Meetings

14. The Committee on Rules shall propose to the Senate such schedules for regular meetings of the standing committees as will permit all members of each committee to attend without a conflict of committee engagements.

The committee may also propose such special committee meetings or special schedules of committee meetings as will facilitate the business of the Senate. Those schedules may provide a special schedule of committee meetings upon certain days of the week or to meet any special condition that may arise.

Powers of Standing Committees

16. Each standing committee of the Senate to which a proposed law or bill is assigned has full power and authority during the session of the Legislature, or any recess thereof, to make an investigation and study concerning any proposed law or bill as the committee shall determine necessary to enable it to properly act thereon.

In the exercise of the power granted by this rule, each committee may appoint a secretary and employ clerical, legal, and technical assistants as may appear necessary when money has been made available therefor by the Senate.

Each standing committee is authorized and empowered to summon and subpoena witnesses, to require the production of papers, books, accounts, reports, documents, records, and papers of every kind and description, to issue subpoenas, and to take all necessary means to compel the attendance of witnesses and to procure testimony, oral and documentary. However, no committee may issue a subpoena, nor may a committee require testimony under oath, without the prior approval of the Committee on Rules.

The Sergeant at Arms, or other person designated by the Sergeant at Arms or by the committee, shall serve any and all subpoenas, orders, and other process that may be issued by the committee, when directed to do so upon a vote of the majority of the membership of the committee.

Each of the members of the standing committees is authorized and empowered to administer oaths, and all of the provisions of Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code, relating to the attendance and examination of witnesses before the Legislature and the committees thereof, apply to the committees.

All officers of this state, including the head of each department, agency, and subdivision thereof, all employees of the departments, agencies, and subdivisions of the state, the Legislative Counsel, and all other persons, whether connected with the state government

or not, shall give and furnish to these committees upon request such information, records, and documents as the committees deem necessary or proper for the achievement of the purposes for which each standing committee was created.

Each standing committee may meet at the State Capitol and do any and all things necessary or convenient to enable it to exercise the powers and perform the duties herein granted to it, and may expend such money as may be made available by the Senate for that purpose, except that no committee may incur any indebtedness unless money has been first made available therefor.

Funerals

17.5. The Chair or Vice Chair of the Committee on Rules may designate any one or more of the Members of the Senate as a Senate committee to attend funerals in appropriate circumstances. The Members so designated may receive expenses as provided in Joint Rule 35.

The Chair or Vice Chair of the Committee on Rules, or any Member of the Senate designated by either of these officers, may incur such expense as may be necessary for the purchase on behalf of the Senate of suitable floral pieces for the funeral.

All expenses incurred pursuant to this rule shall be paid out of the money allocated from the Senate Operating Fund to the Committee on Rules and disbursed, after certification by the Chair or Vice Chair of the committee or by the committee's disbursing officer appointed and designated therefor by the committee, upon warrants drawn by the Controller upon the Treasury.

Expenditures

18. A member of a committee may not incur any expense chargeable to the Senate unless authorized by resolution of the Senate.

The Committee on Rules shall provide, by rules and regulations, for the manner of authorizing expenditures

by Members, committees, and officers and employees of the Senate that are not otherwise authorized by law, these rules, or the Joint Rules of the Senate and Assembly, and for the payment of the expenditures from the Senate Operating Fund upon certification of claims therefor to the Controller by the Committee on Rules or its authorized representative.

Printing of Reports

18.5. All requests for the printing of reports of Senate committees shall be made to the Committee on Rules.

The Committee on Rules shall determine if the report is to be printed, the number of copies needed, and whether or not the report shall be printed in the Journal.

If the report is to be printed by the Office of State Publishing, it shall hold the type for each Senate committee report for a period of 90 days from the date of the first printing or for such other time as the Committee on Rules deems necessary.

PROCEDURES AND RULES

Resolutions and Constitutional Amendments

19. Joint, concurrent, and Senate resolutions, and constitutional amendments shall be treated the same as bills under these rules, except that they shall have only one official reading, which reading shall occur after they have been reported by committee.

Parliamentary Rules

20. In all cases not provided for by the Constitution, these rules, the Joint Rules of the Senate and Assembly, or statute, the authority shall be the latest edition of Mason's Manual or the custom and usage of the Senate.

Suspension of Rules or Amending of Rules

21. A standing rule of the Senate may not be adopted, amended, or repealed except upon an affirma-

tive vote of a majority of the membership of the Senate, one day's notice being given, except that any rule not requiring more than a majority vote may be temporarily suspended without that notice by a vote of a majority of the membership of the Senate. A rule requiring a two-thirds vote on any question may be amended only by a two-thirds vote on one day's notice, except that a rule requiring a two-thirds vote may be temporarily suspended without that notice by a two-thirds vote.

All proposed amendments to these rules shall, upon presentation, be referred to the Committee on Rules without debate.

Suspension of the Joint Rules

21.1. Pursuant to Joint Rule 33, a joint rule may not be suspended by the Senate except with the concurrence of 27 Members unless a lower vote is prescribed by these rules or the Joint Rules of the Senate and the Assembly.

Permission of Committee on Rules

21.2. Notwithstanding Rule 21 or 21.1, a Senate or Joint Rule may not be suspended unless the Committee on Rules determines that an extraordinary circumstance exists that justifies the suspension.

Rules Governing Standing Committees

21.5. Except as otherwise provided in these rules, standing committees of the Senate shall be governed as follows:

(a) The officers of each Senate committee shall be a chair, vice chair, and secretary.

(b) The chair shall preside at meetings when present except when the committee is considering a bill of which the chair is the sole author or the lead author. Whenever the chair is not presiding, the vice chair shall assume the duties of the chair. In the absence of both, a member designated by the chair shall preside.

(c) The secretary shall keep a complete record of the meetings and actions taken by the committee. Bills

and other measures favorably acted upon shall be reported to the Senate as expeditiously as the reports can be prepared.

(d) The committee shall meet in regular session on the day and hour designated by the Committee on Rules. Adjourned meetings or special meetings shall be held at the time fixed in the adjourning motion, or, for a special meeting, on the call of the chair.

(e) A special meeting may be called by the chair, with the approval of the Committee on Rules, by giving reasonable notice to all members of the committee, either in writing or by telephone, specifying the purpose of the meeting, the time and place thereof, and the matters to be considered at the meeting. Notice of hearing of bills as required by subdivision (a) of Joint Rule 62 may also be given in the Daily File. A matter may not be considered at the special meeting unless specified in the notice.

A special meeting shall be scheduled so as to permit all members of the committee to attend without conflict with other scheduled committee meetings.

(f) A majority of the membership of the committee shall constitute a quorum. A vote of a majority of the membership of the committee shall be required to table a bill, remove it from the table, or reconsider a vote on a bill.

(g) Action may not be taken on any measure outside of a duly constituted committee meeting.

(h) The chair shall set the hearings of bills and arrange the calendar for committee hearings. Notice of hearing of any bill shall be given to the author and other persons requiring notice. A bill may not be considered in the absence of the author without the author's consent, except that a bill may be presented by the author's representative who is authorized in writing.

(i) A committee or a subcommittee thereof, by a majority vote of the membership of the committee, may meet in executive session for any purpose authorized by Section 9029 of the Government Code. Otherwise, all meetings shall be open and public.

(j) The chair shall direct the order of presentation of the arguments for and against matters for consideration by the committee, and shall permit questions to be asked by members of the committee in an orderly fashion and in keeping with proper decorum.

(k) Further consideration of a bill that has been voted out of a committee or defeated shall be by reconsideration only, as follows:

(1) A motion to reconsider a vote by which a bill is voted out shall be in order, and shall be voted upon at the same meeting. If the motion is carried by a vote of a majority of the membership of the committee, the bill may be considered at that meeting, provided the author is present, or at a subsequent meeting.

(2) The procedure for reconsideration of a bill that has been defeated shall conform to the requirements of subdivision (a) of Joint Rule 62. Any bill as to which reconsideration has been granted pursuant to this paragraph may not be heard again until a subsequent meeting of the committee, after being calendared in the Daily File.

(l) Any bill that has been laid on the table and is removed from the table at a later meeting may not be heard again until a subsequent meeting of the committee, after being calendared in the Daily File and after notice.

(m) When a committee adopts proposed amendments to a bill, the bill may be taken up for vote at that meeting or, if the committee or author requests, sent out to print before final action. If the amendments are not in proper form, they shall be prepared and submitted to the chair for approval before being reported to the Desk. Amendments submitted by the author that, in the opinion of the committee chair, are major or substantial shall be submitted to the committee at least two legislative days before the bill is scheduled for hearing.

(n) A bill may not be set for hearing, nor may any notice thereof be published, by a Senate committee until the bill has been referred to the committee by the Committee on Rules.

(o) The chair may appoint, with the permission of the Committee on Rules, subcommittees of one or more members to consider and recommend to the full committee action on matters as may be assigned to the subcommittee for consideration from time to time by the chair. The chair may assign and reassign members of, and matters to, the various subcommittees. The recommendation of a subcommittee may be accepted by a vote of a majority of the members of the committee.

(p) In all cases not provided for by this rule, the Senate Rules, the Joint Rules of the Senate and Assembly, or statute, the authority shall be the latest edition of Mason's Manual.

Additional Rules

21.6. Committees may adopt additional rules that are not in conflict with Rule 21.5 or any other rule.

Reporting Measures Out of Committee

21.7. The vote of a majority of the membership of a standing committee shall be required to report a bill, constitutional amendment, concurrent resolution, or joint resolution out of committee.

A vote of a majority of all members of a standing committee who are present and voting shall be required to report a Senate resolution out of committee.

Press Participation

21.8. Accredited press representatives may not be excluded from any public legislative meeting or hearing, and may not be prohibited from taking photographs of, televising, or recording the committee or house hearings, subject to the following conditions:

(1) This rule extends to all public legislative meetings.

(2) Lights may be used only when cameras are filming and, when possible, proceedings in hearing rooms and the chamber shall be filmed without lights.

(3) Every effort should be made to set up filming equipment before hearings or sessions begin.

(4) The committee chair or the Committee on Rules shall be notified, as far in advance of the proceedings as possible, that recordings and television cameras will be present and filming.

(5) To the extent practical, flash cameras shall not be used.

(6) Photographs shall be taken in an orderly and expeditious manner so as to cause the least possible inconvenience to the committee or to the Members in the chamber.

However, the chair of a committee may request any person to relocate or remove any object, or discontinue the use of any equipment, that is situated or used in a manner so as to disrupt the proceedings or to create a potential danger to, or substantially obstruct the view of, members of the committee or the public.

In case any person fails to respond to a request of the chair to relocate, remove, or discontinue the use of the objects or equipment, the committee may, by majority vote, require it.

INTRODUCTION AND REFERENCE OF MEASURES

Introduction, First Reading, and Reference of Measures

22. Any Senator desiring to introduce a bill, constitutional amendment, concurrent resolution, joint resolution, or Senate resolution shall send it to the Senate Desk.

When received at the Secretary's desk, a bill shall, under the proper order of business, be numbered, read, printed, and referred by the Committee on Rules to a standing committee. The Committee on Rules shall check all Assembly measures before reference to committee and shall designate the committee to which they shall be referred.

All joint resolutions, concurrent resolutions, and Senate resolutions shall be automatically referred to the Committee on Rules upon introduction, and may be rereferred to any other standing committee upon the

vote of a majority of the membership of the Committee on Rules.

Unless otherwise ordered by the Senate without debate, the assignment of the measure shall then be complete and, after printing, the Secretary shall deliver the measure to the committee designated by the Committee on Rules.

Under the order of Messages from the Assembly, the Secretary shall read each Assembly bill the first time and shall read the name of the committee to which the bill has been assigned by the Committee on Rules. Unless otherwise ordered by the Senate without debate the assignment of the bill shall then be complete, and the Secretary shall deliver the bill to the committee so designated.

Bill Introduction Limitation

22.5. (a) A Member of the Senate may introduce or subsequently author not more than 40 bills in the regular session.

(b) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

(c) This rule does not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee.

Short Title

22.6. A bill may not add a short title that names a current or former Member of the Legislature.

Bills Assigning, Requesting, or Requiring Studies

22.7. A bill that assigns, requests, or requires a study, or is amended to assign, request, or require a study, shall be rereferred to the Committee on Rules.

Introduction of Bills by a Committee

23. (a) A standing committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member.

A committee bill shall contain the signatures of all of the members of the committee.

(b) A committee may amend into a bill related provisions germane to the subject and embraced within the title and, with the consent of the author, may constitute that bill a committee bill.

Bill Introduction Deadline

23.5. The Senate Desk shall remain open for the introduction of bills from 9:00 a.m. to 5:00 p.m. on the days designated in subdivision (a) of Joint Rule 54 as the deadlines for the introduction of bills in the first and second years of the regular session.

Introduction of Bills and Resolutions at Special Sessions

24. Whenever, at any special session, a bill or resolution is received at the Desk, under the order of Introduction of Bills, it shall be referred to the Committee on Rules, which shall decide whether or not the bill or resolution can properly be considered at the session. If, in the judgment of the Committee on Rules, the bill or resolution can be considered, the committee shall report the bill or resolution back and designate the committee to which it shall be assigned. Thereafter the bill or resolution shall be assigned a number by the Secretary, read the first time, and referred to the committee recommended by the Committee on Rules unless otherwise referred on motion without debate.

Resolutions

24.5. A Senate concurrent resolution or Senate resolution may be introduced relating to a present or former state or federal elected official or a member of the official's immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as Rules Committee resolutions and presented to the Committee on Rules for appropriate action.

The Committee on Rules may approve exceptions to this rule for Senate resolutions. The Secretary may not accept for introduction any Senate resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

Senate Resolutions

25. All Senate resolutions eligible to be introduced under the rules, upon being presented, shall be given a number by the Secretary. A Senate resolution shall be printed, and indexed in the History and Journal.

Bills Authored by a Former Member

26. Whenever a bill in the Senate is authored by an individual who is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Senate Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, action may not be taken by a committee or the Senate with respect to a bill authored by a former Member.

BILLS IN COMMITTEE

Author's Amendments

27. Upon request of the author of a bill, the chair of the committee to which the bill has been referred may, by the chair's individual action taken independently of any committee meeting, cause the bill to be reported to the Senate with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and rereferred to the committee.

Withdrawing a Bill From Committee

28. A bill or resolution may not be withdrawn from committee except upon written notice being first given to the Committee on Rules and by 21 votes of the Senate.

Consent Calendar

28.3. (a) If a Senate bill or Assembly bill is amended in the Senate to create a new bill or to rewrite the bill, a standing committee may not place the bill on its consent calendar, and may not report the bill out of committee with the recommendation that it be placed on the consent calendar on the floor.

(b) For purposes of this rule, an amendment creates a new bill or rewrites the bill if the amendment (1) changes the subject of the bill to a new or different subject, or (2) adds a new subject to the bill that is different from, and not related to, the contents of the bill.

Referral of Bills

28.4. (a) If a Senate bill or Assembly bill is amended in the Committee on Appropriations to create a new bill or to rewrite the bill and the chair of the committee determines pursuant to Senate Rule 28.8 that (1) any additional state costs are not significant and do not and will not require the appropriation of additional state funds, and (2) the bill will cause no significant reduction in revenues, the bill shall be reported to the Senate with the recommendation that it be placed on second reading, except that the bill first shall be referred to the Committee on Rules. Upon receipt of the bill, the Committee on Rules shall either refer the bill to an appropriate policy committee or order that the bill be placed on second reading.

(b) For purposes of this rule, an amendment creates a new bill or rewrites the bill if the amendment (1) changes the subject of the bill to a new or different subject, or (2) adds a new subject to the bill that is different from, and not related to, the contents of the bill.

Measures to be Authored

28.5. Each bill, constitutional amendment, or resolution shall be authored by a Member or committee of the Legislature before it is considered or voted on by a committee or the Senate. Each amendment to

a bill, constitutional amendment, or resolution shall be signed by a Member or committee of the Legislature prior to adoption by the Senate. A bill may be authored only by a Member or committee of the house of origin. A Member other than a Member of the house of origin may be a “principal coauthor” or “coauthor.”

Vote in Committee

28.7. Voting on the disposition of bills, constitutional amendments, concurrent resolutions, and joint resolutions by committees shall be by rollcall vote only. A rollcall vote shall be taken on a motion to amend only if requested by any member of the committee or the author of the measure. All rollcall votes taken in committees shall be promptly transmitted by their respective chairs to the Secretary of the Senate, who shall cause a record of the rollcall votes to be printed in the Journal.

This rule does not apply to:

(a) Procedural motions that do not have the effect of disposing of a bill.

(b) Withdrawal of a bill from a committee calendar at the request of an author.

(c) A committee’s return of a bill to the Senate, if the bill has not been voted on by the committee.

(d) The assignment of bills to committee.

On a legislative day when the President pro Tempore or Minority Floor Leader is in attendance, the President pro Tempore or Minority Floor Leader, in the absence of any objection, may instruct the committee secretary of a committee of which the President pro Tempore or Minority Floor Leader is a member to add the President pro Tempore’s or Minority Floor Leader’s vote to any previously announced vote that was taken while the President pro Tempore or Minority Floor Leader was performing the responsibilities of the office of President pro Tempore or Minority Floor Leader, provided the outcome of the vote is not thereby changed. This provision does not apply to any rollcall after adjournment of the legislative day during which the rollcall in question was taken. The intent of

this paragraph is to allow the President pro Tempore and the Minority Floor Leader to carry out the unique and special duties of their offices without losing the opportunity to vote on matters before the committees of which they are members.

Appropriations Committee

28.8. Any bill referred to the Committee on Appropriations pursuant to Joint Rule 10.5 that does not appropriate money may not be set for hearing and shall, along with any nonsubstantive amendments, promptly be reported to the Senate with the recommendation it be placed on second reading if the chair of the committee determines that (a) any additional state costs are not significant and do not and will not require the appropriation of additional state funds, and (b) the bill will cause no significant reduction in revenues.

State-Mandated Local Program Bills

28.9. (a) Any bill having a digest that, pursuant to Section 17575 of the Government Code, indicates that the bill imposes a state-mandated local program on local agencies or school districts shall be rereferred to the Committee on Appropriations. The bill may not be rereferred to the Committee on Governance and Finance.

(b) Any bill rereferred to the Committee on Appropriations pursuant to this rule that does not appropriate money and does not contain a complete disclaimer of all of the provisions of Section 905.2 of, and Part 7 (commencing with Section 17500) of Division 4 of Title 2 of, the Government Code, need not be set for hearing and may, along with any nonsubstantive amendments, be reported to the Senate with the recommendation that it be placed on second reading if the chair of the committee determines, after consideration of the analyses of local costs prepared by the Legislative Analyst and the Department of Finance, that (1) any additional local costs are not significant and (2) the bill will cause no significant reduction in local revenues.

For the purposes of this rule, “complete disclaimer” means a provision in a bill that prohibits local agencies and school districts from filing claims with the Commission on State Mandates for reimbursement for the costs of unfunded mandated programs or services.

(c) Whenever the Assembly amends and passes a Senate bill and the Senate must concur in the amendments, upon the request of any Senator the bill shall be rereferred to the Committee on Appropriations if, based upon the Legislative Counsel’s Digest of the Assembly amendments or an analysis prepared pursuant to Rule 29.8, the bill (1) imposes state-mandated local costs without providing adequate reimbursement, or (2) contains a complete disclaimer. The Committee on Appropriations shall make a recommendation to the Senate regarding whether the Senate should concur in the Assembly amendments.

(d) Any bill referred to the Committee on Appropriations solely pursuant to this rule, and that otherwise would not be rereferred to the committee pursuant to Joint Rule 10.5, is not subject to subparagraph (a)(2), (a)(5), (a)(6), (a)(10), (a)(12), (b)(1), (b)(2), (b)(5), (b)(8), (b)(9), (b)(13), or (b)(15) of Joint Rule 61.

Display Bills

28.10. A display bill shall not be heard or acted on in any committee, or voted on by the Senate. For purposes of this rule, “display bill” means a bill that sets forth substantive changes in or additions to existing law but states in the text of the bill that its provisions are set forth for display purposes only, or words of like effect.

CONSIDERATION OF BILLS

Order of Making Files

29. When bills are reported from committee they shall be placed upon the Daily File, to be kept by the Secretary as follows: All bills when reported to the Senate by the committee shall be placed at the foot of the Second Reading Senate or Assembly File, in the

order in which the reports are made and, after the second reading, shall be placed at the foot of the Senate or Assembly Third Reading File, in the order of reading. Unless otherwise ordered by the Senate, the File shall be taken up in the following order: Senate Second Reading File, Assembly Second Reading File, Special Orders, Unfinished Business, Senate Third Reading File, and Assembly Third Reading File. The bills upon the third reading shall be considered in the order in which they appear upon the File, unless otherwise ordered by the Senate.

A Senate bill returned from the Assembly for concurrence in Assembly amendments may not be considered until it appears under Unfinished Business on the Daily File pursuant to Joint Rule 26.5 and an analysis is provided to each Senator pursuant to Senate Rule 29.8.

An inactive file shall be kept, to which bills and resolutions may be transferred at the request of the author, or on motion. Bills shall be so transferred when they have been passed on third reading file without action three successive times. Bills and resolutions may be transferred from the inactive file to the second reading file on motion and, after being read the second time, the bills shall take their place regularly on third reading file and be available for consideration and passage.

Bills, resolutions, and other questions may be transferred from the unfinished business file to the inactive file upon request or motion and may be returned to the unfinished business file by request or on motion.

Placement of any question on the inactive file shall not prejudice the question.

Strike From File

29.2. A motion to strike any bill, resolution, or other question from the File shall require 21 votes. That bill, resolution, or other question may not be acted upon again during the session.

Measures Amended From the Floor

29.3. (a) The consideration of a bill, constitutional amendment, concurrent resolution, joint resolution, or Senate resolution that has been amended by amendments offered from the floor, except committee amendments reported with measures or amendments offered with a motion to amend and rerefer to committee, is not in order until the amended measure has been in print for not less than one legislative day. Any measure so amended shall be placed on the second reading file.

(b) A bill, constitutional amendment, concurrent resolution, joint resolution, or Senate resolution shall not be recommended for amendment by any committee after the last day specified in the Joint Rules for the 2019–20 Regular Session to amend bills on the floor, as specified in paragraph (14) of subdivision (a) of Joint Rule 61 for odd-numbered years, and in paragraph (17) of subdivision (b) of Joint Rule 61 for even-numbered years.

Bills Approving Memoranda of Understanding

29.4. The Senate may not pass a bill that approves a memorandum of understanding, for purposes of Section 3517.5 and following of the Government Code, until the final version of the subject memorandum of understanding is received by the Secretary of the Senate and made available for review for seven legislative days and its availability for review noted in the Senate Daily Journal for that period.

Amended Forms of Measures

29.5. No bill, constitutional amendment, concurrent resolution, joint resolution, or Senate resolution may be considered for passage unless and until a copy of the measure as last amended is on the desk of each Member in printed or electronic form.

Conference Reports

29.6. (a) No conference committee on any bill, other than the Budget Bill and the budget implementation bills, may approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Senate during the current legislative session.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term “heard” means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session, or that an amendment, which was drafted and given a request number or approved as to form by Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Conference Committee Meetings

29.7. Before the adoption of a conference report by the Senate, any Senator may raise a point of order and put the following question to the chair of the Committee on Conference from the Senate: “Did the Committee on Conference meet at a public meeting attended by at least two of the Assembly Members and two of the Senate Members of the Committee on Conference and adopt the conference report by an affirmative rollcall vote of not less than two of the Assembly Members and two of the Senate Members constituting the Committee on Conference?” If the chair answers this question in the negative, the conference report shall be returned to the Committee on Conference and may not be further considered by the Senate until the committee has met at a public meeting attended by at least two of the Assembly Members and two of the Senate Members of the committee, and has adopted the conference report by an affirmative rollcall vote of not less than two of the Assembly Members and two of the Senate Members constituting the committee.

Analysis of Measures, Conference Reports, and Floor Amendments

29.8. (a) With the exception of the Budget Bill and budget implementation bills, no bill, constitutional amendment, concurrent resolution, joint resolution, Senate resolution, unfinished business item, or report of a conference committee may be considered unless and until an analysis thereof has been prepared by the Office of Senate Floor Analyses and placed upon the desks of the Senators, unless otherwise ordered by the President pro Tempore.

(b) An amendment from the floor is not in order unless and until the amendment has been reviewed by the Office of Senate Floor Analyses. Upon a request by the Chair or Vice Chair of the Committee on Rules, or by the lead author of the measure to which a substantive amendment is proposed from the floor, an analysis thereof shall be prepared by the Office of Senate Floor Analyses and placed upon the desks of the Senators.

Consideration of Conference Reports

29.9. No conference report may be adopted by the Senate until it has been in print for two days prior to being taken up by the Senate.

Referral of Bills

29.10. (a) If the analysis, prepared in accordance with subdivision (b) of Rule 29.8, of proposed floor amendments to a bill, other than the Budget Bill, discloses that the amendments create a new bill or rewrite the current form of the bill, upon adoption of the amendments the bill shall be reprinted and referred to the Committee on Rules.

(b) When amendments adopted pursuant to subdivision (a) rewrite the bill, as specified in subdivision (e), the Committee on Rules shall either refer the bill to a standing committee or hold the bill. If the bill is referred to a standing committee, the standing committee shall meet and act upon the bill no later than the next sched-

uled hearing of the committee. If the bill is referred to a standing committee during a time when standing committees are not meeting, the standing committee shall meet and act upon the bill as directed by the Committee on Rules and, in any event, within two legislative days of receipt of the bill. Upon receipt of the bill, the committee by a vote of a majority of the membership may do any of the following: (1) hold the bill, (2) return the bill to the Senate floor for consideration, or (3) rerefer the bill to fiscal committee pursuant to Joint Rule 10.5.

If the bill is referred to a standing committee during the time when no committee may meet, the Committee on Rules shall grant permission to suspend the joint rule to allow the committee to meet as directed by the Committee on Rules.

If the bill is referred to the Committee on Rules on the last legislative day preceding a joint recess, the Committee on Rules and, if the bill is referred to a standing committee, the standing committee, shall meet and act upon the bill before adjourning for the recess. If the bill is referred to the Committee on Rules on any of the three legislative days preceding February 1 or September 1 of an even-numbered year, the Committee on Rules and, if the bill is referred to a standing committee, the standing committee, shall meet and act upon the bill on the same legislative day.

(c) When amendments adopted pursuant to subdivision (a) create a new bill, as specified in subdivision (f), the bill shall be referred to the Committee on Rules. The Committee on Rules, by a vote of a majority of its membership may either (1) hold the bill, or (2) refer the bill to the appropriate standing committee subject to all of the time and other limitations provided in these rules and the Joint Rules for the hearing and passage of bills.

(d) If the analysis, prepared in accordance with subdivision (a) of Rule 29.8, of a bill, other than the Budget Bill, that is returned to the Senate for a vote on concurrence discloses that the Assembly amendments create a new bill or rewrite the bill as passed by

the Senate, the bill shall be referred to the Committee on Rules. The Committee on Rules by a vote of a majority of its membership may either (1) refer the bill to an appropriate standing committee, (2) recommend that the bill be taken up for consideration of the Assembly amendments, or (3) hold the bill.

If the bill is referred to a standing committee, the committee shall meet and act upon the bill no later than the next scheduled hearing of the committee. If the bill is referred to a standing committee during a time when standing committees are not meeting, the standing committee shall meet and act upon the bill as directed by the Committee on Rules and, in any event, within two legislative days of receipt of the bill. Upon receipt of the bill, the standing committee by a majority vote of the membership may either (1) hold the bill, or (2) return the bill to the Senate floor for consideration of the bill as amended in the Assembly.

If the bill is referred to a standing committee during the time when no committee may meet, the Committee on Rules shall grant permission to suspend the joint rule to allow the committee to meet as directed by the Committee on Rules.

If the bill is referred to the Committee on Rules on the last legislative day preceding a joint recess, the Committee on Rules and, if the bill is referred to a standing committee, the standing committee, shall meet and act upon the bill before adjourning for the recess. If the bill is referred to the Committee on Rules on any of the three legislative days preceding February 1 or September 1 of an even-numbered year, the Committee on Rules and, if the bill is referred to a standing committee, the standing committee, shall meet and act upon the bill on the same legislative day.

(e) An amendment rewrites a bill if the amendment (1) is germane to the previous version of the bill but adds a new subject to the bill that is different from, but related to, the contents of the bill, or (2) is not described in subdivision (f) and makes a change of fiscal or policy significance that may be appropriate for review by a standing committee.

(f) An amendment creates a new bill if the amendment changes the subject of the bill to a new or different subject.

Special Order

30. Any measure or subject may, by vote of a majority of those voting, be made a special order and, when the time fixed for its consideration arrives, the Presiding Officer shall lay it before the Senate.

Messages From the Governor or Assembly

31. Messages from the Governor or from the Assembly may be introduced at any stage of business except while a question is being put, while the ayes and noes are being called, or while a Senator is addressing the Senate.

Messages from the Governor or from the Assembly may be considered when indicated in the order of business or at any other time by unanimous consent or upon motion.

Engrossing Measures

32. All Senate bills, constitutional amendments, and joint and concurrent resolutions shall be engrossed after each amendment and before final action is taken on them in the Senate. Engrossment shall consist of comparing the printed engrossed measure with the original measure introduced and any amendments adopted to ascertain that it is correct, and making necessary technical corrections. When a measure is reported correctly engrossed it shall be substituted for the original measure.

Enrolling Measures

33. All Senate measures shall be enrolled immediately following their final passage and receipt from the Assembly. An enrolled copy of every bill, constitutional amendment, or resolution shall be printed and examined to ascertain that it is a true and accurate copy of the measure as it was passed. It shall then be authenticated by the signature of the Secretary of the

Senate or a designee, and the Chief Clerk of the Assembly or a designee, and transmitted to the Governor or Secretary of State, as the case may be.

DEBATE

Statement of Motion

34. A motion may not be debated until it is distinctly announced by the Presiding Officer, and it shall be reduced to writing if desired by any Senator, and read by the Secretary, before it is debated.

Regulations as to Speaking

35. (a) When a Senator desires to address the Senate, the Senator shall rise at the Senator's desk, address the Presiding Officer, and, when recognized, proceed to speak through the public address system.

(b) A Senator may not speak more than twice in any one debate on the same day, and at the same stage of the bill, without leave; Senators who have once spoken are not again entitled to the floor (except for explanation) so long as any Senator who has not spoken desires to speak.

(c) When two or more Senators arise at the same time to address the Senate, the Presiding Officer shall designate the Senator who is entitled to the floor.

(d) A Senator may not be interrupted when speaking, and no question may be asked of the Senator except through the Presiding Officer.

(e) The author of a bill, motion, or resolution shall have the privilege of closing the debate.

Order in Debate

36. When a Senator is called to order, the Senator shall sit down until the Presiding Officer has determined whether or not the Senator is in order. Every question of order shall be decided by the Presiding Officer, subject to an appeal to the Senate by any Senator. If a Senator is called to order for words spoken, the objectionable language shall immediately be taken down in writing by the Secretary of the Senate.

Right to Address the Senate

37. A person other than a Member of the Senate may not address the Senate while it is in session, except that the Senate may resolve itself into a Committee of the Whole and, while sitting as a Committee of the Whole, may be addressed by persons other than Members.

QUESTIONS AND MOTIONS

Amendments to Measures

38. When amendments to a measure are reported by a committee or offered from the floor, the amendments shall be submitted in writing.

Adoption of amendments to any measure in the Senate prior to third reading, other than by rollcall, shall not preclude subsequent consideration, in committee or on the third reading of the measure, of the amendments or any part thereof by the Senate.

Amendments to Be Germane

38.5. Every amendment proposed must be germane. In order to be germane, an amendment must relate to the same subject as the original bill, resolution, or other question under consideration.

A point of order may be raised that the proposed amendment or an amendment now in the bill, resolution, or other question under consideration is not germane, so long as the question is within control of the body. In that case the President pro Tempore shall decide whether the point of order is well taken. In the absence of the President pro Tempore, the Vice Chair of the Committee on Rules shall decide whether the point of order is well taken. If, in the opinion of the President pro Tempore or the Vice Chair of the Committee on Rules, the point of order is well taken, the question of germaneness shall upon the motion of the President pro Tempore or the Vice Chair of the Committee on Rules be referred to the Committee on Rules for determination. The Committee on Rules shall make its determination by the following legislative day. If the

point of order is raised and referral is made on the last legislative day preceding a joint recess, the Committee on Rules shall make its determination before adjourning for the recess.

The proposition shall remain on file until the determination is made. If, upon consideration of the matter, the Committee on Rules determines that the amendment is not germane, the bill, resolution, or other question shall be stricken from the file and may not be acted upon during the remainder of the session, provided that the author of a bill, resolution, or other question shall be given the opportunity to amend the bill, resolution, or other question to delete the portions that are not germane, in which case the bill, resolution, or other question may continue to be acted upon. If the Committee on Rules determines that the amendment is germane, the bill, resolution, or other question may thereafter be acted upon by the house.

Notwithstanding Rule 21, this rule may not be suspended unless the Committee on Rules determines that an extraordinary circumstance and overwhelming public interest exist that justify the suspension.

Amendments From the Floor

38.6. Amendments to a bill, constitutional amendment, concurrent resolution, joint resolution, or Senate resolution offered from the floor, except committee amendments reported with measures or amendments offered with a motion to amend and rerefer to committee, are not in order unless and until a copy of the proposed amendments provided by the author has been placed upon the desks of the Members.

Motion to Lay on the Table

39. When an amendment proposed to any pending measure is laid on the table, it may not carry with it or prejudice the measure.

Division of a Question

40. If a question in debate contains more than one distinct proposition, any Senator may have the same divided.

The Previous Question

41. The previous question shall be put in the following form: "Shall the question be now put?" It shall require a majority vote of the Senators present, and its effect shall be to put an end to all the debate except that the author of the bill or the amendment shall have the right to close, and the question under discussion shall thereupon be immediately put to a vote.

Call of the Senate

42. Upon a motion being carried for a call of the Senate, the Presiding Officer shall immediately order the doors to be closed, and shall direct the Secretary to call the names of the absentees as disclosed by the last previous rollcall. Thereupon, a Member may not be permitted to leave the Senate Chamber except by written permission of the President pro Tempore or, in the absence of the President pro Tempore, the Vice Chair of the Committee on Rules or, in the absence of the Vice Chair of the Committee on Rules, another member of the Committee on Rules designated for that purpose by the President pro Tempore or the Vice Chair of the Committee on Rules. Those Members who are found to be absent and for whom no excuse or insufficient excuses are made may, by order of those present, be taken into custody, as they appear, or may be sent for and then taken into custody by the Sergeant at Arms whenever found, or by special messenger to be appointed for that purpose. In the absence of a quorum, a majority of the Members present may order a rollcall of the Senate and compel the attendance of absentees in the manner above provided.

A call of the Senate may be ordered after the roll has been called and prior to the announcement of the vote. A call of the Senate may be dispensed with at any time upon a majority vote of the Senators present,

that action to become effective upon completion of the rollcall and the announcement of the vote upon the matter for which the call was ordered.

A recess may not be taken during a call of the Senate. During any call, the call may be made to apply also to other items of business by a motion made and adopted by a majority vote of the Members present. Under those circumstances, when the call of the Senate is dispensed with as to any item of business, the call is deemed to be continued in effect until other items of business that have been made subject to the call by a majority of the Members present have been acted upon. When a call of the Senate is ordered, pending the announcement of the vote upon the completion of a rollcall, the pending rollcall shall become unfinished business, the consideration of which shall be continued until further proceedings under the call of the Senate are dispensed with, when it will forthwith become the order of business before the Senate.

A motion to adjourn is not in order during a call of the Senate.

Reconsideration

43. On the day on which a vote has been taken on any question, a motion to reconsider the vote may be made by any Member. Reconsideration may be granted only once.

The motion may be considered on the day made or on the succeeding legislative day, but may not be further postponed without the concurrence of 30 Members.

A vote by which a bill was passed may not be reconsidered on the last legislative day preceding the interim study joint recess or the final recess, and a vote by which the bill was passed may not be reconsidered on a Senate bill introduced during the first year of the biennium of the legislative session on January 31, or on the last legislative day immediately preceding January 31, of an even-numbered year.

When reconsideration of the vote by which any bill has passed has been demanded, the Secretary may not

transmit it to the Assembly until the demand has been disposed of or the time for reconsideration has expired, but if the bill has already been transmitted to the Assembly the demand for reconsideration shall be preceded by a motion to request the Assembly to return the bill. The motion shall be put to a vote immediately without debate and, if not adopted, shall preclude a demand for reconsideration.

A demand to reconsider the vote on any debatable question opens the main question to debate, and the vote on the reconsideration shall be on the merits of the main question.

VOTING BY SENATE

Rescinding

43.5. An action whereby a bill has been passed or defeated may not be rescinded without the concurrence of 27 Members.

Voting on Rollcall

44. Whenever a rollcall is required by the Constitution or rules, or is ordered by the Senate or demanded by three Members, every Member within the Senate shall without debate answer "Aye" or "No" when the Member's name is called.

The names of Members shall be called alphabetically.

A Senator may not vote or change the Senator's vote after the announcement of the vote by the Presiding Officer.

On a legislative day when the President pro Tempore or Minority Floor Leader is in attendance throughout a session, the President pro Tempore or Minority Floor Leader, in the absence of any objection, may instruct the Secretary of the Senate to add the vote of the President pro Tempore or Minority Floor Leader to any previously announced vote that was taken while the President pro Tempore or Minority Floor Leader was performing the responsibilities of the office of President pro Tempore or Minority Floor Leader,

provided the outcome of the vote is not thereby changed. This provision does not apply to any rollcall after adjournment of the legislative day during which the rollcall in question was taken. The intent of this paragraph is to allow the President pro Tempore and the Minority Floor Leader to carry out the unique and special duties of their offices without losing the opportunity to vote on matters before the Senate.

Excused From Voting

45. When a Senator declines or fails to vote on call of the Senator's name, the Senator may, after completion of the rollcall and before the announcement of the vote, be required to assign the reasons therefor and, the Senator having assigned them, the Presiding Officer shall submit the question to the Senate: "Shall the Senator, for the reasons assigned by the Senator, be excused from voting?" which question shall be decided without debate. Unless the Senator is excused from voting, the Senator shall be required to vote.

Voting by Presiding Senator

46. When any Member is presiding over the Senate, the Member shall vote on rollcall the same as though the Member were not presiding.

Vote Required

47. Unless otherwise required by the Constitution, the Joint Rules of the Senate and Assembly, or these rules, any action that can be taken by the Senate requires only a majority vote of the Senate, a quorum being present.

The following actions require 32 votes:

**Standards of Conduct
of the Senate
(Senate Resolution 45 adopted
by the Senate June 9, 2014)**

The Standards of Conduct of the Senate are as follows:

First—Each Senator shall conduct himself or herself so as to justify the high trust reposed in him or her by the people and to promote public confidence in the integrity of the Senate.

Second—A Senator or officer or employee of the Senate shall not engage in unethical conduct or tolerate such conduct by others. Each Senator and each officer or employee of the Senate has a responsibility to report any apparent and substantial violation of these standards and to consult with the Senate Committee on Legislative Ethics or, at the option of the individual, the Senate ombudsperson regarding the propriety of any conduct that may violate these standards. Moreover, a Senator or officer or employee of the Senate shall not retaliate against a person who reports a possible violation of these standards or consults about conduct that may violate these standards, or against a person who the Senator, officer, or employee believes made such a report.

Third—Each Senator and each officer or employee of the Senate has an obligation to exercise his or her independent judgment on behalf of the people of California, rather than for personal gain or private benefit.

(a) A Senator or officer or employee of the Senate shall not seek or accept anything from anyone that would interfere with the exercise of his or her independent judgment.

(b) A Senator or officer or employee of the Senate shall not accept outside employment that is inconsistent with the conscientious performance of his or her duties.

(c) A Senator shall not use the prestige of his or her office, and an officer or employee of the Senate shall not use the status of his or her position, for material or financial gain or private benefit.

Fourth—Each Senator has an obligation to provide energetic and diligent representation, and each officer or employee of the Senate has an obligation to provide en-

ergetic and diligent service on behalf of the Senate, with due consideration for the interests of all of the people of California.

(a) Each Senator and each officer or employee of the Senate has an obligation to be informed and prepared, recognizing all sides of an issue.

(b) Each Senator and each officer or employee of the Senate, when intervening on behalf of a constituent with any governmental agency, shall make every effort to ensure that decisions affecting any constituent are made on their merits and in a fair and equitable manner.

(c) Each Senator shall be accessible to all constituents, making a special effort to attend to the concerns of those who might not otherwise be heard.

(d) Each Senator shall fairly characterize the issues confronting the Legislature and accurately inform the public regarding the conduct of his or her office.

Fifth—Each Senator and each officer or employee of the Senate has an obligation to the public and to his or her colleagues to be informed about, and abide by, the rules that govern the proceedings of the Senate and the Legislature.

(a) Each Senator shall perform his or her duties with courtesy and respect for both colleagues and those who may appear before the Senate.

(b) In exercising the power of confirmation, each Senator shall act with due regard for the general welfare of the people of California.

(c) Each Senator and each officer or employee of the Senate, when exercising oversight functions with respect to any governmental agency, shall act in an informed fashion, with attention to the underlying policies being implemented and with due respect for the independence of the agency.

Sixth—Each Senator, and each officer or employee of the Senate, acting in a position of leadership shall exercise his or her power and carry out his or her responsibility so as to enhance reasoned and visible decision-making by the Senate.

Seventh—Each Senator has an obligation to treat each officer or employee of the Senate with fairness and without discrimination, and to ensure that each officer or em-

ployee performs only those tasks for which there is a legislative or governmental purpose.

Eighth—Each officer or employee of the Senate has an obligation to perform his or her properly assigned duties using his or her best judgment with diligence and a duty of loyalty to the Senate as an institution.

Ninth—Each Senator and each officer or employee of the Senate has an obligation to make proper use of public funds.

(a) A Senator or an officer or employee of the Senate shall not use state resources for personal or campaign purposes.

(b) Each officer or employee of the Senate is free to volunteer for, and participate in, campaign activities on his or her own time, but an officer or employee of the Senate shall not be intimidated, coerced, or compelled, as a condition of continued appointment or employment, to either volunteer time or contribute money to a candidate or campaign.

(c) A Senator or an officer or employee of the Senate shall not discuss legislative business of any kind while attending or hosting an event at which campaign funds or contributions are solicited, provided, or discussed.

Tenth—Each Senator and each officer or employee of the Senate shall uphold the Constitution of California and the Constitution of the United States, and shall adhere to the spirit and the letter of the laws, rules, and regulations governing officeholder conduct.

Eleventh—Each Senator and each officer or employee of the Senate shall conduct himself or herself in the performance of his or her duties in a manner that does not discredit the Senate.

Twelfth—Each Senator and each officer or employee of the Senate is expected to report to the proper authority any apparent and substantial violation of these standards or related statutes, regulations, or rules, and to consult with the Senate ombudsperson, the Senate Committee on Legislative Ethics, or any other appropriate governmental agency regarding the propriety of any conduct that may violate these standards.

11.3. (a) Except as otherwise provided in this rule, all meetings of the Assembly or a committee thereof shall be open and public, and all persons shall be permitted to attend the meetings. As used in this rule, "meeting" means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), may be held only after full and timely notice to the public as provided by the Joint Rules of the Senate and Assembly.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees, or the safety and security of any buildings and grounds used by the Legislature.

(3) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated litigation, or whether to initiate litigation, when discussion in open session would not protect the interests of the Assembly or committee regarding the litigation.

(d) A caucus of the Members of the Assembly that is composed of members of the same political party may meet in closed session.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

(f) Prior to holding a closed session pursuant to paragraph (3) of subdivision (c), the presiding officer of the Assembly or the chairperson of the committee, as appropriate, shall state publicly which paragraph of subdivision (e) is applicable. If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chairperson shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chairperson states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other

identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum is exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), “litigation” includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

The committee shall allocate annually an amount for the operation of each investigating committee, which shall constitute the annual budget of the committee.

15. The Committee on Rules shall continue in existence during any recess of the Legislature and after final adjournment and until the convening of the next regular session, and shall have the same powers and duties as while the Assembly is in session. In dealing with any matter within its jurisdiction, the committee and its members have and may exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which rules are incorporated herein and made applicable to the Committee on Rules and its members.

All proposed expenditures, other than expenditures of the funds of an investigating committee, shall be approved by the Committee on Rules or its authorized representative before the expenses are incurred, unless the expenditure is specifically exempted from this requirement by the resolution authorizing it.

No warrant may be drawn in payment of any claim for expenses until the approval of the Committee on Rules, or its authorized representative, has been obtained in accordance with this rule.

The Committee on Rules shall adopt rules and regulations governing the awarding of any contract by an investigating committee, and rules and regulations limiting the amount, time, and place of expenses and allowances to be paid to employees of Assembly investigating committees or other Assembly committees.

The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to the committee and its members.

(c) The committee has the following additional powers and duties:

(4) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly, appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second

greatest number of Members in the Assembly shall be made from a list of nominees that the Republican Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairpersons of the committee. The Speaker shall designate one of the co-chairpersons to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, apply to the committee and govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee has the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the official conduct of Members of the Assembly, hereafter collectively referred to as “standards of conduct.”

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

A complaint may not be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) Within 30 days of receipt of a verified complaint, the co-chairpersons of the committee shall make an initial determination as to whether the alleged conduct of the Member of the Assembly against whom the verified complaint has been filed falls within the jurisdiction of the committee. If the co-chairpersons agree that the alleged conduct does not fall within the jurisdiction of the committee, the committee shall notify the complainant and respondent of the determination and the complaint shall be dismissed. If one or both of the co-chairpersons determine that the alleged conduct falls within the jurisdiction of the committee, the complaint shall be deemed to fall within the committee's jurisdiction and shall be subject to the applicable procedures set forth in paragraphs (2) to (6), inclusive.

(2) If the verified complaint is deemed to fall within the jurisdiction of the committee pursuant to paragraph (1), the committee shall determine whether the verified complaint alleges facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct.

(3) (i) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(ii) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules. If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(4) The committee shall make its determination under paragraph (2) or (3), pursuant to a vote in accordance with subdivision (n), not later than 120 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(5) The committee's determination under paragraph (2) or (3) shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency.

This written determination is a public record and is open to public inspection.

(6) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects the official or other person, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which the official or other person complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Gov-

ernment Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a house resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The house resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the house resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person

other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules. At least once each biennial session, each Member of the Assembly and each employee of the Assembly shall attend one of these courses.

(q) Pursuant to Section 8956 of the Government Code, the committee shall do each of the following:

(1) Conduct, at least semiannually, an orientation course on the relevant ethical issues and laws relating to lobbying.

(2) Impose fees on lobbyists for attending the course specified in paragraph (1) at an amount that will permit the participation of lobbyists to the fullest extent possible.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed, whether the report shall be printed in the Journal, and whether the report shall be distributed electronically. The Committee on Rules shall authorize the distribution of reports electronically whenever possible.

Assembly Employees

24. Every employee who works for a committee of the Assembly or a subcommittee of a committee, for a Member of the Assembly, for the Chief Clerk's office, or for the Sergeant at Arms, is an employee of the Assembly. All employees of the Assembly serve at the pleasure of the Assembly and the terms and conditions of their employment may be modified, or their employment may be terminated at will, at any time and without notice, by the Committee on Rules.

Every applicant for employment by the Assembly shall prepare a formal application for employment on forms prescribed by the Committee on Rules. The application shall include a statement of the applicant's present employment, the applicant's employment during the preceding two years, and other pertinent information that the Committee on Rules may require. The application shall be certified under penalty of perjury, and any willful false statement or omission of a material fact shall be punishable as perjury. If the application discloses any fact that indicates that the applicant has a personal interest that would conflict with the faithful performance of the applicant's duties, the applicant shall

not be employed. All applications shall be retained in the records of the committee.

Every employee shall complete the Assembly ethics course in the first six months of the employee's employment. Thereafter, every employee shall take the course in the first six months of every legislative session.

Every employee shall, within the first six months of every legislative session, take a course on sexual harassment prevention. The content of the course shall be determined by the Committee on Rules and shall include the Assembly's policy on sexual harassment prevention and response.

An employee may not engage in any outside business activity or outside employment that is inconsistent, incompatible, or in conflict with the employee's functions or responsibilities as an employee of the Assembly. Any employee who engages in any outside business activity or employment that is in any way related to the employee's functions or responsibilities as an employee shall promptly notify the Committee on Rules of that business activity or employment.

Public Legislative Meetings

25. (a) Accredited press representatives and the public shall not be excluded from any public legislative meeting or hearing and shall not be prohibited from taking photographs of, televising, or recording the committee or house hearings.

(b) The Committee on Rules shall adopt reasonable rules regarding access to public legislative meeting and hearing spaces, including the placement and use of equipment for recording or broadcasting, to minimize disruption of the proceedings. The rules shall grant priority to accredited press representatives in allocating access to public legislative meetings and hearings. Legislative meetings shall comply with the provisions related to the public's recording of legislative meetings set forth in Resolution Chapter 163 of the Statutes of 2018.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required for the selection by the Assembly caucus of a person to fill a vacancy pursuant to this rule. The procedure for selecting the Speaker at the caucus is the same as the procedure required for the election of the Speaker at a session.

B. Printing

Authority for Printing

35. The State Printer may not charge any printing or other work to the Assembly other than as provided by

law or Assembly Rule, except upon a written order signed by the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly. All invoices for printing furnished to the Assembly shall be itemized and rendered by the State Printer within 30 days after completion of the printing. 37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

(a) Transmit the copies to the designated Members by electronic means.

(b) Transmit one physical copy to the appropriate administrative or legislative officer of the designated body.

V. LEGISLATIVE PROCEDURE

2. Prayer by the Chaplain
3. Reading of the Previous Day's Journal
4. Presentation of Petitions
5. Introduction and Reference of Bills
6. Reports of Committees

8. Messages From the Senate
9. Motions and Resolutions
10. Business on the Daily File
11. Announcements
12. Adjournment

(b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States

of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. (a) Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules may refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee.

The action to refer a bill is not debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one calendar day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

(b) An Assembly bill amended by the Senate shall be considered and voted upon in accordance with Rule 77.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word “bill,” as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) and paragraphs (1) and (2) of subdivision (b) of Section 8 of Article IV of the California Constitution.

(c) "Final form," as used in these rules, means the following:

(1) For an Assembly bill, the form of the bill presented on the Senate floor for a vote upon final passage.

(2) For a Senate bill, the form of the bill presented on the Assembly floor for a vote upon final passage.

Introduction and Reference of Bills

47. (a) Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members.

(b) After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

(c) When received at the Chief Clerk's desk each bill shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills and constitutional amendments introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

(d) The Committee on Budget may introduce a bill germane to any subject within the jurisdiction of the committee in the same manner as any Member. Any other standing committee may introduce a total of five bills in each year of a biennial session that are germane to any subject within the proper consideration of the committee.

(e) No committee, except the Committee on Budget, may introduce or author a house resolution, concurrent resolution, or joint resolution.

(f) A committee bill may not be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

(g) Subdivision (d) or (e) of this rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, an action may not be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 50 bills in the regular session. As used in this rule, "bill" includes a constitutional amendment, but does not include a concurrent or joint resolution.

(b) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules may refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. A motion to refer a bill is not debatable, except as to the propriety of the motion, and it may not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Resolutions

53. All resolutions shall be numbered and may be referred to the appropriate committee by the Committee on Rules.

Each resolution shall be signed by each Member who is an author or coauthor of the resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of the official's immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. A committee or subcommittee may not meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee may not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Setting and Hearing Bills in Committee

56.1. All bills referred to a standing committee pursuant to Rule 51 may be set and heard, if requested by the author, as specified by the Joint Rules. If the analysis of an author's amendment that is subsequently adopted pursuant to Rule 68 discloses that the amendment makes a substantial substantive change to the original bill as referred by the Committee on Rules, the bill as amended shall either be set and heard by the committee having jurisdiction of the bill as amended or re-referred to the Committee on Rules pursuant to the Assembly Rules.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommit-

tee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee constitutes a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, is required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a

disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. An action taken by a committee may not be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. (a) The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

(b) Notwithstanding any other rule, procedure, or practice, a committee of the Assembly other than the

Committee on Appropriations shall not establish or maintain a suspense file.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote may be by rollcall vote only. All rollcall votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a rollcall vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the rollcall votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the rollcall votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of the member's vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule does not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. A chairperson of a standing committee may not preside at a committee hearing to consider a bill of which the chairperson is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided that Rule 58 has been complied with in the order of their listing. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. A bill may not be considered or acted upon on the floor of the Assembly unless and until a copy of the bill as introduced, and a copy of each amended form of the bill, has been distributed to the desk of each Member in hardcopy or in portable document format (PDF) via computer and, as applicable, the requirements of paragraph (2) of subdivision (b) of Section 8 of Article IV of the California Constitution have been complied with.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Committee Amendments and Coauthors

67. (a) Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a rollcall, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

(b) Notwithstanding any other rule, the revision of a bill only to add coauthors shall not be considered an amendment of the bill. A request to add coauthors may be submitted to the Assembly with the approval of the committee chairperson, the lead author of the bill, and each proposed coauthor on a form provided by the Chief Clerk. The form may be submitted to the Chief Clerk with the submission of the committee report. A coauthor revision form may be submitted for a bill only one time

in each committee to which the bill has been re-referred, except that the limit of one co-author revision form per bill shall not apply to fiscal committees. Upon submission of the form, the heading of the bill shall be revised to reflect the additional coauthor or coauthors. Any Member added as a coauthor to a bill may subsequently request in writing that the Member's name be removed.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by the chairperson's individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Rules Committee Author's Amendments

68.1 (a) If a proposed amendment to a bill on the floor is submitted pursuant to Rule 69, the chairperson of the Committee on Rules may, upon request of the author of the bill, re-refer the bill and proposed floor amendments to the Committee on Rules for further action.

(b) Upon re-referral, the chairperson of the Committee on Rules may cause the amendments submitted by the author to be adopted and the bill to be reprinted as amended and ordered returned to either the second or third reading file.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the

effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. A bill, concurrent resolution, or joint resolution may not be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Analysis of Conference Committee Amendments

68.7. A report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may not be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. A conference report may not be heard by the Assembly until it has been in print for 72 hours prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) A conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may not approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change is deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term “heard” means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor and Coauthors

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

Amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, are not in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members.

Notwithstanding any other rule, a bill that has been revised on the Assembly Floor at the request of the lead author and on forms provided by the Chief Clerk only to add coauthors to the bill shall not be considered an amendment and a copy of the bill is not required to be placed upon the desks of the Members if both the Speaker and the Republican Leader, or a majority vote of the house, approve the request. The heading of the bill shall be revised to reflect the addition of the coauthor or coauthors.

Amendments offered from the floor during a bill’s second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk’s desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon

second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as the Chief Clerk may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day, and, with regard to an amended Senate bill, may not be voted upon for final passage until the bill complies with Rule 76. This subdivision does not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) A motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, is not in order on (1) the last two

legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last seven days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. This subdivision may be suspended temporarily by two-thirds vote of the Members present and voting. This subdivision does not apply to amendments to a bill pursuant to Joint Rule 23.5, amendments to a bill to add or delete an urgency clause, or amendments to a bill to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to the person.

Consideration of Bills Amending the California Stem Cell Research and Cures Act

69.2. Pursuant to Section 8 of the California Stem Cell Research and Cures Act (Proposition 71 of the November 2, 2004, statewide general election), the following requirements apply to a bill that would amend the provisions of that act:

(a) The bill may not be passed until, 14 days prior to the date of passage, copies of the bill in its final form are made available by the Chief Clerk to the public and the news media.

(b) Passage of the bill requires the affirmative votes of 56 Members.

Electronic Distribution of Bills, Conference Reports, Amendments, and Analyses

69.5. Any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members is satisfied by electronic distribution of the same information in portable document format (PDF) via computer to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. A bill may not be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. (a) Any resolution upon which a rollcall vote is demanded requires an affirmative recorded vote of 41 or more Members for adoption.

(b) The adoption of any resolution authorizing the expenditure of money requires an affirmative recorded vote of 41 or more Members.

(c) The adoption of any joint resolution requires an affirmative recorded vote of 41 or more Members.

(d) A resolution may not be adopted on the third reading file on the last seven days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. This subdivision does not apply to the Consent Calendar and may be suspended temporarily by an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it may be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Internet Publication Prior to Final Passage of Senate Bill

76. (a) A Senate bill shall not be voted upon by the Assembly for final passage unless the bill has been published on the Internet in its final form for at least 72 hours prior to that vote.

(b) The requirement of subdivision (a) may be waived for a bill if the Governor has submitted to the Legislature a written statement that dispensing with the notice period for that bill is necessary to address a state of emergency, as described in paragraph (2) of subdivision (b) of Section 8 of Article IV of the California Constitution.

(c) As used in this rule, "bill" does not include a joint or concurrent resolution or a constitutional amendment.

Concurrence in Senate Amendments

77. (a) Concurrence in any Senate Amendment to an Assembly bill requires the same affirmative recorded vote as the vote required by the California Con-

stitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

(b) Senate amendments to Assembly bills shall not be concurred in until both of the following have occurred:

(1) An analysis of the bill has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this paragraph, "bill" includes a constitutional amendment, but does not include a joint or concurrent resolution.

(2) The bill has been published on the Internet in its final form for at least 72 hours prior to that vote. This requirement may be waived for a bill if the Governor has submitted to the Legislature a written statement that dispensing with this notice period for that bill is necessary to address a state of emergency, as described in paragraph (2) of subdivision (b) of Section 8 of Article IV of the California Constitution. As used in this paragraph, "bill" does not include a joint or concurrent resolution or a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily

File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Daily File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to the Engrossing and

Enrolling Clerk's hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

First—To adjourn;

Second—To recess to a time certain;

Third—To lay on the table;

Fourth—For the previous question;

Fifth—To set as a special order;

Sixth—To postpone indefinitely;

Seventh—To refer to or to re-refer;

Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. An appeal is not in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being

seconded, the Speaker may give the Speaker's reasons for the decision, and the Member making the appeal may give the Member's reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal may not be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal may not be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting decides any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on the Speaker's own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and may not be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain is treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and may not be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table may not be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members who have not previously spoken on the question, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The mo-

tion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain is deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but an “amendment to an amendment” may not be amended. A motion to substitute is deemed to be a motion to amend and is considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment to be Germane

92. An amendment to any bill, other than a bill stating legislative intent to make necessary statutory

changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

A motion or proposition on a subject different from that under consideration may not be admitted as an amendment.

An amendment is not in order that changes the original number of any bill.

A Member may not be added or deleted as an author or coauthor of a bill or resolution without the Member's consent.

Consideration of Motions

93. A motion, whether oral or written, may not be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) A bill or resolution may not be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdi-

vision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee requires a majority of those members present and voting. A motion to withdraw a motion to withdraw is not in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that an action may not be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. A motion to rescind the action and expunge the record may not be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. A motion to reconsider may not be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and takes precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and further action may not be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order

on the last legislative day preceding January 31 of the even-numbered year. The motion must be taken up before the end of that legislative day.

As used in this paragraph, “bill” does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, “bill” does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion must be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill requires an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill requires an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day takes precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the

motion to take up the reconsideration on the same day is adopted, the motion to reconsider is the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider requires a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last rollcall. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and a person may not be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom a leave of absence has not been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, the Sergeant at Arms' assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

A recess or adjournment may not be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the rollcall and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a rollcall is required shall record the Member's vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

A Member may not operate the voting switch of any other Member, except that a Member presiding at the time of a rollcall, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that the Member was present and did so refuse to vote. Any Member who refuses so to vote may, if the Member so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of the Member's name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the

Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for the Member's expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of the Member's vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add the Member's vote to any previously announced vote that had been taken during the Member's absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Chief Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change the Member's recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed.

The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from the Member's seat and respectfully address the presiding officer as "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining the Member's remarks to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

A Member may not speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question has the right to open and close the debate thereon. A Member may not be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. A Member may not yield to any other Member the time for which the Member is entitled to speak on any matter.

Rules of Decorum

108.1. (a) In accordance with Rule 10, Members of the Assembly shall conduct themselves in accordance with the rules of decorum specified in Sections 120 to 126, inclusive, of Mason's Manual of Legislative Procedure.

(b) Notwithstanding subdivision (a), the Committee on Rules may adopt additional rules of decorum by majority vote of the membership of the committee.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating the Member's motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine the Member's remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude the Member's debate by making any motion or by demanding the previous question.

Leave of Absence

110. A Member may not be absent from attendance at any session of the Assembly without leave of the Assembly. A Member may not obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives the Member's per diem allowance for attendance upon any session of the Legislature for which the Member secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which the Member seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason the Member is late before the Member is recorded on the rollcall for any vote. If a Member does not explain the Member's reason for be-

ing late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. A Member or other person may not be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take the Member's seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling the Member to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language

used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole “do now rise and report back to the Assembly,” shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chairperson of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Telephones and Electronic Communications

117.5. While on the floor of the Assembly during any session of the Assembly, or while serving on a committee during any hearing of that committee, a Member may not do either of the following:

- (a) Use a cellular telephone to make or receive calls.
- (b) Send electronic communications to, or receive electronic communications from, any lobbyist.

Meeting of the Assembly: Firearms

117.7. A person, except a peace officer acting within the scope of the peace officer's employment, may not carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. (a) A person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may not be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the Lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

A person other than a Member of the Legislature, the Sergeant at Arms or the Sergeant at Arms' assistants, the Chief Clerk or the Chief Clerk's assistants, or the Legislative Counsel or the Legislative Counsel's representatives may not be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

(b) A lobbyist, as defined by Section 82039 of the Government Code, may not, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Floor Attire

118.1. Notwithstanding any other provision of these Rules, Members of the Legislature, officers or employees of the Legislature, accredited members of the press, or any other persons may be restricted from admission to the floor of the Assembly during any session if they are inappropriately attired. The Committee on Rules may, as necessary, adopt policies to implement this rule.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. A motion to disqualify a Member is not in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, the Member's right to further compensation or expenses is thereupon suspended, and the Member's membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a

new trial is granted, and the Member is thereafter found not guilty or the charges against the Member are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of the Member's committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing the Controller to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against the Member are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

Agency Reports: Electronic Copies

122. Pursuant to Section 9795 of the Government Code, any report required or requested by law to be submitted by a state or local agency to the Members, or to the Legislature generally, shall be submitted as an electronic copy to the Chief Clerk.

CONSTITUTION
OF THE
STATE OF CALIFORNIA

ARTICLE IV
LEGISLATIVE

**CONSTITUTION
of the
STATE OF CALIFORNIA**

ARTICLE IV

LEGISLATIVE

[*Heading as amended November 8, 1966.*]

[*Legislative Power*]

SECTION 1. The legislative power of this State is vested in the California Legislature which consists of the Senate and Assembly, but the people reserve to themselves the powers of initiative and referendum.
[*New section adopted November 8, 1966.*]

[*Legislators—Limitation on Incumbency—
Restriction of Retirement Benefits—
Limitation of Staff and Support Services—
Number of Terms*]

SEC. 1.5. The people find and declare that the Founding Fathers established a system of representative government based upon free, fair, and competitive elections. The increased concentration of political power in the hands of incumbent representatives has made our electoral system less free, less competitive, and less representative.

The ability of legislators to serve unlimited number of terms, to establish their own retirement system, and to pay for staff and support services at state expense contribute heavily to the extremely high number of incumbents who are reelected. These unfair incumbent advantages discourage qualified candidates from seeking public office and create a class of career politicians, instead of the citizen representatives envisioned by the Founding Fathers. These career politicians become representatives of the bureaucracy, rather than of the people whom they are elected to represent.

To restore a free and democratic system of fair elections, and to encourage qualified candidates to seek public office, the people find and declare that the powers of incumbency must be limited. Retirement benefits must be restricted, state-financed incumbent staff and support services limited, and limitations placed upon the number of terms which may be served. [*New section adopted November 6, 1990. Initiative measure.*]

*[Senate and Assembly—Membership—Elections—
Number of Terms and Years of Service—
Qualifications—Vacancies]*

SEC. 2. (a) (1) The Senate has a membership of 40 Senators elected for 4-year terms, 20 to begin every 2 years.

(2) The Assembly has a membership of 80 members elected for 2-year terms.

(3) The terms of a Senator or a Member of the Assembly shall commence on the first Monday in December next following her or his election.

(4) During her or his lifetime a person may serve no more than 12 years in the Senate, the Assembly, or both, in any combination of terms. This subdivision shall apply only to those Members of the Senate or the Assembly who are first elected to the Legislature after the effective date of this subdivision and who have not previously served in the Senate or Assembly. Members of the Senate or Assembly who were elected before the effective date of this subdivision may serve only the number of terms allowed at the time of the last election before the effective date of this subdivision.

(b) Election of members of the Assembly shall be on the first Tuesday after the first Monday in November of even-numbered years unless otherwise prescribed by the Legislature. Senators shall be elected at the same time and places as members of the Assembly.

(c) A person is ineligible to be a member of the Legislature unless the person is an elector and has been a resident of the legislative district for one year, and a citizen of the United States and a resident of California for

3 years, immediately preceding the election, and service of the full term of office to which the person is seeking to be elected would not exceed the maximum years of service permitted by subdivision (a) of this section.

(d) When a vacancy occurs in the Legislature the Governor immediately shall call an election to fill the vacancy. [*As amended June 5, 2012. Initiative measure.*]

[Legislative Sessions—Regular and Special Sessions]

SEC. 3. (a) The Legislature shall convene in regular session at noon on the first Monday in December of each even-numbered year and each house shall immediately organize. Each session of the Legislature shall adjourn sine die by operation of the Constitution at midnight on November 30 of the following even-numbered year.

(b) On extraordinary occasions the Governor by proclamation may cause the Legislature to assemble in special session. When so assembled it has power to legislate only on subjects specified in the proclamation but may provide for expenses and other matters incidental to the session. [*As amended June 8, 1976.*]

[Legislators—Conflict of Interest—Prohibited Compensation—Earned Income]

SEC. 4. (a) To eliminate any appearance of a conflict with the proper discharge of his or her duties and responsibilities, no Member of the Legislature may knowingly receive any salary, wages, commissions, or other similar earned income from a lobbyist or lobbying firm, as defined by the Political Reform Act of 1974, or from a person who, during the previous 12 months, has been under a contract with the Legislature. The Legislature shall enact laws that define earned income. However, earned income does not include any community property interest in the income of a spouse. Any Member who knowingly receives any salary, wages, commissions, or other similar earned income from a lobbyist employer, as defined by the Political Reform Act of 1974, may not, for a period of one year following its receipt, vote upon

or make, participate in making, or in any way attempt to use his or her official position to influence an action or decision before the Legislature, other than an action or decision involving a bill described in subdivision (c) of Section 12 of this article, which he or she knows, or has reason to know, would have a direct and significant financial impact on the lobbyist employer and would not impact the public generally or a significant segment of the public in a similar manner. As used in this subdivision, "public generally" includes an industry, trade, or profession.

[Legislators—Travel and Living Expenses]

(b) Travel and living expenses for Members of the Legislature in connection with their official duties shall be prescribed by statute passed by rollcall vote entered in the journal, two-thirds of the membership of each house concurring. A Member may not receive travel and living expenses during the times that the Legislature is in recess for more than three calendar days, unless the Member is traveling to or from, or is in attendance at, any meeting of a committee of which he or she is a member, or a meeting, conference, or other legislative function or responsibility as authorized by the rules of the house of which he or she is a member, which is held at a location at least 20 miles from his or her place of residence.

[Legislators—Retirement]

(c) The Legislature may not provide retirement benefits based on any portion of a monthly salary in excess of five hundred dollars (\$500) paid to any Member of the Legislature unless the Member receives the greater amount while serving as a Member in the Legislature. The Legislature may, prior to their retirement, limit the retirement benefits payable to Members of the Legislature who serve during or after the term commencing in 1967.

When computing the retirement allowance of a Member who serves in the Legislature during the term com-

mencing in 1967 or later, allowance may be made for increases in cost of living if so provided by statute, but only with respect to increases in the cost of living occurring after retirement of the Member. However, the Legislature may provide that no Member shall be deprived of a cost of living adjustment based on a monthly salary of five hundred dollars (\$500) which has accrued prior to the commencement of the 1967 Regular Session of the Legislature. [*As amended June 5, 1990.*]

[Legislators—Retirement]

SEC. 4.5. Notwithstanding any other provision of this Constitution or existing law, a person elected to or serving in the Legislature on or after November 1, 1990, shall participate in the Federal Social Security (Retirement, Disability, Health Insurance) Program and the State shall pay only the employer's share of the contribution necessary to such participation. No other pension or retirement benefit shall accrue as a result of service in the Legislature, such service not being intended as a career occupation. This Section shall not be construed to abrogate or diminish any vested pension or retirement benefit which may have accrued under an existing law to a person holding or having held office in the Legislature, but upon adoption of this Act no further entitlement to nor vesting in any existing program shall accrue to any such person, other than Social Security to the extent herein provided. [*New section adopted November 6, 1990. Initiative measure.*]

*[Legislators—Qualifications—
Expulsion and Suspension]*

SEC. 5. (a) (1) Each house of the Legislature shall judge the qualifications and elections of its Members and, by rollcall vote entered in the journal, two-thirds of the membership concurring, may expel a Member.

(2) (A) Each house may suspend a Member by motion or resolution adopted by rollcall vote entered in the journal, two-thirds of the membership concurring. The motion or resolution shall contain findings and declara-

tions setting forth the basis for the suspension. Notwithstanding any other provision of this Constitution, the house may deem the salary and benefits of the Member to be forfeited for all or part of the period of the suspension by express provision of the motion or resolution.

(B) A Member suspended pursuant to this paragraph shall not exercise any of the rights, privileges, duties, or powers of his or her office, or utilize any resources of the Legislature, during the period the suspension is in effect.

(C) The suspension of a Member pursuant to this paragraph shall remain in effect until the date specified in the motion or resolution or, if no date is specified, the date a subsequent motion or resolution terminating the suspension is adopted by rollcall vote entered in the journal, two-thirds of the membership of the house concurring.

[Legislators—Honoraria]

(b) No Member of the Legislature may accept any honorarium. The Legislature shall enact laws that implement this subdivision.

[Legislators—Gifts—Conflict of Interest]

(c) The Legislature shall enact laws that ban or strictly limit the acceptance of a gift by a Member of the Legislature from any source if the acceptance of the gift might create a conflict of interest.

[Legislators—Prohibited Compensation or Activity]

(d) No Member of the Legislature may knowingly accept any compensation for appearing, agreeing to appear, or taking any other action on behalf of another person before any state government board or agency. If a Member knowingly accepts any compensation for appearing, agreeing to appear, or taking any other action on behalf of another person before any local government board or agency, the Member may not, for a period of one year following the acceptance of the compensation, vote upon or make, participate in making, or in any way

attempt to use his or her official position to influence an action or decision before the Legislature, other than an action or decision involving a bill described in subdivision (c) of Section 12, which he or she knows, or has reason to know, would have a direct and significant financial impact on that person and would not impact the public generally or a significant segment of the public in a similar manner. As used in this subdivision, “public generally” includes an industry, trade, or profession. However, a Member may engage in activities involving a board or agency which are strictly on his or her own behalf, appear in the capacity of an attorney before any court or the Workers’ Compensation Appeals Board, or act as an advocate without compensation or make an inquiry for information on behalf of a person before a board or agency. This subdivision does not prohibit any action of a partnership or firm of which the Member is a member if the Member does not share directly or indirectly in the fee, less any expenses attributable to that fee, resulting from that action.

[Legislators—Lobbying]

(e) The Legislature shall enact laws that prohibit a Member of the Legislature whose term of office commences on or after December 3, 1990, from lobbying, for compensation, as governed by the Political Reform Act of 1974, before the Legislature for 12 months after leaving office.

[Legislators—Conflict of Interest]

(f) The Legislature shall enact new laws, and strengthen the enforcement of existing laws, prohibiting Members of the Legislature from engaging in activities or having interests which conflict with the proper discharge of their duties and responsibilities. However, the people reserve to themselves the power to implement this requirement pursuant to Article II. *[As amended June 7, 2016.]*

[Senatorial and Assembly Districts]

SEC. 6. For the purpose of choosing members of the Legislature, the State shall be divided into 40 Senatorial and 80 Assembly districts to be called Senatorial and Assembly Districts. Each Senatorial district shall choose one Senator and each Assembly district shall choose one member of the Assembly. *[New section adopted June 3, 1980.]*

[House Rules—Officers—Quorum]

SEC. 7. (a) Each house shall choose its officers and adopt rules for its proceedings. A majority of the membership constitutes a quorum, but a smaller number may recess from day to day and compel the attendance of absent members.

[Journals]

(b) Each house shall keep and publish a journal of its proceedings. The rollcall vote of the members on a question shall be taken and entered in the journal at the request of 3 members present.

*[Public Proceedings—Closed Sessions—
Audiovisual Recordings]*

(c) (1) Except as provided in paragraph (3), the proceedings of each house and the committees thereof shall be open and public. The right to attend open and public proceedings includes the right of any person to record by audio or video means any and all parts of the proceedings and to broadcast or otherwise transmit them; provided that the Legislature may adopt reasonable rules pursuant to paragraph (5) regulating the placement and use of the equipment for recording or broadcasting the proceedings for the sole purpose of minimizing disruption of the proceedings. Any aggrieved party shall have standing to challenge said rules in an action for declaratory and injunctive relief, and the Legislature shall have the burden of demonstrating that the rule is reasonable.

(2) Commencing on January 1 of the second calendar year following the adoption of this paragraph, the Legislature shall also cause audiovisual recordings to be made of all proceedings subject to paragraph (1) in their entirety, shall make such recordings public through the Internet within 24 hours after the proceedings have been recessed or adjourned for the day, and shall maintain an archive of said recordings, which shall be accessible to the public through the Internet and downloadable for a period of no less than 20 years as specified by statute.

(3) Notwithstanding paragraphs (1) and (2), closed sessions may be held solely for any of the following purposes:

(A) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Legislature.

(B) To consider matters affecting the safety and security of Members of the Legislature or its employees or the safety and security of any buildings and grounds used by the Legislature.

(C) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated, or whether to initiate, litigation when discussion in open session would not protect the interests of the house or committee regarding the litigation.

(4) A caucus of the Members of the Senate, the Members of the Assembly, or the Members of both houses, which is composed of the members of the same political party, may meet in closed session.

(5) The Legislature shall implement this subdivision by concurrent resolution adopted by rollcall vote entered in the journal, two-thirds of the membership of each house concurring, or by statute, and in the case of a closed session held pursuant to paragraph (3), shall prescribe that reasonable notice of the closed session and the purpose of the closed session shall be provided to the public. If there is a conflict between a concurrent resolution and statute, the last adopted or enacted shall prevail.

[Recess]

(d) Neither house without the consent of the other may recess for more than 10 days or to any other place. *[As amended November 8, 2016. Initiative measure.]*

[Legislature—Total Aggregate Expenditures]

SEC. 7.5. In the fiscal year immediately following the adoption of this Act, the total aggregate expenditures of the Legislature for the compensation of members and employees of, and the operating expenses and equipment for, the Legislature may not exceed an amount equal to nine hundred fifty thousand dollars (\$950,000) per member for that fiscal year or 80 percent of the amount of money expended for those purposes in the preceding fiscal year, whichever is less. For each fiscal year thereafter, the total aggregate expenditures may not exceed an amount equal to that expended for those purposes in the preceding fiscal year, adjusted and compounded by an amount equal to the percentage increase in the appropriations limit for the State established pursuant to Article XIII B. *[New section adopted November 6, 1990. Initiative measure.]*

[Bills and Statutes—30-day Waiting Period]

SEC. 8. (a) At regular sessions no bill other than the budget bill may be heard or acted on by committee or either house until the 31st day after the bill is introduced unless the house dispenses with this requirement by rollcall vote entered in the journal, three fourths of the membership concurring.

[Bills and Statutes—3 Readings—Notice Period]

(b) (1) The Legislature may make no law except by statute and may enact no statute except by bill. No bill may be passed unless it is read by title on 3 days in each house except that the house may dispense with this requirement by rollcall vote entered in the journal, two thirds of the membership concurring.

(2) No bill may be passed or ultimately become a statute unless the bill with any amendments has been

printed, distributed to the members, and published on the Internet, in its final form, for at least 72 hours before the vote, except that this notice period may be waived if the Governor has submitted to the Legislature a written statement that dispensing with this notice period for that bill is necessary to address a state of emergency, as defined in paragraph (2) of subdivision (c) of Section 3 of Article XIII B, that has been declared by the Governor, and the house considering the bill thereafter dispenses with the notice period for that bill by a separate rollcall vote entered in the journal, two thirds of the membership concurring, prior to the vote on the bill.

(3) No bill may be passed unless, by rollcall vote entered in the journal, a majority of the membership of each house concurs.

[Bills and Statutes—Effective Date]

(c) (1) Except as provided in paragraphs (2) and (3) of this subdivision, a statute enacted at a regular session shall go into effect on January 1 next following a 90-day period from the date of enactment of the statute and a statute enacted at a special session shall go into effect on the 91st day after adjournment of the special session at which the bill was passed.

(2) A statute, other than a statute establishing or changing boundaries of any legislative, congressional, or other election district, enacted by a bill passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, shall go into effect on January 1 next following the enactment date of the statute unless, before January 1, a copy of a referendum petition affecting the statute is submitted to the Attorney General pursuant to subdivision (d) of Section 10 of Article II, in which event the statute shall go into effect on the 91st day after the enactment date unless the petition has been presented to the Secretary of State pursuant to subdivision (b) of Section 9 of Article II.

(3) Statutes calling elections, statutes providing for tax levies or appropriations for the usual current expenses of the State, and urgency statutes shall go into effect immediately upon their enactment.

[Bills and Statutes—Urgency Statutes]

(d) Urgency statutes are those necessary for immediate preservation of the public peace, health, or safety. A statement of facts constituting the necessity shall be set forth in one section of the bill. In each house the section and the bill shall be passed separately, each by rollcall vote entered in the journal, two thirds of the membership concurring. An urgency statute may not create or abolish any office or change the salary, term, or duties of any office, or grant any franchise or special privilege, or create any vested right or interest. *[As amended November 8, 2016. Initiative measure.]*

[Ballot Measures—Application]

SEC. 8.5. An act amending an initiative statute, an act providing for the issuance of bonds, or a constitutional amendment proposed by the Legislature and submitted to the voters for approval may not do either of the following:

(a) Include or exclude any political subdivision of the State from the application or effect of its provisions based upon approval or disapproval of the measure, or based upon the casting of a specified percentage of votes in favor of the measure, by the electors of that political subdivision.

(b) Contain alternative or cumulative provisions wherein one or more of those provisions would become law depending upon the casting of a specified percentage of votes for or against the measure. *[New section adopted June 2, 1998.]*

[Statutes—Title—Section]

SEC. 9. A statute shall embrace but one subject, which shall be expressed in its title. If a statute embraces a subject not expressed in its title, only the part

not expressed is void. A statute may not be amended by reference to its title. A section of a statute may not be amended unless the section is re-enacted as amended. [New section adopted November 8, 1966.]

[Governor's Veto—Bill Introduction in Biennial Session—Fiscal Emergencies]

SEC. 10. (a) Each bill passed by the Legislature shall be presented to the Governor. It becomes a statute if it is signed by the Governor. The Governor may veto it by returning it with any objections to the house of origin, which shall enter the objections in the journal and proceed to reconsider it. If each house then passes the bill by rollcall vote entered in the journal, two-thirds of the membership concurring, it becomes a statute.

(b) (1) Any bill, other than a bill which would establish or change boundaries of any legislative, congressional, or other election district, passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, that is not returned within 30 days after that date becomes a statute.

(2) Any bill passed by the Legislature before September 1 of the second calendar year of the biennium of the legislative session and in the possession of the Governor on or after September 1 that is not returned on or before September 30 of that year becomes a statute.

(3) Any other bill presented to the Governor that is not returned within 12 days becomes a statute.

(4) If the Legislature by adjournment of a special session prevents the return of a bill with the veto message, the bill becomes a statute unless the Governor vetoes the bill within 12 days after it is presented by depositing it and the veto message in the office of the Secretary of State.

(5) If the 12th day of the period within which the Governor is required to perform an act pursuant to paragraph (3) or (4) of this subdivision is a Saturday, Sunday, or holiday, the period is extended to the next day that is not a Saturday, Sunday, or holiday.

(c) Any bill introduced during the first year of the biennium of the legislative session that has not been passed by the house of origin by January 31 of the second calendar year of the biennium may no longer be acted on by the house. No bill may be passed by either house on or after September 1 of an even-numbered year except statutes calling elections, statutes providing for tax levies or appropriations for the usual current expenses of the State, and urgency statutes, and bills passed after being vetoed by the Governor.

(d) The Legislature may not present any bill to the Governor after November 15 of the second calendar year of the biennium of the legislative session.

(e) The Governor may reduce or eliminate one or more items of appropriation while approving other portions of a bill. The Governor shall append to the bill a statement of the items reduced or eliminated with the reasons for the action. The Governor shall transmit to the house originating the bill a copy of the statement and reasons. Items reduced or eliminated shall be separately reconsidered and may be passed over the Governor's veto in the same manner as bills.

(f) (1) If, following the enactment of the budget bill for the 2004–05 fiscal year or any subsequent fiscal year, the Governor determines that, for that fiscal year, General Fund revenues will decline substantially below the estimate of General Fund revenues upon which the budget bill for that fiscal year, as enacted, was based, or General Fund expenditures will increase substantially above that estimate of General Fund revenues, or both, the Governor may issue a proclamation declaring a fiscal emergency and shall thereupon cause the Legislature to assemble in special session for this purpose. The proclamation shall identify the nature of the fiscal emergency and shall be submitted by the Governor to the Legislature, accompanied by proposed legislation to address the fiscal emergency.

(2) If the Legislature fails to pass and send to the Governor a bill or bills to address the fiscal emergency by the 45th day following the issuance of the procla-

mation, the Legislature may not act on any other bill, nor may the Legislature adjourn for a joint recess, until that bill or those bills have been passed and sent to the Governor.

(3) A bill addressing the fiscal emergency declared pursuant to this section shall contain a statement to that effect. [*As amended March 2, 2004.*]

[Committees]

SEC. 11. The Legislature or either house may by resolution provide for the selection of committees necessary for the conduct of its business, including committees to ascertain facts and make recommendations to the Legislature on a subject within the scope of legislative control. [*As amended November 7, 1972.*]

*[Governor's Budget—Budget Bill—
Other Appropriations]*

SEC. 12. (a) Within the first 10 days of each calendar year, the Governor shall submit to the Legislature, with an explanatory message, a budget for the ensuing fiscal year containing itemized statements for recommended state expenditures and estimated state revenues. If recommended expenditures exceed estimated revenues, the Governor shall recommend the sources from which the additional revenues should be provided.

(b) The Governor and the Governor-elect may require a state agency, officer or employee to furnish whatever information is deemed necessary to prepare the budget.

(c) (1) The budget shall be accompanied by a budget bill itemizing recommended expenditures.

(2) The budget bill shall be introduced immediately in each house by the persons chairing the committees that consider the budget.

(3) The Legislature shall pass the budget bill by midnight on June 15 of each year.

(4) Until the budget bill has been enacted, the Legislature shall not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the budget bill is to be enacted,

except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

(d) No bill except the budget bill may contain more than one item of appropriation, and that for one certain, expressed purpose. Appropriations from the General Fund of the State, except appropriations for the public schools and appropriations in the budget bill and in other bills providing for appropriations related to the budget bill, are void unless passed in each house by rollcall vote entered in the journal, two-thirds of the membership concurring.

(e) (1) Notwithstanding any other provision of law or of this Constitution, the budget bill and other bills providing for appropriations related to the budget bill may be passed in each house by rollcall vote entered in the journal, a majority of the membership concurring, to take effect immediately upon being signed by the Governor or upon a date specified in the legislation. Nothing in this subdivision shall affect the vote requirement for appropriations for the public schools contained in subdivision (d) of this section and in subdivision (b) of Section 8 of this article.

(2) For purposes of this section, "other bills providing for appropriations related to the budget bill" shall consist only of bills identified as related to the budget in the budget bill passed by the Legislature.

(f) The Legislature may control the submission, approval, and enforcement of budgets and the filing of claims for all state agencies.

(g) For the 2004–05 fiscal year, or any subsequent fiscal year, the Legislature may not send to the Governor for consideration, nor may the Governor sign into law, a budget bill that would appropriate from the General Fund, for that fiscal year, a total amount that, when combined with all appropriations from the General Fund for that fiscal year made as of the date of the budget bill's passage, and the amount of any General Fund moneys transferred to the Budget Stabilization Account for that fiscal year pursuant to Section 20 of Article XVI, ex-

ceeds General Fund revenues for that fiscal year estimated as of the date of the budget bill's passage. That estimate of General Fund revenues shall be set forth in the budget bill passed by the Legislature.

(h) Notwithstanding any other provision of law or of this Constitution, including subdivision (c) of this section, Section 4 of this article, and Sections 4 and 8 of Article III, in any year in which the budget bill is not passed by the Legislature by midnight on June 15, there shall be no appropriation from the current budget or future budget to pay any salary or reimbursement for travel or living expenses for Members of the Legislature during any regular or special session for the period from midnight on June 15 until the day that the budget bill is presented to the Governor. No salary or reimbursement for travel or living expenses forfeited pursuant to this subdivision shall be paid retroactively. [*As amended November 2, 2010. Initiative measure.*]

[General Fund—Revenues and Expenditures—Estimates]

SEC. 12.5. Within 10 days following the submission of a budget pursuant to subdivision (a) of Section 12, following the proposed adjustments to the Governor's Budget required by subdivision (e) of Section 13308 of the Government Code or a successor statute, and following the enactment of the budget bill, or as soon as feasible thereafter, the Director of Finance shall submit to the Legislature both of the following:

(a) Estimates of General Fund revenues for the ensuing fiscal year and for the three fiscal years thereafter.

OF THE
SENATE AND ASSEMBLY
2019–20 REGULAR SESSION

SCR No. 21 (De León),
Resolution Chapter 109,
Statutes of 2017,
2017–18 Regular Session
adopted by Senate, April 27, 2017,
Senate Journal, p. 872;
amended by Assembly, May 10, 2017,
Assembly Journal, p. 1449;
adopted by Assembly, May 26, 2017,
Assembly Journal, p. 1719;
Senate concurred in
Assembly amendments, July 17, 2017,
Senate Journal, p. 2066.

(Usage and Custom)

*Joint Rules 51, 54, and 61 dates have been
updated for the 2019–20 Session.

TEMPORARY JOINT RULES OF THE SENATE AND ASSEMBLY

Standing Committees

1. Each house shall appoint standing committees as the business of the house may require, the committees, the number of members, and the manner of selection to be determined by the rules of each house.

Joint Meeting of Committees

3. Whenever any bill has been referred by the Senate to one of its committees, and the same or a like bill has been referred by the Assembly to one of its committees, the chairpersons of the respective committees, when in their judgment the interests of legislation or the expedition of business will be better served thereby, shall arrange for a joint meeting of their committees for the consideration of the bill.

Effect of Adoption of Joint Rules

3.5. The adoption of the Joint Rules for any extraordinary session may not be construed as modifying or rescinding the Joint Rules of the Senate and Assembly for any previous session, nor as affecting in any way the status or powers of the committees created by those rules.

Definition of Word “Bill”

4. Whenever the word “bill” is used in these rules, it includes any resolution ratifying a proposed amendment to the United States Constitution and any resolution calling for a constitutional convention.

Concurrent and Joint Resolutions

5. Concurrent resolutions relate to matters to be treated by both houses of the Legislature.

Joint resolutions relate to matters connected with the federal government.

Resolutions Treated as Bills

6. Concurrent and joint resolutions, other than resolutions ratifying proposed amendments to the United States Constitution and resolutions calling for constitutional conventions, shall be treated in all respects as bills except as follows:

(a) They shall be given only one formal reading in each house.

(b) They may not be deemed bills within the meaning of subdivisions (a) and (b) of Section 8 of Article IV of the California Constitution.

(c) They may not be deemed bills for the purposes of Rules 10.8, 53, 55, 56, and 61, subdivisions (a) and (c) of Rule 54, and subdivisions (a) and (b) of Rule 62.

(d) They may not, except for those relating to voting procedures on the floor or in committee, be deemed bills for the purposes of subdivision (c) of Rule 62.

PREPARATION AND INTRODUCTION OF BILLS

Title of Bill

7. The title of every bill introduced shall convey an accurate idea of the contents of the bill and shall indicate the scope of the act and the object to be accomplished. In amending a code section, the mere reference to the section by number is not deemed sufficient.

Division of Bill Into Sections

8. A bill amending more than one section of an existing law shall contain a separate section for each section amended.

Bills that are not amendatory of existing laws shall be divided into short sections, where this can be done without destroying the sense of any particular section, to the end that future amendments may be made without the necessity of setting forth and repeating sections of unnecessary length.

Digest of Bills Introduced

8.5. A bill may not be introduced unless it is contained in a cover attached by the Legislative Counsel and it is accompanied by a digest, prepared and attached to the bill by the Legislative Counsel, showing the changes in the existing law that are proposed by the bill. A bill may not be printed where the body of the bill or the Legislative Counsel's Digest has been altered, unless the alteration has been approved by the Legislative Counsel. If any bill is presented to the Secretary of the Senate or the Chief Clerk of the Assembly for introduction that does not comply with the foregoing requirements of this rule, the Secretary or the Chief Clerk shall return it to the Member who presented it. The digest shall be printed on the bill as introduced, commencing on the first page thereof.

Digest of Bills Amended

8.6. Whenever a bill is amended in either house, the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be, shall request the Legislative Counsel to prepare an amended digest and cause it to be printed on the first page of the bill as amended. The digest shall be amended to show changes in the existing law that are proposed by the bill as amended, with any material changes in the digest indicated by the use of appropriate type.

Errors in Digest

8.7. If a material error in a printed digest referred to in Rule 8.5 or 8.6 is brought to the attention of the Legislative Counsel, he or she shall prepare a corrected digest that shows the changes made in the digest as provided in Rule 10 for amendments to bills. He or she shall deliver the corrected digest to the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be. If the correction so warrants in the opinion of the President pro Tempore of the Senate or the Speaker of the Assembly, a corrected print of the bill as introduced shall be ordered with the corrected digest printed thereon.

Bills Amending Title 9 of the Government Code

8.8. A Member who is the first-named author of a bill that would amend, add, or repeal any provision of Title 9 (commencing with Section 81000) of the Government Code, upon introduction or amendment of the bill in either house, shall notify the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, of the nature of the bill. Thereafter, the Chief Clerk of the Assembly or the Secretary of the Senate shall deliver a copy of the bill as introduced or amended to the Fair Political Practices Commission pursuant to Section 81012 of the Government Code.

Bills Amending the California Stem Cell Research and Cures Act

8.9. A Member who is the first-named author of a bill that would amend, add, or repeal any statutory provision of the California Stem Cell Research and Cures Act, other than the bond provisions thereof, upon introduction or amendment of the bill in either house, shall notify the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, of the nature of the bill. At least 14 days prior to passage in the Assembly or Senate, respectively, the Chief Clerk of the Assembly or the Secretary of the Senate shall make copies of the bill as introduced or amended available in the Bill Room for access by the public and news media.

Bills Amending Section 6 of the Smaller Classes, Safer Schools and Financial Accountability Act

8.95. A Member who is the first-named author of a bill that would amend, add, or repeal Section 47614 of the Education Code, upon introduction or amendment of the bill in either house, shall notify the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, of the nature of the bill. At least 14 days prior to passage in the Assembly or Senate, respectively, the Chief Clerk of the Assembly or the Secretary of the

Senate shall make copies of the bill as introduced or amended available in the Bill Room for access by the public and news media.

Restrictions as to Amendments

9. A substitute or amendment must relate to the same subject as the original bill, constitutional amendment, or resolution under consideration. An amendment is not in order when all that would be done to the bill is the addition of a coauthor or coauthors, unless the Committee on Rules of the house in which the amendment is to be offered grants prior approval.

Changes in Existing Law to Be Marked by Author

10. In a bill amending or repealing a code section or a general law, any new matter shall be underlined, and any matter to be omitted shall be in type bearing a horizontal line through the center and commonly known as “strikeout” type. When printed the new matter shall be printed in italics, and the matter to be omitted shall be printed in “strikeout” type.

In an amendment to a bill that sets out for the first time a section being amended or repealed, any new matter to be added and any matter to be omitted shall be indicated by the author and shall be printed in the same manner as though the section as amended or repealed was a part of the original bill and was being printed for the first time.

When an entire code is repealed as part of a codification or recodification, or when an entire title, part, division, chapter, or article of a code is repealed, the sections comprising the code, title, part, division, chapter, or article shall not be set forth in the bill or amendment in strikeout type.

Rereferral to Fiscal and Rules Committees

10.5. A bill shall be rereferred to the fiscal committee of each house when it would do any of the following:

- (1) Appropriate money.
- (2) Result in a substantial expenditure of state money.

(3) Result in a substantial increase or loss of revenue to the state.

(4) Result in substantial reduction of expenditures of state money by reducing, transferring, or eliminating any existing responsibilities of any state agency, program, or function.

Concurrent and joint resolutions shall be rereferred to the fiscal committee of each house when they contemplate any action that would involve any of the following:

(1) Any substantial expenditure of state money.

(2) Any substantial loss of revenue to the state.

The above requirements do not apply to bills or concurrent resolutions that contemplate the expenditure or allocation of operating funds.

This rule may be suspended in either house as to any particular bill by approval of the Committee on Rules of the house and two-thirds vote of the membership of the house.

Short Title

10.6. A bill may not add a short title that names a current or former Member of the Legislature.

Heading of Bills

10.7. A bill or resolution may be authored only by a Member or committee of the house of origin. Members or committees that are not of the house of origin may be “principal coauthors” or “coauthors.” A bill may not indicate in its heading or elsewhere that it was introduced at the request of a state agency or officer or any other person. A bill may not contain the words “By request” or words of similar import.

Consideration of Bills

10.8. The limitation contained in subdivision (a) of Section 8 of Article IV of the Constitution may be dispensed with as follows:

(a) A written request for dispensation entitled “Request to Consider and Act on Bill Within 30 Calendar Days” shall be filed with the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be,

and transmitted to the Committee on Rules of the appropriate house.

(b) The Committee on Rules of the Assembly or Senate, as the case may be, shall determine whether there exists an urgent need for dispensing with the 30-calendar-day waiting period following the bill's introduction.

(c) If the Committee on Rules recommends that the waiting period be dispensed with, the Member may offer a resolution, without further reference thereof to committee, authorizing hearing and action upon the bill before the 30 calendar days have elapsed. The adoption of the resolution requires an affirmative recorded vote of three-fourths of the elected Members of the house in which the resolution is presented.

Printing of Amendments

11. (a) Any bill amended by either house shall be immediately reprinted. Except as otherwise provided in subdivision (b), if new matter is added by the amendment, the new matter shall be printed in italics in the printed bill; if matter is omitted, the matter to be omitted shall be printed in strikeout type. When a bill is amended in either house, the first or previous markings shall be omitted.

(b) If amendments to a bill, including the report of a committee on conference, are adopted that omit the entire contents of the bill, the matter omitted need not be reprinted in the amended version of the bill. Instead, the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be, may select the amended bill and cause to be printed a brief statement to appear after the last line of the amended bill identifying which previously printed version of the bill contains the complete text of the omitted matter.

Manner of Printing Bills

12. The State Printer shall observe the directions of the Joint Rules Committee in printing all bills, constitutional amendments, and concurrent and joint resolutions.

Distribution of Legislative Publications

13. The Secretary of the Senate and the Chief Clerk of the Assembly shall order a sufficient number of bills and legislative publications as may be necessary for legislative requirements.

A complete list of bills may not be delivered except upon payment therefor of the amount fixed by the Joint Rules Committee for any regular or extraordinary session. No more than one copy of any bill or other legislative publication, nor more than a total of 100 bills or other legislative publications during a session, may be distributed free to any person, office, or organization. The limitations imposed by this paragraph do not apply to Members of the Legislature, the Secretary of the Senate, or the Chief Clerk of the Assembly for the proper functioning of their respective houses; the Legislative Counsel Bureau; the Attorney General's office; the Secretary of State's office; the Controller's office; the State Treasurer's office; the Insurance Commissioner's office; the Superintendent of Public Instruction; the State Board of Equalization; the Governor's office; the Lieutenant Governor's office; the Clerk of the Supreme Court; the clerk of the court of appeal for each district; the Judicial Council; the California Law Revision Commission; the State Library; the Library of Congress; the libraries of the University of California at Berkeley and at Los Angeles; or accredited members of the press. The State Printer shall fix the cost of the bills and publications, including postage, and moneys as may be received by him or her shall, after deducting the cost of handling and mailing, be remitted on the first day of each month, one-half each to the Secretary of the Senate and the Chief Clerk of the Assembly for credit to legislative printing. Legislative publications heretofore distributed through the Bureau of Documents shall be distributed through the Bill Room. Unless otherwise provided for, the total number of each bill to be printed may not exceed 2,500.

Legislative Index

13.1. The Legislative Counsel shall provide for the periodic publication of a cumulative Legislative Index, which shall include tables of sections affected by pending legislation. The State Printer shall print the Legislative Index in the quantities, and at the times, determined by the Secretary of the Senate and the Chief Clerk of the Assembly. The costs of that printing shall be paid from the legislative printing appropriation.

Summary Digest

13.3. The Legislative Counsel shall compile and prepare for publication a summary digest of legislation passed at each regular and extraordinary session, which digest shall be prepared in a form suitable for inclusion in the publication of statutes. The digest shall be printed as a separate legislative publication on the order of the Joint Rules Committee, and may be made available to the public in the quantities, and at the prices, determined by the Joint Rules Committee.

Statutory Record

13.5. The Legislative Counsel shall prepare for publication from time to time a cumulative statutory record. The statutory record shall be printed as a legislative publication on the order of the Secretary of the Senate or the Chief Clerk of the Assembly.

OTHER LEGISLATIVE PRINTING

Printing of the Daily Journal

14. The State Printer shall print, in the quantities directed by the Secretary of the Senate and the Chief Clerk of the Assembly, copies of the Daily Journal of each day's proceedings of each house. At the end of the session he or she shall also print, as directed by the Secretary of the Senate and the Chief Clerk of the Assembly, a sufficient number of copies properly paged after being corrected and indexed by the Secretary of the Senate and the Chief Clerk of the Assembly, to bind in book form as the Daily Journal of the respective houses of the Legislature.

What Shall Be Printed in the Daily Journal

15. The following shall be printed in the Daily Journal of each house:

(a) Messages from the Governor and messages from the other house, and the titles of all bills, joint and concurrent resolutions, and constitutional amendments when introduced in, offered to, or acted upon by, the house.

(b) Every vote taken in the house, and a statement of the contents of each petition, memorial, or paper presented to the house.

(c) A true and accurate account of the proceedings of the house, when not acting as a Committee of the Whole.

Printing of the Daily File

16. A Daily File of bills ready for consideration shall be printed each day for each house when the Legislature is not in joint recess, except days when a house does not meet.

Printing of History

17. Each house shall cause to be printed, once each week, a complete Weekly History of all bills, constitutional amendments, and concurrent, joint, and house resolutions originating in, considered by, or acted upon by, the respective houses and committees thereof. A regular form shall be prescribed by the Secretary of the Senate and the Chief Clerk of the Assembly. The Weekly History shall show the action taken upon each measure up to and including the legislative day preceding its issuance. Except for periods when the houses are in joint recess, for each day intervening there shall be published a Daily History or summary showing the consideration given to or action taken upon any measure since the issuance of the complete Weekly History.

Authority for Printing Orders

18. The State Printer may not print for use of either house, nor charge to legislative printing, any matter

other than provided by law or by the rules, except upon a written order signed by the Secretary of the Senate, on behalf of the Senate, or the Chief Clerk of the Assembly or other person authorized by the Assembly, on behalf of the Assembly. Persons authorized to order printing under this rule may, when necessity requires it, order certain matter printed in advance of the regular order, by the issuance of a rush order.

The Secretary of the Senate, on behalf of the Senate, and the Chief Clerk of the Assembly or other person authorized by the Assembly, on behalf of the Assembly, are hereby authorized and directed to order and distribute for the Members stationery and legislative publications for which there is a demand, and, subject to the rules of their respective houses, to approve the bills covering those orders. All bills for printing must be presented by the State Printer within 30 days after the completion of the printing.

RECORD OF BILLS

Secretary and Chief Clerk to Keep Records

19. The Secretary of the Senate and the Chief Clerk of the Assembly shall keep a complete and accurate record of every action taken by the Senate and Assembly on every bill.

Secretary and Chief Clerk Shall Endorse Bills

20. The Secretary of the Senate and the Chief Clerk of the Assembly shall endorse on every original or engrossed bill a statement of any action taken by the Senate or Assembly concerning the bill.

ACTION IN ONE HOUSE ON BILL TRANSMITTED FROM THE OTHER

After a Bill Has Been Passed by the Senate or Assembly

21. When a bill has been passed by either house it shall be transmitted promptly to the other, unless a

motion to reconsider or a notice of motion to reconsider has been made or it is held pursuant to some rule or order of the house.

The procedure of referring bills to committees shall be determined by the respective houses.

Messages to Be in Writing Under Proper Signatures

22. Notice of the action of either house to the other shall be in writing and under the signature of the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be. A receipt shall be taken from the officer to whom the message is delivered.

Consent Calendar: Uncontested Bills

22.1. Each standing committee may report an uncontested bill out of committee with the recommendation that it be placed on the Consent Calendar. The Secretary of the Senate and the Chief Clerk of the Assembly shall provide to each committee chairperson appropriate forms for that report. As used in this rule, "uncontested bill" means a bill that (a) receives a do-pass or do-pass-as-amended recommendation from the committee to which it is referred, by unanimous vote of the members present provided a quorum is present, (b) has no opposition expressed by any person present at the committee meeting with respect to the final version of the bill as approved by the committee, and (c) prior to final action by the committee, has been requested by the author to be placed on the Consent Calendar.

Consent Calendar

22.2. Following its second reading and the adoption of any committee amendments thereto, any bill certified by the committee chairperson as an uncontested bill shall be placed by the Secretary of the Senate or the Chief Clerk of the Assembly on the Consent Calendar, and shall be known as a "Consent Calendar bill." Any Consent Calendar bill that is amended from the floor shall cease to be a Consent Calendar bill and shall be returned to the Third Reading File. Upon objection of any

Member to the placement or retention of any bill on the Consent Calendar, the bill shall cease to be a Consent Calendar bill and shall be returned to the Third Reading File. No Consent Calendar bill may be considered for adoption until the second legislative day following the day of its placement on the Consent Calendar, and until the requirements of paragraph (2) of subdivision (b) of Section 8 of Article IV of the California Constitution have been satisfied.

Consideration of Bills on Consent Calendar

22.3. A bill on the Consent Calendar is not debatable, except that the President pro Tempore of the Senate or the Speaker of the Assembly shall allow a reasonable time for questions from the floor and shall permit a proponent of the bill to answer the questions. Immediately prior to voting on the first bill on the Consent Calendar, the President pro Tempore of the Senate or the Speaker of the Assembly shall call to the attention of the Members the fact that the next rollcall will be the rollcall on the first bill on the Consent Calendar.

The Consent Calendar shall be considered as the last order of business on the Daily File.

PASSAGE AND ENROLLING OF BILL

Procedure on Defeat of More Than Majority Bill

23.5. Whenever a bill containing a section or sections requiring for passage an affirmative recorded vote of more than 21 votes in the Senate and more than 41 votes in the Assembly is being considered for passage, and the urgency clause, if the bill is an urgency bill, or the bill, in any case, fails to receive the necessary votes to make all sections effective, further action may not be taken on the bill, except that an amendment to remove all sections requiring the higher vote for passage from the bill shall be in order prior to consideration of further business. If the amendment is adopted, the bill shall be reprinted to reflect the amendment and shall comply with paragraph (2) of subdivision (b) of Section 8 of

Article IV of the California Constitution. When the bill is reprinted, it shall be returned to the same place on the file that it occupied when it failed to receive the necessary votes.

Enrollment of Bill After Passage

24. After a bill has passed both houses it shall be printed in enrolled form, omitting symbols indicating amendments, and shall be compared by the Engrossing and Enrolling Clerk and the proper committee of the house where it originated to determine that it is in the form approved by the houses. The enrolled bill shall thereupon be signed by the Secretary of the Senate and Chief Clerk of the Assembly and, except as otherwise provided by these rules, presented without delay to the Governor. The committee shall report the time of presentation of the bill to the Governor to the house and the record shall be entered in the Daily Journal. After enrollment and signature by the officers of the Legislature, constitutional amendments, and concurrent and joint resolutions, shall be filed without delay in the office of the Secretary of State and the time of filing shall be reported to the house and the record entered in the Daily Journal.

AMENDMENTS AND CONFERENCES

Amendments to Amended Bills Must Be Attached

25. Whenever a bill or resolution that has been passed in one house is amended in the other, it shall immediately be reprinted as amended by the house making the amendment or amendments. One copy of the amendment or amendments shall be attached to the bill or resolution so amended, and endorsed "adopted"; the amendment or amendments, if concurred in by the house in which the bill or resolution originated, shall be endorsed "concurred in"; and the endorsement shall be signed by the Secretary or Assistant Secretary of the Senate, or the Chief Clerk or Assistant Clerk of the Assembly, as the case may be. However, an amendment to the title of a

bill adopted after the passage of the bill does not necessitate reprinting, but the amendment must be concurred in by the house in which the bill originated.

Amendments to Concurrent and Joint Resolutions

25.5. When a concurrent or joint resolution is amended, and the only effect of the amendments is to add coauthors, the joint or concurrent resolution may not be reprinted unless specifically requested by one of the added coauthors, but a list of the coauthors shall appear in the Daily Journal and History.

To Concur or Refuse to Concur in Amendments

26. If the Senate amends and passes an Assembly bill, or the Assembly amends and passes a Senate bill, the Senate (if it is a Senate bill) or the Assembly (if it is an Assembly bill) must either “concur” or “refuse to concur” in the amendments. If the Senate concurs (if it is a Senate bill), or the Assembly concurs (if it is an Assembly bill), the Secretary of the Senate or Chief Clerk of the Assembly shall so notify the house making the amendments, and the bill shall be ordered to enrollment.

Reference to Committee

26.5. Pursuant to Rule 26, whenever a bill is returned to its house of origin for a vote on concurrence in an amendment made in the other house, the Legislative Counsel shall promptly prepare and transmit to the Chief Clerk of the Assembly and the Speaker of the Assembly in the case of an Assembly bill, or to the Secretary of the Senate and Chairperson of the Senate Committee on Rules in the case of a Senate bill, a brief digest summarizing the effect of the amendment made in the other house. The Secretary or Chief Clerk shall, upon receipt from the Legislative Counsel, cause the digest to be printed in the Daily File immediately following any reference to the bill covered by the digest. A motion to concur or refuse to concur in the amendment is not in order until the Legislative Counsel’s Digest has

appeared in the Daily File or an analysis of the bill has been prepared and distributed pursuant to Senate Rule 29.8 or Assembly Rule 77.

If the digest discloses that the amendment of the other house has made a substantial substantive change in the bill as first passed by the house of origin, the bill, if it is a Senate bill, shall, on motion of the Chairperson of the Senate Committee on Rules, be referred to the Senate Committee on Rules for reference to an appropriate standing committee. If the bill is an Assembly bill, it may be referred by the Speaker to the appropriate committee.

Upon receipt of the bill, the committee may, by a vote of a majority of its membership, recommend concurrence or nonconcurrence in the amendment or hold the bill in committee. The committee shall be subject to all the requirements for procedure provided under Rule 62 for committees, other than committees of first referral, and shall be subject to other requirements for normal committee procedure as the Assembly or Senate may separately provide in the standing rules of their respective houses.

Any of the provisions of this rule may be dispensed with regard to a particular bill in its house of origin upon an affirmative vote of a majority of the Members of that house.

Concurring in Amendments Adding Urgency Section

27. When a bill that has been passed in one house is amended in the other by the addition of a section providing that the act shall take effect immediately as an urgency statute, and is returned to the house in which it originated for concurrence in the amendment or amendments thereto, the procedure and vote thereon shall be as follows:

The presiding officer shall first direct that the urgency section be read and put to a vote. If two-thirds of the membership of the house vote in the affirmative, the presiding officer shall then direct that the question of whether the house shall concur in the amendment or

amendments shall be put to a vote. If two-thirds of the membership of the house vote in the affirmative, concurrence in the amendments shall be effective.

If the affirmative vote on either of the questions is less than two-thirds of the membership of the house, the effect is a refusal to concur in the amendment or amendments, and the procedure thereupon shall be as provided in Rule 28.

When Senate or Assembly Refuses to Concur

28. If the Senate (if it is a Senate bill) or the Assembly (if it is an Assembly bill) refuses to concur in amendments to the bill made by the other house, and the other house has been notified of the refusal to concur, a conference committee shall be appointed for each house in the manner prescribed by these rules. The Senate Committee on Rules, on behalf of the Senate, and the Speaker of the Assembly, on behalf of the Assembly, shall each appoint a committee of three on conference, and the Secretary of the Senate or the Chief Clerk of the Assembly shall immediately notify the other house of the action taken.

Committee on Conference

28.1. (a) The Senate Committee on Rules and the Speaker of the Assembly, in appointing a committee on conference, shall each select two members from those voting with the majority on the point about which the difference has arisen, and the other member from the minority, in the event there is a minority vote.

Whether a member has voted with the majority or minority on the point about which the difference has arisen is determined by his or her vote on the appropriate rollcall, as follows:

(1) In the Assembly—

(A) The rollcall on the question of final passage of a Senate bill amended in the Assembly when the Senate has refused to concur with the Assembly amendments.

(B) The rollcall on the question of concurrence with Senate amendments to an Assembly bill.

(2) In the Senate—

(A) The rollcall on the question of final passage of an Assembly bill amended in the Senate when the Assembly has refused to concur with the Senate amendments.

(B) The rollcall on the question of concurrence with Assembly amendments to a Senate bill.

(b) Either house may suspend this rule by a two-thirds vote of the membership of the house.

Meetings and Reports of Committees on Conference

29. The first Senator named on the conference committee shall act as chairperson of the committee from the Senate, and the first Member of the Assembly named on the committee shall act as chairperson of the committee from the Assembly. The chairperson of the committee on conference for the house of origin of the bill shall arrange the time and place of meeting of the conference committee, and shall prepare or direct the preparation of reports. It shall require an affirmative vote of not less than two of the Assembly Members and two of the Senate Members constituting the committee on conference to agree upon a report, and the report shall be submitted to both the Senate and the Assembly. The committee on conference shall report to both the Senate and the Assembly. The report is not subject to amendment. If either house refuses to adopt the report, the conferees shall be discharged and other conferees appointed, except that no more than three different conference committees may be appointed on any one bill. A Member who has served on a committee on conference may not be appointed a member of another committee on conference on the same bill. It shall require the same affirmative recorded vote to adopt any conference report as required by the California Constitution upon the final passage of the bill affected by the report. It shall require an affirmative recorded vote of two-thirds of the entire elected membership of each house to adopt any conference report affecting any bill that contains an item or items of appropriation that are subject to subdivision (d) of Section 12 of Article IV of the California

Constitution. The report of a conference committee shall be in writing, and shall have affixed thereto the signatures of each Senator and each Member of the Assembly consenting to the report. Space shall also be provided where a member of a conference committee may indicate his or her dissent in the committee's findings. Any dissenting member may have attached to a conference committee report a dissenting report which shall not exceed, in length, the majority committee report. A copy of any amendments proposed in the majority report shall be placed on the desk of each Member of the house before it is acted upon by the house.

The vote on concurrence or upon the adoption of the conference report shall be deemed the vote upon final passage of the bill.

Conference Committees

29.5. (a) All meetings of any conference committee on the Budget Bill shall be open and readily accessible to the public. A conference committee on any bill may not meet, consider, or act on the subject matter of the bill except in a meeting that is open and readily accessible to the public, unless the action is on a report determined by the Legislative Counsel to be nonsubstantive. The Legislative Counsel shall examine each proposed report and shall note upon the face of the report that the amendments proposed are "substantive" or "nonsubstantive" as the case may be. The chairperson of the conference committee of each house shall give notice to the File Clerk of his or her respective house of the time and place of the meeting. Notice of each public meeting shall be published in the Daily File of each house one calendar day prior to the meeting, except that the notice is not required for a meeting of a conference committee on the Budget Bill. When this subdivision is waived with respect to a meeting of any public conference committee, or when there is a meeting of a conference committee on the Budget Bill, every effort shall be made to inform the public that a meeting has been called. When this subdivision has been waived with respect to the meeting of any public conference

committee, the chairperson of the conference committee of each house shall immediately notify the chairperson of the policy committee of his or her respective house that considered the bill in question of the waiver, and of the time and place of the meeting.

(b) The first committee on conference of the Budget Bill, if a committee is appointed, shall submit its report to each house no later than 15 days after the Budget Bill has been passed by both houses. If the report is not submitted by that date, the conference committee shall be deemed to have reached no agreement and shall so inform each house pursuant to Rule 30.7.

(c) A committee on conference of the Budget Bill may consider only differences between the Assembly version of the Budget Bill as passed by the Assembly and the Senate version of the Budget Bill as passed by the Senate, and may not approve any item of expenditure or control that exceeds that contained in one of the two versions before the conference committee.

(d) A conference committee on any bill, other than the Budget Bill, may not approve any substantial financial provision in any bill if the financial provision has not been heard by the fiscal committee of each house, nor may any conference committee approve substantial policy changes that have not been heard by the policy committee of each house.

(e) A waiver of the one-calendar-day Daily File notice requirement of subdivision (a) is not effective for longer than three calendar days.

Conference Committee Reports

30. Upon submission of any report of a committee on conference recommending that the bill be further amended, the bill shall be reprinted incorporating the amendments recommended by the conference committee. The consideration of the report of a committee on conference is not in order until the bill, in the form recommended by the report of the committee on conference, has been noticed in the Daily File, available on the Internet for 72 hours pursuant to paragraph (2) of subdivision (b) of Section 8 of Article IV of the California Constitution, and printed.

If the conference committee's report recommends only that the amendments of the Senate or the Assembly "be concurred in," consideration of the report shall be in order at any time, and reprinting of the bill is not required, but notice shall appear in the Daily File for not less than one legislative day.

A conference committee report is not in order unless it has been received by the Secretary of the Senate and the Chief Clerk of the Assembly at least three calendar days preceding the scheduled commencement of the summer, interim, or final recess of the Legislature.

Conference Committee Reports on Urgency Statutes

30.5. When the report of a committee on conference recommends the amendment of a bill by the addition of a section providing that the act shall take effect immediately as an urgency statute, the procedure and the vote thereon shall be as follows:

The presiding officer shall first direct that the urgency section be read and put to a vote. If two-thirds of the Members elected to the house vote in the affirmative, the presiding officer shall then direct that the question of whether the house shall adopt the report of the committee on conference shall be put to a vote. If two-thirds of the Members elected to the house vote in the affirmative, the adoption of the report and the amendments proposed thereby shall be effective.

If the affirmative vote on either of the questions is less than two-thirds of the Members elected to the house, the effect is a refusal to adopt the report of the committee on conference.

Failure to Agree on Report

30.7. A conference committee may find and determine that it is unable to submit a report to the respective houses, upon the affirmative vote to that effect of not less than two of the Assembly Members and not less than two of the Senate Members constituting the committee. That finding may be submitted to the Chief Clerk of the Assembly and the Secretary of the Senate

in the form of a letter from the chairperson of the committee on conference for the house of origin of the bill, containing the signatures of the members of the committee consenting to the finding and determination that the committee is unable to submit a report. The Chief Clerk of the Assembly and the Secretary of the Senate, upon being notified that a conference committee is unable to submit a report, shall so inform each house, whereupon the conferees shall be discharged and other conferees appointed, in accordance with Rule 29.

MISCELLANEOUS PROVISIONS

Authority When Rules Do Not Govern

31. All relations between the houses that are not covered by these rules shall be governed by the latest edition of Mason's Manual.

Press Rules

32. (a) Any person desiring privileges of an accredited press representative shall make application to the Joint Rules Committee. The application shall constitute compliance with any provisions of the rules of the Assembly or the Senate with respect to registration of news correspondents. The application shall state in writing the name of any print or electronic periodic news publication, news association, or radio or television station that employs the press representative, and any other occupations or employment he or she may have. The press representative shall further declare in the application that he or she is not employed, directly or indirectly, to assist in the prosecution of the legislative business of any person, corporation, or association, and will not become so employed while retaining the privilege of an accredited press representative.

(b) The application required by subdivision (a) of this rule shall be authenticated in a manner that is satisfactory to the Standing Committee of the Capitol Correspondents Association, which shall see that occupation of seats and desks in the Senate and the Assembly Chambers is confined to bona fide correspondents of

reputable standing in their business, who represent news media identified in subdivision (a). It is the duty of the standing committee, at its discretion, to report any violation of accredited press privileges to the Speaker of the Assembly or the Senate Committee on Rules and, pending action thereon, the offending correspondent may be suspended by the standing committee.

(c) Except as otherwise provided in this subdivision, persons engaged in other occupations whose chief attention is not given to newspaper correspondence or to news associations requiring telegraphic, radio, television, or electronic service are not entitled to the privileges accorded accredited press representatives. The press list in the Handbook of the California Legislature and the Senate and Assembly Histories shall be a list of only those persons authenticated by the Standing Committee of the Capitol Correspondents Association. Accreditation may be granted to any bona fide correspondent of reputable standing employed by a periodic publication of general circulation if the applicant is employed on a regular basis in the Capitol area preparing articles dealing with state government and politics and the publication is not an organ or organization involved in legislative advocacy.

(d) The press seats and desks in the Senate and Assembly Chambers shall be under the control of the standing committee of correspondents, subject to the approval and supervision of the Speaker of the Assembly and the Senate Committee on Rules. Press cards shall be issued by the President pro Tempore of the Senate and the Speaker of the Assembly only to correspondents properly accredited in accordance with this rule.

(e) An accredited member of the Capitol Correspondents Association may not, for compensation, perform any service for state constitutional officers or members of their staffs, for state agencies, for the Legislature, for candidates for state office, for a state officeholder, or for any person registered or performing as a legislative advocate.

(f) An accredited member of the association who violates subdivision (a) or (e) of this rule shall be subject to the following penalties:

(1) For the first offense, the Standing Committee of the Capitol Correspondents Association shall send a letter of admonition to the offending member, his or her employer, and the Joint Rules Committee. The letter shall state the nature of the member's rule violation and shall warn of an additional penalty for a second offense.

(2) For a second offense, the Standing Committee of the Capitol Correspondents Association shall recommend to the Joint Rules Committee that the member's accreditation be suspended or revoked and that he or she lose all rights and privileges attached thereto. The Standing Committee of the Capitol Correspondents Association shall also dismiss the member from the association.

Any member of the Standing Committee of the Capitol Correspondents Association may propose that the committee make an inquiry to determine if an association member has violated subdivision (a) or (e) of this rule. Upon a majority vote of the Standing Committee of the Capitol Correspondents Association, an inquiry shall be made.

Upon receipt of a signed, written notice from any association member of his or her belief that another association member may have violated subdivision (a) or (e) of this rule, the Standing Committee of the Capitol Correspondents Association shall commence an inquiry into the possible violation.

If the Standing Committee of the Capitol Correspondents Association determines by majority vote that an association member has violated an association rule, it shall inform the member of its finding. Within two weeks of notification, the member may request a meeting of the membership. If the member makes that request, the Standing Committee of the Capitol Correspondents Association shall promptly schedule a meeting at the earliest possible time. After hearing the member and the committee review the circumstances of the alleged violation, the membership may, by majority vote, nullify the finding of the Standing Committee of the Capitol Correspondents Association. If nullification does not occur, the Standing Committee of the Capitol Correspondents Association immediately shall impose the appropriate penalty.

Dispensing with Joint Rules

33. A joint rule may not be dispensed with except by a vote of two-thirds of each house or as otherwise provided in these rules. If either house violates a joint rule, a question of order may be raised in the other house and decided in the same manner as in the case of the violation of the rules of the house. If it is decided that the joint rules have been violated, the bill involving the violation shall be returned to the house in which it originated, and the disputed matter shall be considered in like manner as in conference committee.

Dispensing with Joint Rules: Unanimous Consent

33.1. Notwithstanding any other rule, a joint rule that may be dispensed with by one house may be done so by unanimous consent if the rules committee of that house has approved.

Opinions of Legislative Counsel

34. Whenever the Legislative Counsel issues a written opinion to any person other than the first-named author analyzing the constitutionality, operation, or effect of a bill or other legislative measure that is then pending before the Legislature or of any amendment made or proposed to be made to the bill or measure, he or she is authorized and instructed to deliver two copies of the opinion to the first-named author as promptly as feasible after the delivery of the original opinion and also to deliver a copy to any other author of the bill or measure who so requests. A copy of any letter prepared by the Legislative Counsel for the sole purpose of advising a Member of a conflict between two or more bills as to the sections of law being amended, repealed, or added shall be submitted to the chairperson of the committee to which each bill has been referred.

Resolutions Prepared by Legislative Counsel

34.1. Whenever the Legislative Counsel has been requested to draft a resolution commemorating or taking note of any event, or a resolution congratulating or

expressing sympathy toward any person, and subsequently receives a similar request from another Member of the Legislature, he or she shall inform that requester and each subsequent requester that a resolution is being, or has been, prepared, and shall inform them of the name of the Member for whom the resolution was, or is being, prepared.

Resolutions

34.2. A concurrent resolution, Senate resolution, or House resolution may be introduced to memorialize the death of a present or former state or federal elected official or a member of his or her immediate family. In all other instances, a resolution other than a concurrent resolution, as specified by the Committee on Rules of each house, or as provided by the Joint Rules Committee in those cases requiring that the resolution should emanate from both houses, shall be used for the purpose of commendation, congratulation, sympathy, or regret with respect to any person, group, or organization.

A concurrent resolution requesting the Governor to issue a proclamation may not be introduced without the prior approval of the Committee on Rules of the house in which the resolution is to be introduced.

Identical Drafting Requests

34.5. Whenever it comes to the attention of the Legislative Counsel that a Member has requested the drafting of a bill that will be substantially identical to one already introduced, the Legislative Counsel shall inform the Member of that fact.

Expense of Members

35. As provided in Section 8902 of the Government Code, each Member of the Legislature is entitled to reimbursement for living expenses while required to be in Sacramento to attend a session of the Legislature, while traveling to and from or in attendance at a committee meeting, or while attending to any legislative function or responsibility as authorized or directed by legislative rules or the Committee on Rules of the house

of which he or she is a Member, at the same rate as may be established by the California Victim Compensation Board for other elected state officers. Each Member shall be reimbursed for travel expenses incurred in traveling to and from a session of the Legislature, when traveling to and from a meeting of a committee of which he or she is a member, or when traveling pursuant to any other legislative function or responsibility as authorized or directed by legislative rules or the Committee on Rules of the house of which he or she is a Member, at the rate prescribed by Section 8903 of the Government Code.

Expense allowances for Members of the Senate and Assembly shall be approved and certified to the Controller by the Secretary of the Senate, on behalf of the Senate, and the Chief Clerk of the Assembly or other person authorized by the Assembly Committee on Rules, on behalf of the Assembly, weekly or as otherwise directed by either house, and upon certification the Controller shall draw his or her warrants in payment of the allowances to the respective Members.

Issuance of Subpoenas

35.5. A subpoena requiring the attendance of a witness or the production of documents may be issued by the Senate Committee on Rules, the Speaker of the Assembly, or the chairperson of a committee conducting an investigation only if permission has been secured from the rules committee of the respective house, or from the Joint Rules Committee if the subpoena is issued by the chairperson of a joint committee.

Investigating Committees

36. In order to expedite the work of the Legislature, either house, or both houses jointly, may by resolution or statute provide for the appointment of committees to ascertain facts and to make recommendations as to any subject within the scope of legislative regulation or control.

The resolution providing for the appointment of a committee pursuant to this rule shall state the purpose of

the committee and the scope of the subject concerning which it is to act, and may authorize it to act either during sessions of the Legislature or, when authorization may lawfully be made, after final adjournment.

In the exercise of the power granted by this rule, each committee may employ clerical, legal, and technical assistants as may be authorized by: (a) the Joint Rules Committee in the case of a joint committee, (b) the Senate Committee on Rules in the case of a Senate committee, or (c) the Assembly Committee on Rules in the case of an Assembly committee.

Except as otherwise provided herein for joint committees or by the rules of the Senate or the Assembly for single house committees, each committee may adopt and amend rules governing its procedure as may appear necessary and proper to carry out the powers granted and duties imposed under this rule. The rules may include provisions fixing the quorum of the committee and the number of votes necessary to take action on any matter. With respect to all joint committees, a majority of the membership from each house constitutes a quorum, and an affirmative vote of a majority of the membership from each house is necessary for the committee to take action.

Each committee is authorized and empowered to summon and subpoena witnesses, to require the production of papers, books, accounts, reports, documents, records, and papers of every kind and description, to issue subpoenas, and to take all necessary means to compel the attendance of witnesses and to procure testimony, oral and documentary. A committee's issuance of a subpoena shall comply with Rule 35.5.

Each member of the committees is authorized and empowered to administer oaths, and all of the provisions of Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code, relating to the attendance and examination of witnesses before the Legislature and the committees thereof, apply to the committees. A committee may grant a witness immunity from criminal prosecution, pursuant to subdivision (a) of Section 9410 of the Government Code, only after

securing permission from the rules committee of the respective house, or from the Joint Rules Committee in the case of a joint committee.

The Sergeant at Arms of the Senate or Assembly, or other person as may be designated by the chairperson of the committee, shall serve any and all subpoenas, orders, and other process that may be issued by the committee, when directed to do so by the chairperson, or by a majority of the membership of the committee.

Every department, commission, board, agency, officer, and employee of the state government, including the Legislative Counsel and the Attorney General and their subordinates, and of every political subdivision, county, city, or public district of or in this state, shall give and furnish to these committees and to their subcommittees upon request information, records, and documents as the committees deem necessary or proper for the achievement of the purposes for which each committee was created.

Each committee or subcommittee of either house, in accordance with the rules of that respective house, and each joint committee or subcommittee thereof, may meet at any time during the period in which it is authorized to act, either at the State Capitol or at any other place in the State of California, in public or executive session, and do any and all things necessary or convenient to enable it to exercise the powers and perform the duties herein granted to it or accomplish the objects and purposes of the resolution creating it, subject to the following exceptions:

(a) When the Legislature is in session:

(1) A committee or subcommittee of either house may not meet outside the State Capitol without the prior approval of the Senate Committee on Rules with respect to Senate committees and subcommittees, or the Speaker of the Assembly with respect to Assembly committees and subcommittees.

(2) A committee or subcommittee of either house, other than a standing committee or subcommittee thereof, may not meet unless notice of the meeting has been printed in the Daily File for four days prior thereto. This

requirement may be waived by a majority vote of either house with respect to a particular bill.

(3) A joint committee or subcommittee thereof, other than the Joint Committees on Legislative Audit, Legislative Budget, and Rules, may not meet outside the State Capitol without the prior approval of the Joint Rules Committee.

(4) A joint committee or subcommittee thereof, other than the Joint Committees on Legislative Audit, Legislative Budget, and Rules, may not meet unless notice of the meeting has been printed in the Daily File for four days prior thereto.

(b) When the Legislature is in joint recess, each joint committee or subcommittee, other than the Joint Committees on Legislative Audit, Legislative Budget, and Rules, shall notify the Joint Rules Committee at least two weeks prior to a meeting.

(c) The requirements placed upon joint committees by subdivisions (a) and (b) of this rule may be waived as deemed necessary by the Joint Rules Committee.

Each committee may expend such money as is made available to it for its purpose, but a committee may not incur any indebtedness unless money has been first made available therefor.

Living expenses may not be allowed in connection with legislative business for a day on which the Member receives reimbursement for expenses while required to be in Sacramento to attend a session of the Legislature. The chairperson of each committee shall audit and approve the expense claims of the members of the committee, including claims for mileage in connection with attendance on committee business, or in connection with specific assignments by the committee chairperson, but excluding other types of mileage, and shall certify the amount approved to the Controller. The Controller shall draw his or her warrants upon the certification of the chairperson.

Subject to the rules of each house for the respective committees of each house, or the joint rules for any joint committee, with the permission of the appointing authority of the respective house, or the permission of the

appointing authorities of the two houses in the case of a joint committee, the chairperson of any committee may appoint subcommittees and chairpersons thereof for the purpose of more expeditiously handling and considering matters referred to it, and the subcommittees and the chairpersons thereof shall have all the powers and authority herein conferred upon the committee and its chairperson. The chairperson of a subcommittee shall audit the expense claims of the members of the subcommittee, and other claims and the expenses incurred by it, and shall certify the amount thereof to the chairperson of the committee, who shall, if he or she approves the same, certify the amount thereof to the Controller; the Controller shall draw his or her warrant therefor upon that certification, and the Treasurer shall pay the same. Any committee or subcommittee thereof that is authorized to leave the State of California in the performance of its duties shall, while out of the state, have the same authority as if it were acting and functioning within the state, and the members thereof shall be reimbursed for expenses.

Notwithstanding any other provision of this rule, if the standing rules of either house require that expense claims of committees for goods or services, pursuant to contracts, or for expenses of employees or members of committees be audited or approved, after approval of the committee chairperson, by another agency of either house, the Controller shall draw his or her warrants only upon the certification of the other agency. All expense claims approved by the chairperson of any joint committee, other than the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall be approved by the Joint Rules Committee, and the Controller shall draw his or her warrants only upon the certification of the Joint Rules Committee.

Except salary claims of employees clearly subject to federal withholding taxes and the requirement as to loyalty oaths, claims presented for services or pursuant to contract shall refer to the agreement, the terms of which shall be made available to the Controller.

Expenses of Committee Employees

36.1. Unless otherwise provided by respective house or committee rule or resolution, employees of legislative committees, when entitled to traveling expenses, are entitled to allowances in lieu of actual expenses for hotel accommodations, breakfast, lunch, and dinner, at the rates fixed by the California Victim Compensation Board from time to time in limitation of reimbursement of expenses of state employees generally. However, if an allowance for hotel accommodations, breakfast, lunch, and dinner is made by a committee at a rate in excess of the rate fixed by the California Victim Compensation Board, the chairperson of the committee shall notify the Controller of that fact in writing.

Appointment of Committees

36.5. This rule applies whenever a joint committee is created by a statute or resolution that either provides that appointments be made and vacancies be filled in the manner provided for in the Joint Rules, or makes no provision for the appointment of members or the filling of vacancies.

The Senate members of the committee shall be appointed by the Senate Committee on Rules; the Assembly members of the committee shall be appointed by the Speaker of the Assembly; and vacancies occurring in the membership of the committee shall be filled by the respective appointing powers. The members appointed shall hold over until their successors are regularly selected.

Appointment of Joint Committee Chairpersons

36.7. The chairperson of each joint committee heretofore or hereafter created, except the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall be appointed by the Joint Rules Committee from a Member or Members recommended by the Senate Committee on Rules and the Speaker of the Assembly.

Joint Committee Funds

36.8. Each joint committee heretofore or hereafter created, except the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall expend the funds heretofore or hereafter made available to it in compliance with the policies set forth by the Joint Rules Committee with respect to personnel, salaries, purchasing, office space assignment, contractual services, rental or lease agreements, travel, and any and all other matters relating to the management and administration of committee affairs.

Joint Legislative Budget Committee

37. In addition to any other committee provided for by these rules, there is a joint committee to be known as the Joint Legislative Budget Committee, which is hereby declared to be a continuing body.

It is the duty of the committee to ascertain facts and make recommendations to the Legislature and to the houses thereof concerning the State Budget, the revenues and expenditures of the state, and the organization and functions of the state and its departments, subdivisions, and agencies, with a view to reducing the cost of the state government and securing greater efficiency and economy.

The committee consists of eight Members of the Senate and eight Members of the Assembly. The Senate members of the committee shall be appointed by the Senate Committee on Rules. The Assembly members of the committee shall be appointed by the Speaker of the Assembly. The committee shall select its own chairperson.

Any vacancy occurring at any time in the Senate membership of the Joint Legislative Budget Committee shall be filled by the Senate Committee on Rules, and the Senators appointed shall hold over until their successors are regularly selected. For the purposes of this rule, a vacancy shall be deemed to exist as to a Senator whose term is expiring whenever he or she is not reelected at the general election.

Any vacancy occurring at any time in the Assembly membership of the Joint Legislative Budget Committee shall be filled by appointment by the Speaker of the Assembly, and the Members of the Assembly appointed shall hold over between regular sessions until their successors are regularly selected. For the purposes of this rule, a vacancy shall be deemed to exist as to a Member of the Assembly whose term is expiring whenever he or she is not reelected at the general election.

The committee may adopt rules to govern its own proceedings and its employees. The committee, with the permission of the appointing authorities of the two houses, may also create subcommittees from its membership, assigning to its subcommittees any study, inquiry, investigation, or hearing that the committee itself has authority to undertake or hold. A subcommittee for the purpose of this assignment has and may exercise all the powers conferred upon the committee, limited only by the express terms of any rule or resolution of the committee defining the powers and duties of the subcommittee. Those powers may be withdrawn or terminated at any time by the committee.

The Joint Legislative Budget Committee may render services to any investigating committee of the Legislature pursuant to contract between the Joint Legislative Budget Committee and the committee for which the services are to be performed. The contract may provide for payment to the Joint Legislative Budget Committee of the cost of the services from the funds appropriated to the contracting investigating committee. All legislative investigating committees are authorized to enter into those contracts with the Joint Legislative Budget Committee. Money received by the Joint Legislative Budget Committee pursuant to any agreement shall be in augmentation of the current appropriation for the support of the Joint Legislative Budget Committee.

The provisions of Rule 36 shall apply to the Joint Legislative Budget Committee, which has all the authority provided in that rule or pursuant to Section 11 of Article IV of the California Constitution.

The committee has authority to appoint a Legislative Analyst, to fix his or her compensation, to prescribe his

or her duties, and to appoint any other clerical and technical employees as may appear necessary. The duties of the Legislative Analyst are as follows:

(1) To ascertain the facts and make recommendations to the Joint Legislative Budget Committee and, under its direction, to the committees of the Legislature concerning:

(a) The State Budget.

(b) The revenues and expenditures of the state.

(c) The organization and functions of the state and its departments, subdivisions, and agencies.

(2) To assist the Senate Committee on Appropriations, the Senate Budget and Fiscal Review Committee, and the Assembly Committees on Appropriations and Budget in consideration of the Budget, all bills carrying express or implied appropriations, and all legislation affecting state departments and their efficiency; to appear before any other legislative committee; and to assist any other legislative committee upon instruction by the Joint Legislative Budget Committee.

(3) To provide all legislative committees and Members of the Legislature with information obtained under the direction of the Joint Legislative Budget Committee.

(4) To maintain a record of all work performed by the Legislative Analyst under the direction of the Joint Legislative Budget Committee, and to keep and make available all documents, data, and reports submitted to him or her by any Senate, Assembly, or joint committee. The committee may meet either during sessions of the Legislature, any recess thereof, or after final adjournment, and may meet or conduct business at any place within the State of California.

The chairperson of the committee or, in the event of that person's inability to act, the vice chairperson, shall audit and approve the expenses of members of the committee or salaries of the employees, and all other expenses incurred in connection with the performance of its duties by the committee. The chairperson shall certify to the Controller the expense amount approved, the Controller shall draw his or her warrants upon the certification of the chairperson, and the Treasurer shall

pay the same to the chairperson of the committee, to be disbursed by the chairperson.

On and after the commencement of a succeeding regular session, those members of the committee who continue to be Members of the Senate and Assembly, respectively, continue as members of the committee until their successors are appointed, and the committee continues with all its powers, duties, authority, records, papers, personnel, and staff, and all funds theretofore made available for its use.

Upon the conclusion of its work, any Assembly, Senate, or joint committee (other than a standing committee) shall deliver to the Legislative Analyst for use and custody all documents, data, reports, and other materials that have come into the possession of the committee and that are not included within the final report of the committee to the Assembly, Senate, or the Legislature, as the case may be. The documents, data, reports, and other materials shall be available, upon request, to Members of the Legislature, the Senate Office of Research, and the Assembly Office of Research.

The Legislative Analyst, with the consent of the committee, shall make available to any Member or committee of the Legislature any other reports, records, documents, or other data under his or her control, except that reports prepared by the Legislative Analyst in response to a request from a Member or committee of the Legislature may be made available only with the written permission of the Member or committee who made the request.

The Legislative Analyst, upon the receipt of a request from any committee or Member of the Legislature to conduct a study or provide information that falls within the scope of his or her responsibilities and that concerns the administration of the government of the State of California, shall at once advise the Joint Legislative Budget Committee of the nature of the request without disclosing the name of the Member or committee making the request.

The Legislative Analyst shall immediately undertake to provide the requesting committee or legislator with

the service or information requested, and shall inform the committee or legislator of the approximate date when this information will be available. Should there be any material delay, he or she shall subsequently communicate this fact to the requester.

Neither the Committee on Rules of either house nor the Joint Rules Committee may assign any matter for study to the Joint Legislative Budget Committee or the Legislative Analyst without first obtaining from the Joint Legislative Budget Committee an estimate of the amount required to be expended by it to make the study.

Any concurrent, joint, Senate, or House resolution assigning a study to the Joint Legislative Budget Committee or to the Legislative Analyst shall be referred to the respective rules committees. Before the committees may act upon or assign the resolution, they shall obtain an estimate from the Joint Legislative Budget Committee of the amount required to be expended to make the study.

Citizen Cost Impact Report

37.1. Any Member or committee of the Legislature may recommend that the Legislative Analyst prepare a citizen cost impact analysis on proposed legislation. However, the recommendation shall first be reviewed by the Committee on Rules of the house where the recommendation originated, and this committee shall make the final determination as to which bills shall be assigned for preparation of an impact analysis.

In selecting specific bills for assignment to the Legislative Analyst for preparation of citizen cost impact analyses, the Committee on Rules shall request the Legislative Analyst to present an estimate of his or her time and prospective costs for preparing the analyses. Only those bills that have a potential significant cost impact shall be assigned. Where necessary, the Committee on Rules shall provide funds to offset added costs incurred by the Legislative Analyst.

The citizen cost impact analyses shall include those economic effects that the Legislative Analyst deems significant and that he or she believes will result directly

from the proposed legislation. Insofar as feasible, the economic effects considered by the Legislative Analyst shall include, but not be limited to, the following:

- (a) The economic effect on the public generally.
- (b) Any specific economic effect on persons or businesses in the case of legislation that is regulatory.

The Legislative Analyst shall submit the citizen cost impact analyses to the committee or committees when completed, and at the time or times designated by the Committee on Rules.

The Legislative Analyst shall submit from time to time, but at least once a year, a report to the Legislature on the trends and directions of the state's economy, and shall list the alternatives and make recommendations as to legislative actions that, in his or her judgment, will ensure a sound and stable state economy.

Joint Legislative Audit Committee

37.3. The Joint Legislative Audit Committee is created pursuant to the Legislature's rulemaking authority under the California Constitution, and pursuant to Chapter 4 (commencing with Section 10500) of Part 2 of Division 2 of Title 2 of the Government Code. The committee consists of seven Members of the Senate and seven Members of the Assembly, who shall be selected in the manner provided for in these rules. Notwithstanding any other provision of these rules, four Members from each house constitute a quorum of the Joint Legislative Audit Committee and the number of votes necessary to take action on any matter. The Chairperson of the Joint Legislative Audit Committee, upon receiving a request by any Member of the Legislature or committee thereof for a copy of a report prepared or being prepared by the Bureau of State Audits, shall provide the Member or committee with a copy of the report when it is, or has been, submitted by the Bureau of State Audits to the Joint Legislative Audit Committee.

Study or Audits

37.4. (a) Notwithstanding any other provision of law, the Joint Legislative Audit Committee shall

establish priorities and assign all work to be done by the Bureau of State Audits.

(b) Any bill requiring action by the Bureau of State Audits shall contain an appropriation for the cost of any study or audit.

(c) Any bill or concurrent, joint, Senate, or House resolution assigning a study or audit to the Joint Legislative Audit Committee or to the Bureau of State Audits shall be referred to the respective rules committees. Before the committees may act upon or assign the bill or resolution, they shall obtain an estimate from the Joint Legislative Audit Committee of the amount required to be expended to make the study or audit.

Waiver

37.5. Subdivision (b) of Rule 37.4 may be waived by the Joint Legislative Audit Committee. The chairperson of the committee shall notify the Secretary of the Senate, the Chief Clerk of the Assembly, and the Legislative Counsel in writing when subdivision (b) of Rule 37.4 has been waived. If the cost of a study or audit is less than one hundred thousand dollars (\$100,000), the chairperson of the committee may exercise the committee's authority to waive subdivision (b) of Rule 37.4.

Administrative Regulations

37.7. (a) Any Member of the Senate may request the Senate Committee on Rules, and any Member of the Assembly may request the Speaker of the Assembly, to direct a standing committee or the Office of Research of his or her respective house to study any proposed or existing regulation or group of related regulations. Upon receipt of a request, the Senate Committee on Rules or the Speaker of the Assembly shall, after review, determine whether a study shall be made. In reviewing the request, the Senate Committee on Rules or the Speaker of the Assembly shall determine:

- (1) The cost of making the study.
- (2) The potential public benefit to be derived from the study.
- (3) The scope of the study.

(b) The study may consider, among other relevant issues, whether the proposed or existing regulation:

- (1) Exceeds the agency's statutory authority.
- (2) Fails to conform to the legislative intent of the enabling statute.
- (3) Contradicts or duplicates other regulations adopted by federal, state, or local agencies.
- (4) Involves an excessive delegation of regulatory authority to a particular state agency.
- (5) Unfairly burdens particular elements of the public.
- (6) Imposes social or economic costs that outweigh its intended benefits to the public.
- (7) Imposes unreasonable penalties for violation.

The respective reviewing unit shall, in a timely manner, transmit its concerns, if any, to the Senate Committee on Rules or the Speaker of the Assembly, and the promulgating agency.

In the event that a state agency takes a regulatory action that the reviewing unit finds to be unacceptable, the unit shall file a report for publication in the Daily Journal of its respective house indicating the specific reasons why the regulatory action should not have been taken. The report may include a recommendation that the Legislature adopt a concurrent resolution requesting the state agency to reconsider its action or that the Legislature enact a statute to restrict the regulatory powers of the state agency taking the action.

Joint Rules Committee

40. The Joint Rules Committee is hereby created. The committee has a continuing existence and may meet, act, and conduct its business during sessions of the Legislature or any recess thereof.

The committee consists of the members of the Assembly Committee on Rules, the Assembly Majority Floor Leader, the Assembly Minority Floor Leader, the Speaker of the Assembly, four members of the Senate Committee on Rules, and as many Members of the Senate as may be required to maintain equality in the number of Assembly Members and Senators on the committee, to

The committee and its members have and may exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this committee and its members.

The committee shall ascertain facts and make recommendations to the Legislature and to the houses thereof concerning:

Any matter of business of either house, the transaction of which would affect the interests of the other house, may be referred to the committee for action if the Legislature is not in recess, and shall be referred to the committee for action if the Legislature is in recess.

The committee has the following additional powers and duties:

(a) To select a chairperson from its membership. The vice chairperson of the committee shall be one of the Senate members of the committee, to be selected by the Senate Committee on Rules.

If the majority of members of the Joint Rules Committee of each house at the separate meetings vote in favor of that action, the action shall be deemed to be action taken by the Joint Rules Committee.

The Joint Rules Committee shall meet not less than biweekly during a session of the Legislature, other than during a joint recess, at a regularly scheduled time and place. If the full committee fails to so meet, the members of the committee from the Senate shall meet separately as a unit and the members of the committee from the Assembly shall meet separately as a unit within five days of the regularly scheduled meeting date.

The committee succeeds to, and is vested with, all of the powers and duties of the Joint Committee on Legislative Organization, the State Capitol Committee, the Joint Committee on Interhouse Cooperation, the Joint Legislative Committee for School Visitations, and the Joint Standing Committee on the Joint Rules of the Senate and the Assembly.

The Joint Rules Committee or the respective rules committee, and the committee initiating the request, shall each receive a copy of the priority review.

Subcommittee on Legislative Space and Facilities

40.3. (a) A subcommittee of the Joint Rules Committee is hereby created, to be known as the Subcommittee on Legislative Space and Facilities. The subcommittee consists of three Members of the Senate and three Members of the Assembly, appointed by the Chairperson of the Joint Rules Committee, and the chairperson of the fiscal committee of each house who shall have full voting rights on the subcommittee. The chairperson of the subcommittee shall be appointed by the members thereof. For purposes of this subcommittee, the chairpersons of the fiscal committees are ex officio members of the Joint Rules Committee, but do not have voting rights on that committee, nor may they be counted in determining a quorum. The subcommittee shall consider the housing of the Legislature and legislative facilities.

(b) The subcommittee and its members have and may exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this subcommittee and its members.

42. The Committee on Rules of each house shall provide for a continuous cumulation of information concerning the membership, organization, meetings, and studies of legislative investigating committees. Each Committee on Rules shall be responsible for information concerning the investigating committees of its own house, and concerning joint investigating committees under a chairperson who is a Member of that house. To the extent possible, each Committee on Rules shall seek to ensure that the investigating committees for which it has responsibility under this rule have organized, including the organization of any subcommittees, and have had all topics for study assigned to them within a reasonable period of time.

The information thus cumulated shall be made available to the public by the Committee on Rules of each house and shall be published periodically under their joint direction.

Joint Committees

43. Any concurrent resolution creating a joint committee of the Legislature and any concurrent

resolution allocating moneys from the Operating Funds of the Assembly and Senate to the committee shall be referred to the Committee on Rules of the respective houses.

Conflict of Interest

44. (a) A Member of the Legislature may not, while serving, have any interest, financial or otherwise, direct or indirect, engage in any business or transaction or professional activity, or incur any obligation of any nature, that is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state.

(b) A Member of the Legislature may not, during the term for which he or she was elected:

(1) Accept other employment that he or she has reason to believe will either impair his or her independence of judgment as to his or her official duties, or require him or her, or induce him or her, to disclose confidential information acquired by him or her in the course of and by reason of his or her official duties.

(2) Willfully and knowingly disclose, for pecuniary gain, to any other person, confidential information acquired by him or her in the course of and by reason of his or her official duties, or use the information for the purpose of pecuniary gain.

(3) Accept or agree to accept, or be in partnership with any person who accepts or agrees to accept, any employment, fee, or other thing of value, or portion thereof, in consideration of his or her appearance, agreeing to appear, or taking of any other action on behalf of another person regarding a licensing or regulatory matter, before any state board or agency that is established by law for the primary purpose of licensing or regulating the professional activity of persons licensed, pursuant to state law.

This rule does not prohibit a Member who is an attorney at law from practicing in that capacity before the Workers' Compensation Appeals Board or the Commissioner of Corporations, and receiving compensation

therefor, or from practicing for compensation before any state board or agency in connection with, or in any matter related to, any case, action, or proceeding filed and pending in any state or federal court. This rule does not prohibit a Member from making an inquiry for information on behalf of a constituent before a state board or agency, if no fee or reward is given or promised in consequence thereof. The prohibition contained in this rule does not apply to a partnership in which a Member of the Legislature is a member if the Member of the Legislature does not share directly or indirectly in the fee resulting from the transaction, nor does it apply in connection with any matter pending before any state board or agency on the operative date of this rule if the affected Member of the Legislature is the attorney of record or representative in the matter prior to the operative date.

(4) Receive or agree to receive, directly or indirectly, any compensation, reward, or gift from any source except the State of California for any service, advice, assistance, or other matter related to the legislative process, except fees for speeches or published works on legislative subjects and except, in connection therewith, the reimbursement of expenses for actual expenditures for travel and reasonable subsistence for which no payment or reimbursement is made by the State of California.

(5) Participate, by voting or any other action, on the floor of either house, or in committee or elsewhere, in the enactment or defeat of legislation in which he or she has a personal interest, except as follows:

(i) If, on the vote for final passage, by the house of which he or she is a Member, of the legislation in which he or she has a personal interest, he or she first files a statement (which shall be entered verbatim in the Daily Journal) stating in substance that he or she has a personal interest in the legislation to be voted on and that, notwithstanding that interest, he or she is able to cast a fair and objective vote on the legislation, he or she may cast his or her vote without violating any provision of this rule.

(ii) If the Member believes that, because of his or her personal interest, he or she should abstain from

participating in the vote on the legislation, he or she shall so advise the presiding officer prior to the commencement of the vote and shall be excused from voting on the legislation without any entry in the Daily Journal of the fact of his or her personal interest. In the event that a rule of the house requiring that each Member who is present vote aye or nay is invoked, the presiding officer shall order the Member excused from compliance and shall order entered in the Daily Journal a simple statement that the Member was excused from voting on the legislation pursuant to law.

(c) A person subject to this rule has an interest that is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state, or a personal interest, arising from any situation, within the scope of this rule, if he or she has reason to believe or expect that he or she will derive a direct monetary gain or suffer a direct monetary loss, as the case may be, by reason of his or her official activity. He or she does not have an interest that is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state, or a personal interest, arising from any situation, within the scope of this rule, if any benefit or detriment accrues to him or her as a member of a business, profession, occupation, or group to no greater extent than any other member of the business, profession, occupation, or group.

(d) A person who is subject to this rule may not be deemed to be engaged in any activity that is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state, or to have a personal interest, arising from any situation, within the scope of this rule, solely by reason of any of the following:

(1) His or her relationship to any potential beneficiary of any situation is one that is defined as a remote interest by Section 1091 of the Government Code or is otherwise not deemed to be a prohibited interest under Section 1091.1 or 1091.5 of the Government Code.

(2) Receipt of a campaign contribution that is regulated, received, reported, and accounted for pursuant to

Chapter 4 (commencing with Section 84100) of Title 9 of the Government Code, so long as the contribution is not made on the understanding or agreement, in violation of law, that the person's vote, opinion, judgment, or action will be influenced thereby.

(e) The enumeration in this rule of specific situations or conditions that are deemed not to result in substantial conflict with the proper discharge of the duties and responsibilities of a legislator or legislative employee, or in a personal interest, may not be construed as exclusive.

The Legislature, in adopting this rule, recognizes that Members of the Legislature and legislative employees may need to engage in employment, professional, or business activities other than legislative activities in order to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with specific provisions of this rule. However, in construing and administering this rule, weight should be given to any coincidence of income, employment, investment, or other profit from sources that may be identified with the interests represented by those sources that are seeking action of any character on matters then pending before the Legislature.

(f) An employee of either house of the Legislature may not, during the time he or she is so employed, commit any act or engage in any activity prohibited by any part of this rule.

(g) A person may not induce or seek to induce any Member of the Legislature to violate any part of this rule.

(h) A violation of any part of this rule is punishable as provided in Section 8926 of the Government Code.

Ethics Committees

45. The Senate Committee on Legislative Ethics and the Assembly Legislative Ethics Committee, respectively, shall receive complaints concerning Members of their respective houses, and may investigate and make findings and recommendations concerning violations by Members of their respective houses of Article

2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code. Each house shall adopt rules governing the establishment and procedures of the committee of that house.

Designating Legislative Sessions

50. Regular sessions shall be identified with the odd-numbered year subsequent to each general election, followed by a hyphen, and then the last two digits of the following even-numbered year. For example: 2017–18 Regular Session.

Designating Extraordinary Sessions

50.3. All extraordinary sessions shall be designated in numerical order by the session in which convened.

Days and Dates

50.5. (a) As used in these rules, “day” means a calendar day, unless otherwise specified.

(b) When the date of a deadline, recess requirement, or circumstance falls on a Saturday, Sunday, or Monday that is a holiday, the date shall be deemed to refer to the preceding Friday. When the date falls on a holiday on a weekday other than a Monday, the date shall be deemed to refer to the preceding day.

Legislative Calendar

51. (a) The Legislature shall observe the following calendar during the first year of the regular session:

(1) Organizational Recess—The Legislature shall meet on the first Monday in December following the general election to organize. Thereafter, each house shall be in recess from the time it determines until the first Monday in January, except when the first Monday is January 1 or January 1 is a Sunday, in which case, the following Wednesday.

(2) Spring Recess—The Legislature shall be in recess from the 10th day prior to Easter until the Monday after Easter.

(3) Summer Recess—The Legislature shall be in recess from July 12 until August 12. This recess shall not commence until the Budget Bill is passed.

(4) Interim Study Recess—The Legislature shall be in recess from September 13 until the first Monday in January, except when the first Monday is January 1 or January 1 is a Sunday, in which case, the following Wednesday.

(b) The Legislature shall observe the following calendar for the remainder of the legislative session:

(1) Spring Recess—The Legislature shall be in recess from the 10th day prior to Easter until the Monday after Easter.¹

(2) Summer Recess—The Legislature shall be in recess from July 2 until August 2. This recess may not commence until the Budget Bill is passed.²

(c) Recesses shall be from the hour of adjournment on the day specified, reconvening at the time designated by the respective houses.

(d) The recesses specified by this rule shall be designated as joint recesses.

Recall from Recess

52. Notwithstanding the power of the Governor to call a special session, the Legislature may be recalled from joint recess and reconvene in regular session by any of the following means:

(a) It may be recalled by joint proclamation, which shall be entered in the Daily Journal, of the Senate Committee on Rules and the Speaker of the Assembly or, in

¹ The Legislature was in Joint Recess upon adjournment March 20, 2020 pursuant to Assembly Concurrent Resolution 189, Resolution Chapter 15, Statutes of 2020 (Assembly Journal page 4339; Senate Journal page 3410). Assembly reconvened May 4, 2020; Senate reconvened May 11, 2020.

² The Assembly Summer Recess begins upon adjournment June 19, 2020; the Senate Summer Recess begins upon adjournment July 2, 2020. Both houses reconvene July 27, 2020.

his or her absence from the state, the Assembly Committee on Rules.

(b) Ten or more Members of the Legislature may present a request for recall from joint recess to the Chief Clerk of the Assembly and the Secretary of the Senate. The request immediately shall be printed in the Daily Journal. Within 10 days thereafter, the Speaker of the Assembly or, if the Speaker is absent from the state, the Assembly Committee on Rules, and the Senate Committee on Rules shall act upon the request. If they concur in desiring to recall the Legislature from joint recess, they shall issue their joint proclamation to that effect entered in the Daily Journal no later than 20 days after publication of the request in the Daily Journal.

(c) If either or both of the parties specified in subdivision (b) does not concur, 10 or more Members of the Legislature may request the Chief Clerk of the Assembly or the Secretary of the Senate to petition the membership of the respective house. The petition shall be entered in the Daily Journal and shall contain a specified reconvening date commencing not later than 20 days after the date of the petition. If two-thirds of the Members of the house or each of the two houses concur, the Legislature shall reconvene on the date specified. The necessary concurrences must be received at least 10 days prior to the date specified for reconvening.

Procedure on Suspending Rules by Single House

53. Whenever these rules authorize suspension of the Joint Rules as to a particular bill by action of a single house after approval by the Committee on Rules of that house, the following procedure shall be followed:

(a) A written request to suspend the joint rule shall be filed with the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, and shall be transmitted to the Committee on Rules of the appropriate house.

(b) The Assembly Committee on Rules or the Senate Committee on Rules, as the case may be, shall

determine whether there exists an urgent need for the suspension of the joint rule with regard to the bill.

(c) If the appropriate rules committee recommends that the suspension be permitted, the Member may offer a resolution, without further reference thereof to committee, granting permission to suspend the joint rule. The adoption of the resolution granting permission shall require an affirmative recorded vote of the elected Members of the house in which the request is made.

Introduction of Bills

54. (a) A bill may not be introduced in the first year of the regular session after February 22 and a bill may not be introduced in the second year of the regular session after February 21. These deadlines do not apply to constitutional amendments, committee bills introduced pursuant to Assembly Rule 47 or Senate Rule 23, bills introduced in the Assembly with the permission of the Speaker of the Assembly, or bills introduced in the Senate with the permission of the Senate Committee on Rules. Subject to these deadlines, a bill may be introduced at any time except when the houses are in joint summer, interim, or final recess. Each house may provide for introduction of bills during a recess other than a joint recess. Bills shall be numbered consecutively during the regular session.

(b) The Desks of the Senate and Assembly shall remain open during a joint recess, other than a joint spring, summer, interim, or final recess, for the introduction of bills during business hours on Monday through Friday, inclusive, except holidays. Bills received at the Senate Desk during these periods shall be numbered and printed. After printing, the bills shall be delivered to the Secretary of the Senate and referred by the Senate Committee on Rules to a standing committee. Bills received at the Assembly Desk during these periods shall be numbered, printed, and referred to a committee by the Assembly Committee on Rules. After printing, the bills shall be delivered to the Chief Clerk of the Assembly. On the reconvening of each house, the bills shall be read

the first time, and shall be delivered to the committee to which they were referred.

(c) Unless approved by the Committee on Rules of the house of origin, a Member may not author a bill during a session that would have substantially the same effect as a bill he or she previously introduced during that session. This restriction does not apply in cases where the previously introduced bill was vetoed by the Governor or its provisions were “chaptered out” by a later chaptered bill pursuant to Section 9605 of the Government Code. An objection based on this restriction may be raised only while the bill is being considered by the house in which it is introduced. Upon objection, the chairperson of a committee, if the objection is raised in a committee hearing, or the presiding officer, if the objection is raised on the floor of the house, may rule on the objection to the bill. The objection to the bill may be referred to the Committee on Rules of the house for a determination. The Committee on Rules may obtain assistance as it may desire from the Legislative Counsel as to the similarity of a bill or amendments to a prior bill. Upon ruling on the objection, the Committee on Rules may rerefer the bill to the appropriate standing committee or return the bill to the floor of the house for consideration.

(d) During a joint recess, the Chief Clerk of the Assembly or Secretary of the Senate, as applicable, shall order the preparation of preprint bills when so ordered by any of the following:

- (1) The Speaker of the Assembly.
- (2) The Committee on Rules of the respective house.
- (3) A committee, with respect to bills within the subject matter jurisdiction of the committee.

Preprint bills shall be designated and shall be printed in the order received and numbered in the order printed. To facilitate subsequent amendment, a preprint bill shall be so prepared that, when introduced as a bill, the page and the line numbers will not change. The Chief Clerk of the Assembly and Secretary of the Senate shall publish a list periodically of preprint bills showing the preprint bill number, the title, and the Legislative Counsel’s

Digest. The Speaker of the Assembly and Senate Committee on Rules may refer any preprint bill to committee for study.

(e) (1) Bills providing for appropriations related to the Budget Bill, within the meaning of subdivision (e) of Section 12 of Article IV of the California Constitution, shall be authored only by the Senate Committee on Budget and Fiscal Review or the Assembly Committee on Budget.

(2) This subdivision may be suspended by approval of the Committee on Rules of the house of origin.

(f) Except as provided in subdivision (e), this joint rule may be suspended by approval of the Committee on Rules and three-fourths vote of the membership of the house.

30-Day Waiting Period

55. A bill other than the Budget Bill may not be heard or acted upon by committee or either house until the bill has been in print for 30 days. The date a bill is returned from the printer shall be entered in the Daily History. This rule may be suspended concurrently with the suspension of the requirement of Section 8 of Article IV of the Constitution or, if that period has expired, this rule may be suspended by approval of the Committee on Rules and two-thirds vote of the house in which the bill is being considered.

Return of Bills

56. Bills introduced in the first year of the regular session and passed by the house of origin on or before the January 31st constitutional deadline are "carryover bills." Immediately after January 31, bills introduced in the first year of the regular session that do not become "carryover bills" shall be returned to the Chief Clerk of the Assembly or Secretary of the Senate, respectively. Notwithstanding Rule 4, as used in this rule "bills" does not include constitutional amendments.

Appropriation Bills

57. Appropriation bills that, pursuant to paragraph (4) of subdivision (c) of Section 12 of Article IV of the California Constitution, may not be sent to the Governor shall be held, after enrollment, by the Chief Clerk of the Assembly or Secretary of the Senate, respectively. The bills shall be sent to the Governor immediately after the Budget Bill has been enacted.

Urgency Clauses

58. An amendment to add a section to a bill to provide that the act shall take effect immediately as an urgency statute may not be adopted unless the author of the amendment has first secured the approval of the Committee on Rules of the house in which the amendments are offered.

Vetoes

58.5. The Legislature may consider a Governor's veto for only 60 days, not counting days when the Legislature is in joint recess.

Publications

59. During periods of joint recess, weekly, if necessary, the following documents shall be published: Daily Files, Histories, and Daily Journals.

Committee Hearings

60. (a) A standing committee or subcommittee thereof may not take action on a bill at any hearing held outside of the State Capitol.

(b) A committee may hear the subject matter of a bill or convene for an informational hearing during a period of recess. Four days' notice in the Daily File is required prior to the hearing.

(c) A bill may not be acted upon by a committee during a joint recess.

(d) Notwithstanding subdivisions (a) and (b), a policy committee may report a bill to a fiscal committee on or before the relevant deadline for reporting nonfiscal bills to the floor if, after the policy committee deadline for reporting the bill to fiscal committee, the Legislative Counsel's Digest is changed to indicate reference to fiscal committee.

(e) Any bill in the house of origin that is not acted upon during the odd-numbered year as a result of the deadlines imposed in subdivision (a) may be acted upon when the Legislature reconvenes after the interim study joint recess, or at any time the Legislature is recalled from the interim study joint recess.

(f) The deadlines imposed by this rule do not apply to the rules committees of the respective houses.

(g) The deadlines imposed by this rule do not apply in instances where a bill is referred to committee under Rule 26.5.

(h) The deadlines imposed by this rule do not apply in instances where a bill is referred to a committee under Assembly Rule 77.2.

(i) (1) Notwithstanding subdivisions (a) and (b), a policy committee or fiscal committee may meet for the purpose of hearing and reporting a constitutional

amendment, or a bill that would go into immediate effect pursuant to subdivision (c) of Section 8, or subdivision (e) of Section 12, of Article IV of the California Constitution, at any time other than those periods when no committee may meet for any purpose.

(2) Notwithstanding subdivisions (a) and (b), either house may meet for the purpose of considering and passing a constitutional amendment, or a bill that would go into immediate effect pursuant to subdivision (c) of Section 8, or subdivision (e) of Section 12, of Article IV of the California Constitution, at any time during the session.

(j) This rule may be suspended as to any particular bill by approval of the Committee on Rules and two-thirds vote of the membership of the house.

Committee Procedure

62. (a) Notice of a hearing on a bill by the committee of first reference in each house, or notice of an informational hearing, shall be published in the Daily File at least four days prior to the hearing. Otherwise, notice shall be published in the Daily File two days prior to the hearing. That notice requirement may be waived by a majority vote of the house in which the bill is being considered. A bill may be set for hearing in a committee only three times. A bill is "set," for purposes of this subdivision, whenever notice of the hearing has been published in the Daily File for one or more days. If a bill is set for hearing, and the committee, on its own initiation and not the author's, postpones the hearing on the bill or adjourns the hearing while testimony is being taken, that hearing is not counted as one of the three times a bill may be set. After hearing the bill, the committee may vote on the bill. If the hearing notice in the Daily File specifically indicates that "testimony only" will be taken, that hearing is not counted as one of the three times a bill may be set. A committee may not vote on a bill so noticed until it has been heard in accordance with this rule. After a committee has voted on a bill, reconsideration may be granted only one time. Reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever first occurs. A vote on reconsideration may not be

taken without the same notice required to set a bill unless that vote is taken at the same meeting at which the vote to be reconsidered was taken, and the author is present. When a bill fails to get the necessary votes to pass it out of committee, or upon failure to receive reconsideration, it shall be returned to the Chief Clerk of the Assembly or Secretary of the Senate of the house of the committee and may not be considered further during the session.

This subdivision may be suspended with respect to a particular bill by approval of the Committee on Rules and two-thirds vote of the Members of the house.

(b) If the committee adopts amendments other than those offered by the author and orders the bill reprinted prior to its further consideration, the hearing shall not be the final time a bill may be set under subdivision (a) of this rule.

(c) When a standing committee takes action on a bill, the vote shall be by rollcall vote only. All rollcall votes taken by a standing committee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly and the Secretary of the Senate. The chairperson of each standing committee shall promptly transmit a copy of the record of the rollcall votes to the Chief Clerk of the Assembly or the Secretary of the Senate, respectively, who shall cause the votes to be published as prescribed by each house.

This subdivision also applies to action of a committee on a subcommittee report. The rules of each house shall prescribe the procedure as to rollcall votes on amendments.

Any committee may, with the unanimous consent of the members present, substitute a rollcall from a prior bill, provided that the members whose votes are substituted are present at the time of the substitution.

A bill may not be passed out by a committee without a quorum being present.

This subdivision does not apply to:

- (1) Procedural motions that do not have the effect of disposing of a bill.
- (2) Withdrawal of a bill from a committee calendar at the request of an author.
- (3) Return of a bill to the house where the bill has not been voted on by the committee.

(4) The assignment of a bill to committee.

(d) The chairperson of the committee hearing a bill may, at any time, order a call of the committee. Upon a request by any member of a committee or the author in person, the chairperson shall order the call.

In the absence of a quorum, a majority of the members present may order a quorum call of the committee and compel the attendance of absentees. The chairperson shall send the Sergeant at Arms for those members who are absent and not excused by their respective house.

When a call of a committee is ordered by the chairperson with respect to a particular bill, he or she shall send the Sergeant at Arms, or any other person to be appointed for that purpose, for those members who have not voted on that particular bill and are not excused.

A quorum call or a call of the committee with respect to a particular bill may be dispensed with by the chairperson without objection by any member of the committee, or by a majority of the members present.

If a motion is adopted to adjourn the committee while the committee is operating under a call, the call shall be dispensed with and any pending vote announced.

The committee secretary shall record the votes of members answering a call. The rules of each house may prescribe additional procedures for a call of a committee.

Uniform Rules

63. A standing committee of either house may not adopt or apply any rule or procedure governing the voting upon bills that is not equally applicable to the bills of both houses.

Votes on Bills

64. Every meeting of each house and standing committee or subcommittee thereof where a vote is to be taken on a bill, or amendments to a bill, shall be public.

Conflicting Rules

65. The provisions of Rule 50 and following of these rules prevail over any conflicting joint rule with a lesser number.

GENERAL INFORMATION

LEGISLATIVE SESSIONS

SESSIONS OF THE CALIFORNIA LEGISLATURE

The first two sessions were held in San Jose; the Third Session met at Vallejo and later removed to Sacramento; the Fourth Session met at Vallejo and later removed to Benicia; the Fifth Session met at Benicia and later removed to Sacramento. Beginning with the Sixth Session all Legislatures have met in Sacramento, except the Thirteenth which convened at Sacramento but later removed to San Francisco; the 1958 session and the 1999–2000 session met at Benicia for one day.

In 1949, Joint Rule 39 was adopted to clarify that “hereafter all regular sessions of the Legislature shall be designated by the year in which held, and all extraordinary sessions shall be designated in numerical order by the year in which convened.”
